Drawing on the success of our popular Essentials of Business Communication text, Essentials of Business Communication for English Language Learners is design to meet the needs of your intermediate and advance ESL business communication students. Essentials of Business Communication for English Language Learners maintains the streamlined, efficient approach to communication that has equipped past learners with the skills needed to be successful in their work. It is ESL friendly and has been modified to help postsecondary and adult second-language learners prepare themselves for new careers, plan a change in their current careers, or upgrade their writing and speaking skills. The text is well-organized, comprehensive and clear. It is helpful for all students who require techniques in successful business writing and speaking skills and is especially helpful to students for whom English is not their first language. The language in this text has been simplified but not "dumbed down". Grammar exercises and sample letters have been revised to suit the ESL learner. For example, terms like, "in the ball park" or "blanket mailings" have been removed or reworded. The section(s) on email strategies as well as communication for the job search are especially upbeat and relevant. The author, Ausra Karka is an expert in the field of ESL instruction and currently teaches at the highly regarded Humber College ESL program. The revisions she incorporated were based on her own class-testing and student feedback. This Answer Key provides answers and solutions from the book authors for you to check your work immediately. With an emphasis on audience analysis and technology applications, this comprehensive book makes business communication easy. Readers are presented the basics about the communications process and how to improve writing and presentation techniques. It also shows how to present data, write both informal and formal reports, make oral presentations and conduct conference calls, and more. This cost-effective textbook/workbook/handbook presents a streamlined, no-nonsense approach to business communication that includes comprehensive Web resources and unparalleled author support for instructors and students. ESSENTIALS provides a three-in-one learning package: (1) authoritative text, (2) practical workbook, and (3) self-teaching grammar/mechanics handbook. Especially effective for students with outdated or inadequate language skills, ESSENTIALS offers extraordinary digital and printed exercises to help students build confidence as they review grammar, punctuation, and writing guidelines. Business Communication: Process and Product introduces a unique teaching/learning package that solves a major problem for instructors and students today. It provides the atmosphere of an exciting real-life business environment for business communication -- without sacrificing sound pedagogy. This means that students experience the enrichment of real people and real business situations while at the same time learning a hands-on process that they can carry with them to apply long after they leave the classroom...Business Communication: Process and Product takes students inside some of the country's best-run and most respected organizations, such as Liz Claiborne, Ben & Jerry's, American Airlines, Bank of America, and Walt Disney Imagineering. More importantly, though, it balances this exposure with a well-developed and consistently applied process approach to communication. Students need more than real business settings in which to frame their learning. They need a process that outlines specific steps to follow in solving future communication problems, a tangible strategy they can apply in their careers. In addition to a process, we provide ample products of that process. Essentials of Business Communications is a must-have resource for students who are looking to succeed in today's technologically enhanced workplace. Retained in this new edition are the elements that have made it so successful -- clear and concise examples, accurate model documents and strong practice exercises that do not overwhelm the students. The textbook/workbook format is a convenient all-in-one learning package. The text builds on grammar and mechanics skills to help students learn to effectively communicate in the workplace.
