Ten years later, Second Lieutenant Weldon Holland barely survives the Battle of the Bulge, in the process saving the lives of his sergeant, Hershel Pine, and a young Spanish prisoner of war, Rosita Lowenstein—a woman who holds the same romantic power over him as the strawberry blonde Bonnie Parker, and is equally mysterious. The three return to Texas where Weldon and Hershel get in on the ground floor of the nascent oil business. In just a few years'

time Weldon will spar with the jackals of the industry, rub shoulders with dangerous men, and win and lose fortunes twice over. When she gets a phone call informing her that her former fiancée has been arrested for a triple homicide there is no doubt in her mind as to his innocence. The only question is who would go to such great lengths to frame him - and why? For Olivia, representing Jack is a way to make up for past regrets, and the hurt she caused him, but as the evidence against him mounts,

she is forced to confront her doubts. "Television producer Laurie Moran and her fiancé, Alex Buckley, the former host of her investigative television show *Under Suspicion*, are just days away from their midsummer wedding when Alex's seven-year-old nephew, Johnny, vanishes from the beach. As the sun sets, Johnny's skim board washes up on shore, and everyone realizes that he could be anywhere, even in the ocean. Could the abduction be related to the wedding? Was Laurie's ten-

year-old son, Timmy, the intended target? Or was Johnny abducted by a stranger? Laurie and Alex, along with Johnny's parents and Leo Farley, Laurie's father and a retired NYPD detective, are determined to track down every lead." -- Page [4] cover. ANTHONY AWARD FINALIST
FOR BEST ANTHOLOGY
Including NYT bestselling author Michael Connelly's story "Avalon," soon to be adapted for television by David E. Kelley. "The very best of what crime fiction should deliver." - New York Journal of Books
The latest Mystery Writers of America story collection, featuring surprising, page-turning twists on the genre from some of the top bestsellers and award winners

in crime fiction It's been said that all great literature boils down to one of two stories—a man takes a journey, or a stranger comes to town. While mystery writers have been successfully using both approaches for generations, there's something undeniably alluring in the nature of a stranger: the uninvited guest, the unacquainted neighbor, the fish out of water. No matter how or where they appear, strangers are walking mysteries, complete unknowns in once-familiar territories who disrupt our lives with unease and wonder. In the newest collection of stories by the Mystery Writers of America, each author weaves a fresh tale

surrounding the eerie feeling that comes when a stranger enters our midst, featuring stories by prolific mystery writers such as Michael Connelly, Dean Koontz and Joe Hill. A new murder case with ties to a convicted serial killer leads Detective Ellie Hatcher into a twisting investigation with explosive and deadly results in this superb mystery from the “terrific web spinner” (Entertainment Weekly) Alafair Burke. When psychotherapist Helen Brunswick is murdered in her Park Slope office, the entire city suspects her estranged husband—until the District Attorney’s office receives an anonymous letter. The letter’s author knows a

chilling detail that police have kept secret: the victim’s bones were broken after she was killed. Her injuries were eerily similar to the signature used twenty years earlier by Anthony Amaro, a serial killer serving a life sentence for his crimes. Now, Amaro is asking to be released from prison, arguing that he was wrongly convicted, and that the true killer is still on the loose. NYPD Detectives Ellie Hatcher and JJ Rogan are tapped as the “fresh look” team to reassess the original investigation that led to Amaro’s conviction. The case pits them against both their fellow officers and a hard-charging celebrity defense lawyer with a young associate

named Carrie Blank, whose older sister was one of Amaro’s victims. As the NYPD and Amaro’s lawyers search for certainty among conflicting evidence, their investigations take them back to Carrie’s hometown, where secrets buried long ago lead to a brutal attack—one that makes it terrifyingly clear that someone has gotten too close to the truth. What is the difference between justice and revenge? In this “heart-stopping thriller” (Publishers Weekly) with “plenty of action” (Kirkus Reviews) by New York Times bestselling author Lisa Unger, two wronged women on very different paths find themselves in the same dark place...

Claudia Bishop's perfect life fell apart when the aftermath of a brutal assault left her with a crumbling marriage, a newborn daughter, and a constant sense of anxiety about the world around her. Now, looking for a fresh start with a home restoration project and growing blog, Claudia takes on a crumbling old house—one that unbeknownst to her has an ugly history and may hide long buried secrets. For Zoey Drake the defining moment of her childhood was the horrific home invasion murder of her parents. Years later, she has embraced the rage that fuels her. Training in the martial arts has made her strong and ready to face the demons from the

past—and within. Strangers to each other, and walking very different paths in the wake of trauma, these two women are on a collision course—because Zoey's past nightmare and Claudia's dreams for her future take place in the very same house. As Zoey seeks justice, and Claudia seeks peace, both will confront the monsters at the door that are the most frightening of all. "The Red Hunter succeeds as a suspense novel on every level. It has a meticulously-woven plot, multi-layered characters, and the irony most desired by storytellers: Where the reader can't wait to see how it ends, but then is remorseful when it does." —Sandra Brown, #1

New York Times bestselling author A NEW YORK TIMES EDITORS' CHOICE Kevin Moore, once a high-flying Virginia attorney, hits rock bottom after a tumultuous summer leaves him disbarred and separated from his wife. Short on cash and looking for work, he lands in the middle of nowhere with a job at SUBstitution, the world's saddest sandwich shop. mysterious stranger who wanders into the shop armed with a threatening “invitation” to join a multimillion-dollar scam. Before long, Kevin will need every bit of his legal savvy just to stay out of prison. In *The Substitution Order*, Martin Clark—hailed by *Entertainment Weekly* as “hands down our best legal-thriller writer”—takes readers on a remarkable tour of the law’s tricks and hidden trapdoors and delivers a wildly entertaining novel that will keep you guessing and rooting for its tenacious hero until the very last page. In the second entry in Alafair Burke's "sharp, new crime series," the search for a missing judge leads

Samantha Kincaid into Portland politics and a labyrinth of crime, corruption, and cover-ups -(*Publishers Weekly*) Deputy District Attorney Samantha Kincaid is back at work after an attempt on her life and a promotion into the Major Crimes Unit. When the husband of Portland, Oregon, city judge Clarissa Easterbrook reports her missing and Samantha is called out on the case, she assumes her only job is to make the district attorney look good until the judge turns up. When the police discover evidence of foul play, however, Samantha finds herself unearthing secrets that Clarissa had wanted to stay hidden, the lingering personal

tolls of a crime that occurred decades ago. And when those secrets lead to the discovery of corruption at the highest levels of the city's power structure, Samantha realizes that her quest for justice could cost her not only her job but her life. In the skillfully plotted, highly suspenseful follow-up to her acclaimed debut, *Judgment Calls*, Alafair Burke once again demonstrates that "she's got what it takes" (Michael Connelly). With its irreverent heroine and seamless blend of squad rooms, street scenes, and courtroom drama, *Missing Justice* confirms Burke's place among the genre's most talented and exciting newcomers. Steph Cha, a rising

star who brings a fresh perspective as series editor, takes the helm of the new The Best American Mystery and Suspense, with best-selling crime novelist Alafair Burke joining her as the first guest editor. "Crime writers, forgive the pun, are killing it right now creatively," writes guest editor Alafair Burke in her introduction. "It was difficult--painful even--to narrow this year's Best American Mystery and Suspense to only twenty stories." Spanning from a mediocre spa in Florida, to New York's gritty East Village, to death row in Alabama, this collection reveals boundless suspense in small, quiet moments, offering startling

twists in the least likely of places. From a powerful response to hateful bullying, to a fight for health care, to a gripping desperation to vote, these stories are equal parts shocking, devastating, and enthralling, revealing the tension pulsing through our everyday lives and affirming that mystery and suspense writing is better than ever before. The Best American Mystery and Suspense 2021 includes JENNY BHATTGAR ANTHONY HAYWOOD-GABINO IGLESIAS- AYA DE LEÓN- LAURA LIPPMAN DELIA C. PITTS- ALEX SEGURA- FAYE SNOWDEN-LISA UNGER and others James Lee Burke's most beloved

character, Dave Robicheaux, returns in this New York Times bestselling mystery set in the towns and backwoods of Louisiana: an "enthralling yet grim novel that...will captivate, start to finish" (Publishers Weekly). Dave Robicheaux is a haunted man. From the acts he committed in Vietnam, to his battles with alcoholism, to the sudden loss of his beloved wife, Molly, his thoughts drift from one irreconcilable memory to the next. Images of ghosts pepper his reality. Robicheaux's only beacon remains serving as a detective in New Iberia, Louisiana. It's in that capacity that Robicheaux crosses paths with powerful mob boss, Tony Nemo. Tony

has a Civil War sword he'd like to give to Levon Broussard, a popular local author whose books have been adapted into major Hollywood films. Then there's Jimmy Nightengale, the young poster boy of New Orleans wealth and glamour. Jimmy's fond of Levon's work, and even fonder of his beautiful, enigmatic wife, Rowena. Tony thinks Jimmy can be a US Senator someday, and has the resources and clout to make it happen. There's something off about the relationship among these three men, and after a vicious assault, it's up to Robicheaux to uncover the truth "in the barn-burner of a climax" (Booklist, starred review).

Complicating matters is the sudden death of the New Iberian local responsible for Molly's death; namely that Robicheaux's colleague thinks Robicheaux had something to do with it. As Robicheaux works to clear his name and make sense of the murder, a harrowing study of America emerges: this nation's abiding conflict between a sense of past grandeur and a legacy of shame, its easy seduction by demagogues and wealth, and its predilection for violence and revenge. "It has been almost five years since James Lee Burke's last Dave Robicheaux novel, and it was absolutely worth the wait" (Associated Press). Wrongly arrested after

fleeing from her abusive husband, a mother desperately fights corrupt authorities to recover her stolen children; while a man across the country hears the story on the news and identifies links to similar events in his own past. Perfect for book clubs or the beach, Aggie Blum Thompson's *I Don't Forgive You* is a page-turning, thrilling debut "not to be missed." (Wendy Walker) An accomplished photographer and the devoted mom of an adorable little boy, Allie Ross has just moved to an upscale DC suburb, the kind of place where parenting feels like a competitive sport. Allie's desperate to make a good first impression. Then she's framed

for murder. It all starts at a neighborhood party when a local dad corners Allie and calls her by an old, forgotten nickname from her dark past. The next day, he is found dead. Soon, the police are knocking at her door, grilling her about a supposed Tinder relationship with the man, and pulling up texts between them. She learns quickly that she's been hacked and someone is impersonating her online. Her reputation—socially and professionally—is at stake; even her husband starts to doubt her. As the killer closes in, Allie must reach back into a past she vowed to forget in order to learn the shocking truth of who is destroying her

life. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.
