**The Book of Night Women** Marlon James,2009-02-19 From the author of the National Book Award finalist Black Leopard Red Wolf and the WINNER of the 2015 Man Booker Prize for A Brief History of Seven Killings An undeniable success The New York Times Book Review A true triumph of voice and storytelling The Book of Night Women rings with both profound authenticity and a distinctly contemporary energy It is the story of Lilith born into slavery on a Jamaican sugar plantation at the end of the eighteenth century Even at her birth the slave women around her recognize a dark power that they and she will come to both revere and fear The Night Women as they call themselves have long been plotting a slave revolt and as Lilith comes of age they see her as the key to their plans But when she begins to understand her own feelings desires and identity Lilith starts to push at the edges of what is imaginable for the life of a slave woman and risks becoming the conspiracy s weak link But the real revelation of the book the secret to the stirring imagery and insistent prose is Marlon James himself a young writer at once breath takingly daring and wholly in command of his craft

*Swastika*  
*Night* Katharine Burdekin,1985 In a feudal Europe seven centuries into post Hitlerian society Burdekin s novel explores the

connection between gender and political power and anticipates modern feminist science fiction Cover **The Curious Incident of the Dog in the Night-Time** Mark Haddon, 2009-02-24 A bestselling modern classic both poignant and funny narrated by a fifteen year old autistic savant obsessed with Sherlock Holmes this dazzling novel weaves together an old fashioned mystery a contemporary coming of age story and a fascinating excursion into a mind incapable of processing emotions Christopher John Francis Boone knows all the countries of the world and their capitals and every prime number up to 7 057 Although gifted with a superbly logical brain Christopher is autistic Everyday interactions and admonishments have little meaning for him At fifteen Christopher s carefully constructed world falls apart when he finds his neighbour s dog Wellington impaled on a garden fork and he is initially blamed for the killing Christopher decides that he will track down the real killer and turns to his favourite fictional character the impeccably logical Sherlock Holmes for inspiration But the investigation leads him down some unexpected paths and ultimately brings him face to face with the dissolution of his parents marriage As Christopher tries to deal with the crisis within his own family the narrative draws readers into the workings of Christopher s mind And herein lies the key to the brilliance of Mark Haddon s choice of narrator The most wrenching of emotional moments are chronicled by a boy who cannot fathom emotions The effect is dazzling making for one of the freshest debut in years a comedy a tearjerker a mystery story a novel of exceptional literary merit that is great fun to read
