

Florida Scavenger Hunt

September 12, 2018

This year, the fourth grade classes will take part in a Florida Scavenger Hunt! Collected items should be proudly displayed in a "scrap" book that you create yourself, which will be due **Wednesday, May 1st**. The goal is to collect as many items as possible for the scrapbook. Each item has a designated point value and it is possible to score up to 250 points! Some of these items are easy to find and may even be found at school, others may require a little extra effort. As you collect items for your scrapbook, think of a creative way to display it. You can make your own book, or purchase a book to put the items in. The book should be neat and colorful and have captions that describe each item.

Required Activities: 10 points each

- Write a paragraph telling how Florida got its name, who thought it up, why we decided to use it (minimum of 5-6 detailed sentences, best handwriting, proper writing)
- Research a Florida Explorer, write an essay about his life and his voyage to Florida. (Include the who, what, why, where, and how in paragraph format written as an essay.)
- Write a letter to ~~Sebastian~~ invite him to our school and convince him to come for a visit (Persuade him with 3 main reasons why he should come to our school). Send the letter to him, but make sure you get a **COPY** of the letter in your scrapbook along with his response (if you get one).

Choice Activities: 5 Points Each

- Label and map of Florida, Florida's capital & Bradenton
- Florida's population and square miles
- Florida's nickname and state motto
- Label and picture of our state flag
- Label and picture of our state bird
- Label and picture of our state soil water mammal
- Label and picture of our state flower
- Label, picture and leaf of our state tree
- Label and lyrics to the Florida state song
- List three of Florida's major rivers & two major lakes
- List three Florida's sports team including logo
- Article about the record high or low temperature in Florida
- Article about Florida's population (newspaper or internet)
- Article about a natural disaster that took place in our state
- Headings from 3 newspapers: The Tampa Tribune, St. Petersburg Times, Bradenton/Sarasota Herald or any other local or state newspaper
- List of current state officials (Governor, Lt. Governor, and Secretary of State)
- Write the names of at least 5 Florida authors and the titles of what they wrote.
- Picture of the Florida Panther with 5- 10 interesting facts

Choice Activities: 10 Points Each

- Photo of you in front of a local police vehicle
- Photo of you in front of City Hall or the Courthouse
- Photo of you in front of the local fire station/fire truck
- Business cards from at least 5 local businesses
- A brochure of a theme Park and explanation
- Photo of you in front of a Florida sports stadium
- Photo of you or something proving you have been to a Florida theme park
- Something proving you have been to a Bradenton/PalmSara/Florida local Library
- Interview a Florida Native (8-10 thoughtful questions and responses)
- Go to a local orange grove and sample freshly squeezed Florida orange juice. Document your visit with a photo or receipt.
- Go to a local farm, write a description of what you saw and add a photo

Choice Activity: 20 Points!

- Visit the oldest city in the United States Provide pictures and a short summary of what you visited while you were there ☺

Total possible points with Rubric:

A: 250-190 points B: 180-140 points C: 150-140 points D: 120-120

*5 points per day will be deducted for turning in late.

Contains primary source material. *Essential Immunology* Ivan Maurice Roitt, 1971. Green Jobs Project Learning Tree, 2019-10. Green jobs represent one of the fastest growing and changing segments of the global economy. You have an opportunity to introduce young people to career paths that are not only in demand but that are also rewarding and help conserve the environment. *Green Jobs Exploring Forest Careers* contains four learning activities that engage youth in actively exploring forest-related green careers. Anyone can use this resource with youth ages 12-25 in settings ranging from community youth programs and school classrooms to college and career prep to field trips and forest tours. Designed to be flexible, use individual activities or use the entire set as a stand-alone unit. The guide also contains a quiz that helps youth match their personality with an array of green jobs opportunities and a self-assessment of their technical and other skills such as communication and problem solving. Appendices include a list of career information websites, job boards, and connections to academic standards. Radiation Biophysics Edward L. Alpen, 1997-10-22. This newly revised and updated edition of *Radiation Biophysics* provides an in-depth description of the physics and chemistry of radiation and its effects on biological systems. Coverage begins with fundamental concepts of the physics of radiation and radioactivity, then progresses through the chemistry and biology of the interaction of radiation with living systems. The Second Edition of this highly praised text includes major revisions which reflect the rapid advances in the field. New material covers recent developments in the fields of carcinogenesis, DNA repair, molecular genetics, and the molecular biology of oncogenes and tumor suppressor genes. The book also includes extensive discussion of the practical impact of radiation on everyday life. Covers the fundamentals of radiation physics in a manner that is understandable to students and professionals with a limited physics background. Includes problem sets and exercises to aid both teachers and students. Discusses radioactivity internally deposited radionuclides and dosimetry. Analyzes the risks for occupational and non-occupational workers exposed to radiation sources.
