Selling Saturdays Jeff Beals, 2012-09-24 If you think your industry is competitive you wouldn't believe the selling skills necessary to assemble a championship football team. In the world of college football the effort to attract talented players is known as recruiting but it's not like the human resources recruiting you see in a typical company. College football recruiting is marketing in its purest and most competitive form. In this one-of-a-kind book Jeff Beals shares the sales and marketing secrets of famous football coaches such as Barry Switzer, Tom Osborne, Phillip Fulmer, Gary Barnett, John Cooper, Hayden Fry, R. C. Slocum, Jim Donnan, Joe Moglia, and Jeff Tedford. The result is a page-turning sales book that reads like a novel. Study the gridiron's greatest salesmen and imitate their strategies and tactics and become a better marketer regardless of your profession.

Self Marketing Power Jeff Beals, 2008 Self Marketing Power is a book about business career and life success. It's perfect for anyone who wants to boost revenue, start a business, close more deals, or move up the corporate ladder. Through fascinating examples and entertaining stories you will learn how to build a personal brand and promote it to your personal target audience. Think like a politician in order to get ahead in business. Establish name recognition and become a celebrity inside your sphere of interest. Get real results from your networking efforts. Exploit your current job for self-marketing benefits. Become a superstar in your profession. Develop an expertise and become a sought-after speaker, consultant, and source for news stories.

The 4-Hour Work Week Timothy Ferriss, 2007 Offers techniques and strategies for increasing income while cutting work time in half and includes advice for leading a more fulfilling life.

The Digital Banking Revolution Luigi Wewege, Michael C. Thomsett, 2019-12-02 Emergent innovative financial technologies are profoundly changing the way in which we spend, move, and manage our money unlike ever before, and traditional retail banks are facing stiff competition. The global financial crisis in 2007-2009 led to large losses and even the collapse of a significant number of established banks, shaking the trust of financial customers worldwide. The Digital Banking Revolution is an insightful look at how financial technology and the rapid rise of financial technology companies have brought welcome changes, offering flexibility to the banking industry. The book offers a unique perspective on the consumerization of retail banking services. It delves into the many changes that financial innovations have brought about in banking, the main financial disruptors, the new era of banking on the go, and financial innovations from countries around the world, before concluding with a discussion on the future of banking, including optimizing structures, new strategies for business outcomes.
