Kenneth Koch

Making Your Own Days Kenneth Koch, 1999-04-08 From the winner of the Bollingen Prize in poetry and author of the classic bestseller *Rose Where Did You Get That Red* comes a unique highly entertaining book for anyone who wants to be a better reader and writer of poetry

The Collected Poems of Kenneth Koch Kenneth Koch, 2012-07-25 Kenneth Koch has been called one of our greatest poets by John Ashbery and a national treasure in the 2000 National Book Award Finalist Citation Now for the first time all of the poems in his ten collections from *Sun Out* poems of the 1950s to *Thank You* published in 1962 to *A Possible World* published in 2002 the year of the poet's death are gathered in one volume Celebrating the pleasures of friendship art and love the poetry of Kenneth Koch has been dazzling readers for fifty years Charter member along with Frank O'Hara John Ashbery and James Schuyler of the New York School of poets avant garde playwright and fiction writer pioneer teacher of writing to children Koch gave us some of the most exciting and aesthetically daring poems of his generation These poems take sensuous delight in the life of the mind and the heart often at the same time O what a physical effect it has on me To dive forever into the light blue sea Of your acquaintance In *Love with You* Here is Koch's early work love poems like *The Circus* and *To Marina* and such well remembered comic masterpieces as *Fresh Air* *Some General Instructions* and *The Boiling Water* A serious moment for the water is when it boils And here are the brilliant later poems *One Train May Hide Another* the deliciously autobiographical address in *New Addresses* and the stately elegy *Bel Canto* poems that beneath a surface of lightness and wit speak with passion depth and seriousness to all the most important moments in one's existence Charles Simic wrote in *The New York Review of Books* that for Koch poetry has to be constantly saved from itself The idea is to do something with language that has never been done before In the ten exuberant hilarious and heartbreaking books of poems collected here Kenneth Koch does exactly that

A Possible World Kenneth Koch, 2012-07-25 For the last thirty years or more Kenneth Koch has been writing the most exuberant poems in America In an arena where such good spirits are rare he has become a national treasure In his book of personal addresses to what has mattered most in his seventy plus years on the planet there is a dimension of pathos and joy rare in the poetry of any era National Book Award 2000 finalist citation for *New Addresses* The three long poems *Bel Canto* *Possible World* and *A Memoir* in this brilliant successor to *New Addresses* are ambitious attempts at rendering the complete story of a life Taken together they present a dazzling picture of the pleasures and confusions of existence as well as the pleasures and difficulties of expressing them Other poems bring Koch's questioning lyrical attention to more particular aspects of experience real and imagined a shipboard meeting the Moor not taken or the unknowable realm of mountaintops As in all of Koch's work one

hears the music of unconquerable exuberance in stormy conflict with whatever resists it death the injustice of power the vagaries of life in Thailand China or Rome Thomas Disch has written in the Boston Book Review that Koch is the most capable technician on the American scene the brightest wit and the emeritus most likely to persist into the next millennium His work is full of ribaldry and wit musicianship pitch perfect mimicry of the Great Tradition and the celebration of pleasure for its own sunlit sake The ebullience and stylistic variety that one has come to expect of this protean poet is everywhere present in this scintillating collection I Never Told Anybody Kenneth Koch,1978 New Addresses Kenneth Koch,2012-07-25 Kenneth Koch who has already considerably stretched our ideas of what it is possible to do in poetry David Lehman here takes on the classic poetic device of apostrophe or direct address His use of it gives him yet another chance to say things never said before in prose or in verse and as well to bring new life to a form in which Donne talked to Death Shelley to the West Wind Whitman to the Earth Pound to his Songs O Hara to the Sun at Fire Island Koch in this new book talks to things important in his life to Breath to World War Two to Orgasms to the French Language to Jewishness to Psychoanalysis to Sleep to his Heart to Friendship to High Spirits to his Twenties to the Unknown He makes of all these new addresses an exhilarating autobiography of a most surprising and unforeseeable kind **Rose, Where Did You Get That Red?** Kenneth Koch,2012-01-11 First published to enormous acclaim in 1973 this book became a classic that revolutionized the way children are taught to read and write poetry The celebrated poet Kenneth Koch conveys the imaginative splendor of great poetry by Blake Donne Stevens Lorca and others and then shows how it maybe taught so as to help children write poetry of their own For this edition the author has written a new introduction and a special afterword for teachers **On the Edge** Kenneth Koch,2007 On the Edge is a collection of the six longer masterpieces by one of the most beloved and accomplished poets of our time Full of exclamation and exaggeration but also graced with dry wit and comic sophistication these poems contain some of Kenneth Koch s most original work When the Sun Tries to Go On is a young man s radical song of himself and his freshly discovered and expanding universe Ko or A Season on Earth is an epic invention filled with such memorably powerful characters as a rookie baseball star whose pitches knock down grandstands and Joseph Dah whose poems transform him into whatever he writes about In The Duplications Koch s inventions expand into Ovidian twists as Commander Papend builds a life sized replica of Venice in Peru and a chemist discovers a way to make young women out of the soil of Finland In the elegiac Seasons on Earth and in two meditative autobiographical sequences Impressions of Africa and On the Edge Koch s protean expressions of emotion make obvious his genius for evoking the mystery and excitement of the fact of existence and the passage of time Distinctly and irrepressibly Koch throughout these works heighten our appreciation of his achievement On the Edge is the perfect companion volume to the critically acclaimed Collected Poems of Kenneth Koch about which John Ashbery in Publishers Weekly said The products of a lifetime are on display in this awe inspiring banquet of a book **Sleeping on the Wing** Kenneth Koch,Kate Farrell,2012-02-08 This book is specifically for

high school students though it is useful to college students and anyone interested in the art and craft of poetry Koch and Farrell experienced teachers as well as poets write about poetry in such a way that students will find it accessible and interesting The book includes selections of poetry by twenty three poets among them Dickinson Hopkins Pound Williams and Eliot as well as Ginsberg O Hara Baraka and Ashbery There is also the translated work of such modern European poets such as Lorca Rilke Rimbaud Apollinaire and Mayakowsky

Wishes, Lies, and Dreams Kenneth Koch, Ron Padgett, 1999-10-06 The classic inspiring account of a poet's experience teaching school children to write poetry When Kenneth Koch entered the Manhattan classrooms of P S 61 the children excited by the opportunity to work with an instructor able to inspire their talent and energy would clap and shout with pleasure In this vivid account Koch describes his inventive methods for teaching these children how to create poems and gives numerous examples of their work

Wishes, Lies, and Dreams is a valuable text for all those who care about freeing the creative imagination and educating the young

Sun Out Kenneth Koch, 2012-07-25 Mr Koch's poems have a natural voice they are quick alert instinctive He has vivacity and originality of perception and intoxication with life Most important of all he is not dull Frank O Hara Poetry 1955 Gathered together for the first time the exciting startling early work of one of our finest poets Writing as a young man in the 1950s Koch a member of the now famed New York School along with John Ashbery Larry Rivers Frank O Hara and others experimented with the delicate balance between sound and sense to offer a series of poems resembling music or abstract painting For example he opens the title poem with Bananas piers limericks I am postures Over there I are The lakes of delectation Sea sea you Also included are a selection of short plays in verse and Koch's innovative masterpiece When the Sun Tries to Go On a poem that produces a radical reworking of the life poem myth predominant in American poetics since Song of Myself William Watkins In the Process of Poetry About When the Sun Tries to Go On David Lehman wrote Koch takes a great deal of delight in the sounds of words and his consciousness of them he splashes them like paint on a page with enthusiastic puns internal rhymes titles of books names of friends and seems surprised as we are at the often witty outcome Poetry 1968 When the poems in Sun Out were originally published they set a standard for the freshness and surprise of language used in extraordinary ways For almost five decades they have delighted readers lucky enough to find them It is our pleasure to make them once again available in this new and provocative collection

The Pleasures of Reading Robert Alter, 1996 A distinguished critic rescues literature from the ivory tower and reestablishes reading as a personal source of complex pleasure and insight
