Subjects of Deceit Apr 08 2021 Explores the connection between epistemological and moral "lying," interspersing a phenomenology of deceit with a continuing dialogue between the phenomenologist and one of her students.

7th Son: Descent May 10 2021 As America reels from the bizarre presidential assassination committed by a child, seven men are abducted from their normal lives and delivered to a secret government facility. Each man has his own career, his own specialty. All are identical in appearance. The seven strangers were grown-- unwitting human clones-- as part of a project called 7th Son. The government now wants something from these "John Michael Smiths." They share the flesh as well as the implanted memories of the psychopath responsible for the president's murder. The killer has bigger plans, and only these seven have the unique qualifications to track and stop him. But when their progenitor makes the battle personal, it becomes clear he may know the seven better than they know themselves.

Deceit Sep 06 2023 Safely hidden within the estate's enchanted walls, Benella no longer has time to fear her tormentors. She's too preoccupied attempting to determine what makes the beast so beastly. It might be the taxing visits from the aged enchantress who cursed him or his growing vexation at not being allowed to touch Benella. In order to gain her freedom, she must find a way to break the curse, but first, she must help him become a better man while protecting her heart. Intended for adult readers only due to sexual situations, violence (attempted rape), and moderate language.

Web of Deceit Jul 04 2023 As the Internet has become flooded with untrustworthy information, some of which is intentionally misleading or erroneous, this book teaches Web surfers how inaccurate data can affect their health, privacy, investments, business decisions, online purchases,

and legal affairs.

Masters Of Deceit: The Story Of Communism In America And How To Fight It Nov 15 2021 The Director of the Federal Bureau of Investigation explains the startling facts about the major menace of our time, communism: what it is, how it works, what its aims are, the real dangers it poses, and what loyal American citizens must know to protect their freedom. MASTERS OF DECEIT is a powerful and informative book—a firsthand account of American communism from its beginnings to the present, written by a man more intimately familiar with the complete story than any other American. Mr. Hoover shows the day-to-day operations of the Communist Party, USA: who the communists are, what they claim, why people become communists and why some break away. He describes life within the Party, communist strategy and tactics, methods of mass agitation and underground infiltration, espionage, sabotage, and its treatment of minorities. The picture of what life in this country would be under communism (toward which thousands of misguided Americans actually are working now!) is vivid and shocking. The forceful, driving message of this book is clarified with many incidents and anecdotes, definitions of communist terms, key dates, and a list of international communist organizations and publications which illustrate the communist Trojan horse in action. And it concretely outlines just what you can do now to combat the evils of the “false religion” of communism, so that you can stay free. MASTERS OF DECEIT is one of the most important books of our time—a warning of the clear and present danger to our way of life.

Illuminati 2 Jun 15 2024 A depraved satanic cult called the Illuminati is waging a covert war against humanity. This is the key to mankind's tragic history and current predicament. For more than a thousand years, Cabalist money lenders have conspired to usurp power from church and

aristocracy, according to a plan detailed in "The Protocols of the Elders of Zion." This plan does not represent Jews, but only a small cabal of bankers who organized in Masonic secret societies. They intermarried with prominent Gentiles and formed a vast occult and criminal underground. They are stealthily constructing a totalitarian world government. They involve nations in needless wars and enthrall the masses with porn, violence, trivia and toys. They attack our sources of identity and love -- God; family; country and race -- in order to stymie and dehumanize us. Sounds incredible, but after reading some of these 70 short essays, you'll nod in agreement. Their goal is to control your mind. If you know the truth, they can't.

The Face of Deception Jul 12 2021 An unidentified skull... A trail of terrifying secrets... And a woman whose talented hands could reveal the shocking truth... As a forensic sculptor, Eve Duncan helps identify the dead from their skulls. Her own daughter murdered and her body never found, the job is Eve's way of coming to terms with her personal nightmare. But more terror lies ahead when she accepts work from billionaire John Logan. Beneath her gifted hands a face emerges from the skull he has given her to reconstruct—a face no one was ever meant to see. Now Eve is trapped in a frightening web of murder and deceit. Powerful enemies are determined to cover up the truth, and they will make certain that truth goes to the grave...even if Eve gets buried with it.

Vines of Promise and Deceit Nov 08 2023 Cadence just wants to help Airlie. Instead she's trapped in a double life at the Guild. And how can she keep everyone safe when she's growing less and less sure who she can trust?

Deadly Deceit (Harbored Secrets Book #2) Nov 27 2022 Independent and tenacious journalist Vivian DeMarco is back in Walton, Georgia, for one reason--to do her job and get out. When her boss suddenly dies under suspicious circumstances, Vivian's only hope for finding the truth--and the next big story--is small-town law enforcement's lanky poster boy, Deputy Ryan Frost. But the deeper they dig, the more twisted the truth becomes, and Vivian finds herself fighting for not only answers but also

her life. False leads, incriminating emails, and someone called The Watcher force Vivian to confront the secret of her past and decide: How much is she willing to risk for the sake of a headline? Author Natalie Walters welcomes you back to Walton, Georgia, where everyone knows your name--but no one knows your secret.

Deceit Jul 24 2022 Sometimes the truth hides where no one expects to find it. Joanne Weeks knows Baxter Jackson killed Linda his second wife and Joanne's best friend six years ago. But Baxter, a church elder and beloved member of the town, walks the streets a free man. The police tell Joanne to leave well enough alone, but she is determined to bring him down. Usin...

Deceit: The Lie of the Law May 02 2023 Deceit: The Lie of the Law will provide a complete and detailed account of the law of deceit as developed over the past two centuries. This new book by Peter MacDonald Eggers examines the commercial, contractual and civil relationships in which claims in deceit have been made.

Brokers of Deceit Feb 04 2021 Winner of the 2014 Lionel Trilling Book Award An examination of the failure of the United States as a broker in the Palestinian-Israeli peace process, through three key historical moments For more than seven decades the conflict between Israel and the Palestinian people has raged on with no end in sight, and for much of that time, the United States has been involved as a mediator in the conflict. In this book, acclaimed historian Rashid Khalidi zeroes in on the United States's role as the purported impartial broker in this failed peace process. Khalidi closely analyzes three historical moments that illuminate how the United States' involvement has, in fact, thwarted progress toward peace between Israel and Palestine. The first moment he investigates is the "Reagan Plan" of 1982, when Israeli prime minister Menachem Begin refused to accept the Reagan administration's proposal to reframe the Camp David Accords more impartially. The second moment covers the period after the Madrid Peace Conference, from 1991 to 1993, during which negotiations between Israel and Palestine were brokered by the United States until the signing of the secretly negotiated Oslo accords. Finally, Khalidi takes on President Barack Obama's retreat

from plans to insist on halting the settlements in the West Bank. Through in-depth research into and keen analysis of these three moments, as well as his own firsthand experience as an advisor to the Palestinian delegation at the 1991 pre-Oslo negotiations in Washington, DC, Khalidi reveals how the United States and Israel have actively colluded to prevent a Palestinian state and resolve the situation in Israel's favor. *Brokers of Deceit* bares the truth about why peace in the Middle East has been impossible to achieve: for decades, US policymakers have masqueraded as unbiased agents working to bring the two sides together, when, in fact, they have been the agents of continuing injustice, effectively preventing the difficult but essential steps needed to achieve peace in the region.

Dissimulation and Deceit in Early Modern Europe Feb 16 2022 In this book, twelve scholars of early modern history analyse various categories and cases of deception and false identity in the age of geographical discoveries and of forced conversions: from two-faced conversos to serial converts, from demoniacs to stigmatics, and from self-appointed ambassadors to lying cosmographer.

Deceit on the Road to War Oct 07 2023 In *Deceit on the Road to War*, John M. Schuessler examines how U.S. presidents have deceived the American public about fundamental decisions of war and peace. Deception has been deliberate, he suggests, as presidents have sought to shift blame for war onto others in some cases and oversell its benefits in others. Such deceit is a natural outgrowth of the democratic process, in Schuessler's view, because elected leaders have powerful incentives to maximize domestic support for war and retain considerable ability to manipulate domestic audiences. They can exploit information and propaganda advantages to frame issues in misleading ways, cherry-pick supporting evidence, suppress damaging revelations, and otherwise skew the public debate to their benefit. These tactics are particularly effective before the outbreak of war, when the information gap between leaders and the public is greatest. When resorting to deception, leaders take a calculated risk that the outcome of war will be favorable, expecting the public to adopt a forgiving attitude after victory is secured. The three

cases featured in the book—Franklin Roosevelt and World War II, Lyndon Johnson and the Vietnam War, and George W. Bush and the Iraq War—test these claims. Schuessler concludes that democracies are not as constrained in their ability to go to war as we might believe and that deception cannot be ruled out in all cases as contrary to the national interest.

A Dreadful Deceit Jun 03 2023 In 1656, a planter in colonial Maryland tortured and killed one of his slaves, an Angolan man named Antonio who refused to work the fields. Over three centuries later, a Detroit labor organizer named Simon Owens watched as strikebreakers wielding bats and lead pipes beat his fellow autoworkers for protesting their inhumane working conditions. Antonio and Owens had nothing in common but the color of their skin and the economic injustices they battled—yet the former is what defines them in America's consciousness. In *A Dreadful Deceit*, award-winning historian Jacqueline Jones traces the lives of these two men and four other African Americans to reveal how the concept of race has obscured the factors that truly divide and unite us. Expansive, visionary, and provocative, *A Dreadful Deceit* explodes the pernicious fiction that has shaped American history.

On the Edge of Truth and Honesty: Principles and Strategies of Fraud and Deceit in the Early Modern Period May 22 2022 In the early modern period, deceit and fraud were common issues. Acutely aware of the ubiquity and multiplicity of simulation and dissimulation, people from this period made serious efforts to gain a better understanding of the phenomenon, trying to distinguish between acceptable and unacceptable, pleasant and unpleasant, wicked and virtuous forms of deceit, and seeking to unravel its principles, strategies, and functions. The twelve case-studies in this volume focus on the use of deceit by several groups of people in different spheres of life, as well as on its representation in literary and artistic genres, and its conceptualization in philosophical and rhetorical discourses. The studies testify to the rich variety of deceitful strategies applied by people from the early modern period, as well as to the subtlety and diversity of the conceptual frameworks they construed in order to grasp the many

aspects of the elusive yet all-pervasive phenomenon of deceit.

Defined By Deceit Sep 13 2021 Life isn't always fair, and that's something that Llewellyn Gardner knows about first hand. His life was on the fast track until one night of extreme passion changed everything. Now eight years later, he's still living with the aftershocks of that night. Everywhere he turns or runs, there's another reminder. What the hell do you do when you try to drown your demons only to find out they can swim? Shane Smith, Jr. owner of Smith Construction, could see the emotional turmoil within his new employee - it's why he hired him. There was something about the gorgeous, misunderstood man with the overly expressive eyes that came to their small town with a past no one was willing to overlook. Shane could see the good in Llewellyn, and those eyes of his were a clear window to his soul. Shane wasn't going to let the man live a future of solitude because his past had been plagued with deceit. Llewellyn wasn't sure what to think about Shane. After years of protecting himself from being tricked twice, he was now faced with worry again. What would happen to him if Shane didn't believe his truth, and walked away? Llewellyn wasn't sure he'd be able to survive being left alone. Again. Blurb Written by: Crystal Marie of Crystal's Many Reviewers

Deadly Deceit Sep 25 2022 The chilling true crime story of a man willing to do whatever it takes to live life on his lavish terms—including murder his own parents. Gunned Down After years of hard work, Brian and Jeannie Legg had earned a well-deserved life of leisure in their picture-perfect Phoenix mansion. Until their troubled son showed up with a need for cash—and a thirst for murder . . . Two Bodies David Legg was an obsessive control freak and an army deserter. After fathering an illegitimate child, he wooed and wed a trusting young woman—only to destroy his marriage with lies and infidelities. But his deceptions were far from over . . . A Savage Son In June of 1996, Jeannie and Brian were

found shot to death, their bodies sitting next to each other on their living room loveseat. Jeannie's expensive ring and the couple's credit cards were missing. Meanwhile, David, the prime suspect, was living it up in Hawaii with his fifteen-year-old girlfriend, draining his dead parents' savings through ATMs. After a long and costly chase this remorseless killer faced a jury of his peers in 2000, and was locked behind bars for life.

Deceit, Lies, and Alibi's 2 Mar 20 2022 Poor decisions caused from his own hands has Noah's former "perfect" life in disarray. Still trying to win Shaleea back and end his relationship with Eve for good, Noah finds that a new threat lingers in the air. When startling revelations are made by everyone around him, Noah finds his back against the wall and willing to risk everything to have things the way he wants. Going back to the old Noah he does what he knows best: seize through force. With Mann's newfound wealth going to his head, he feels that he can have whatever he wants, even if it means taking it again. Things get blurry when that something he wants happens to belong to someone else that will do anything to keep it. What started off as revenge has Shaleea up shit's creek with no paddle. A storm is brewing and she finds herself right at the center. Refusing to be left out in the cold, Eve is still hell bent on having Noah for herself. However, when her plan to get Noah backfires, Eve finds herself back to square one but this time with baggage. She shifts her focus to retribution but this time the stakes are higher and she soon finds out who she's playing with, and just how serious the game has gotten.

Serbia's Secret War Dec 17 2021 To understand Serbian nationalism requires profound attention to history and careful analysis. Cohen accomplishes both through years of studying primary sources never before translated, focusing on World War II and uncovering the foundations of ethnic cleansing. He argues that the Serbs collaborated with the Nazis in contrast to later Serbian rhetoric that claimed the Serbs were victims, "the thirteenth tribe of Israel." This official duplicity veiled the true objectives of the government to create an ethnically pure homeland. Annotation copyright by Book News, Inc., Portland, OR

Within Obsession and Lies Dec 09 2023 *Within Obsession and Lies* is the sexy, action-packed first book in *A Court of Gilt and Shadow Series* by bestselling authors Stacy Jones and Harper Wylde. Power. Obsession. Lies. Other people dream of being special. They wouldn't, if they knew what a nightmare it is. Arawyn would give anything to be ordinary and rid herself of the power that lives inside her. Dangerous and alluring, it's caused nothing but pain and horror, making her the dark obsession of

anyone who gets too close. After years of barely containing it, Arawyn thought she had control... until the night it bursts free and pulses like a beacon. As threats emerge from the shadows, each one more fixated on her than the last, she finds her life infiltrated by three mysterious men. A mafia boss, a psychopath, and a killer. Rathe, Viper, and Fear are much more than they seem. They taste of power and feel impossibly familiar. They call to her soul in a way she's never experienced and might have answers to questions she's been asking her entire life. But darkness and secrets surround them, ones covered in blood and mire. When the monsters stalking her endanger not only her power but her life, she'll have to make a decision: take a risk and let these dangerous men in, or do what she's always done-walk away and try to survive on her own. Trusting them would be a mistake. Yet, she may not have a choice. The monsters hunting her aren't human and they're out for blood. Rathe, Viper, and Fear might be her only chance of making it through this alive. There's only one problem. They aren't human either... From bestselling authors, Stacy Jones and Harper Wylde, comes a darkly seductive new series that blends romance, danger, and the supernatural into an unforgettable read.

Lies and Deceit 2 Feb 28 2023 Just when things were looking up for the Dunningans, they are hit hard with trouble again. Now, Malissa has kept another secret from Antonio, one that he did not even have a clue about but may send him packing with Antonio Jr. But the secret that Malissa has harbored all these years will cause someone to end up dead. Meanwhile, Douglas is still trying to find out who killed Charlene. As he comes closer to finding out, he stumbles upon something else. One thing Douglas does find out the hard way is that hell has no fury like a woman scorned. Caesar and Dante have so many issues until it is not funny anymore. Caesar once again has come in contact with Cynthia, who will cause a great deal of turmoil and frustration. Dante has married the love

of his life--or so he thought--until one night when they are out to dinner. Someone shoots out the back window of Dante's SUV. As Dante unravels the truth, he is hit with something that he never saw coming. By looking at Clinton and Vera, they look like the ideal parents and grandparents, but which one of them have a secret that will blow the family off the map? This book, *Lies and Deceit 2*, takes place in North Carolina. A real page-turner, it will have you thinking and guessing all the way through. I don't know if the Dunningans will recover from any of this.

Deceit and Self-Deception Jun 22 2022 We lie to ourselves every day: about how well we drive, how much we're enjoying ourselves - even how

good looking we are. In this ground-breaking book, Robert Trivers examines not only how we self-deceive, but also why, taking fascinating examples from aviation disasters, con artists, sexual betrayals and conflicts within families. Revealing, provocative and witty, *Deceit and Self-Deception* is one of the most vital books written this century, and will make you rethink everything that you think you know. 'Original and important . . . remarkable, thick with ideas.' Financial Times 'One of the great thinkers in the history of Western thought.' Steven Pinker 'A swift tour of links between deception and evolutionary progress . . . fascinating.' Economist 'I devoured it from cover to cover . . . exhilarating.' Guardian 'A powerful book . . . essential for anyone who wants to try to counter their own unconscious biases.' Independent

The Art of Deception Jun 10 2021 The world's most infamous hacker offers an insider's view of the low-tech threats to high-tech security Kevin Mitnick's exploits as a cyber-desperado and fugitive form one of the most exhaustive FBI manhunts in history and have spawned dozens of articles, books, films, and documentaries. Since his release from federal prison, in 1998, Mitnick has turned his life around and established himself as one of the most sought-after computer security experts worldwide. Now, in *The Art of Deception*, the world's most notorious hacker gives new meaning to the old adage, "It takes a thief to catch a thief." Focusing on the human factors involved with information security, Mitnick explains why all the firewalls and encryption protocols in the world will never be enough to stop a savvy grifter intent on rifling a corporate database or an irate employee determined to crash a system. With the help of many fascinating true stories of successful attacks on business and government, he illustrates just how susceptible even the most locked-down information systems are to a slick con artist

impersonating an IRS agent. Narrating from the points of view of both the attacker and the victims, he explains why each attack was so successful and how it could have been prevented in an engaging and highly readable style reminiscent of a true-crime novel. And, perhaps most importantly, Mitnick offers advice for preventing these types of social engineering hacks through security protocols, training programs, and manuals that address the human element of security.

Network of Deceit Jan 30 2023 After her rescue of nearly fifty kidnapped children made international headlines, Amara Alvarez gets what she's worked for: a transfer to San Antonio's Homicide Division. Reality sets in quickly, though, as her first case, the suspicious death of a teenager at a crowded local water park, brings chaos to her personal life. As the investigation moves forward and she increases the pressure on the suspects, Amara finds herself under attack by cybercriminals. Her every move is being potentially watched online, and she's forced to resort to unconventional methods to find the killer. With few leads, she fights to keep her first murder investigation from ending up in the cold case files. Tom Threadgill is back with another riveting page-turner featuring the detective who is willing to put everything on the line to see that justice is served and lives are protected.
