Stephen A. Ross, Randolph W. Westerfield, Bradford D. Jordan, Professor, 2015-05-13 Essentials of Corporate Finance by Ross, Westerfield, and Jordan is written to convey the most important concepts and principles of corporate finance at a level that is approachable for a wide audience. The authors retain their modern approach to finance but have distilled the subject down to the essential topics in 18 chapters. They believe that understanding the why is just as important if not more so than understanding the how, especially in an introductory course.

Student Solutions Manual for Options, Futures, and Other Derivatives, eBook [Global Edition] John C. Hull, 2021-01-22 For graduate courses in business economics, financial mathematics, and financial engineering for advanced undergraduate courses with students who have good quantitative skills and for practitioners involved in derivatives markets. Practitioners refer to it as the bible in the university and college marketplace; it's the best seller and now it's been revised and updated to cover the industry's hottest topics and the most up-to-date material on new regulations. Options, Futures, and Other Derivatives by John C. Hull bridges the gap between theory and practice by providing a current look at the industry, a careful balance of mathematical sophistication and an outstanding ancillary package that makes it accessible to a wide audience. Through its coverage of important topics such as the securitization and the credit crisis, the overnight indexed swap, the Black-Scholes-Merton formulas, and the way commodity prices are modeled and commodity derivatives valued, it helps students and practitioners alike keep up with the fast pace of change in today's derivatives markets. This program provides a better teaching and learning experience for you and your students. Here's how: NEW! Available with DerivaGem 3.00 software, including two Excel applications: the Options Calculator and the Applications Builder. Bridges the gap between theory and practice. A best-selling college text and considered the bible by practitioners, it provides the latest information in the industry. Provides the right balance of mathematical sophistication, careful attention to mathematics and notation. Offers outstanding ancillaries to round out the high quality of the teaching and
