The Disciplined Life Richard Taylor

The Disciplined Life Richard S. Taylor, 2017-02-01 In a world where instant gratification and self indulgence reign supreme The Disciplined Life The Mark of Christian Maturity by Richard S Taylor serves as a clarion call for Christians to embrace the transformative power of discipline Drawing from biblical wisdom and practical insights Taylor argues that true spiritual growth and personal fulfillment can only be achieved through a life of intentional self control perseverance and courage This thought provoking book challenges readers to confront their aversion to restraint and offers guidance on cultivating the inner strength necessary to overcome life s trials and temptations

Restoring Pride Richard Taylor, 1996 Restoring Pride is elitist in that it acknowledges that some people are better as human beings than others and that they have made themselves so by perfecting their natural talents The idea of the Sermon on the Mount that the poor and the meek are blessed is repudiated Instead Taylor embraces the classical Greek ideal of virtue as personal excellence without any suggestion that everyone is equal in worth The proud setting the rules and standards for themselves are apt to be looked on as unconventional However one invariable rule guides their behavior toward others considerateness The same egalitarian standard applies to their treatment under the law in a democratic society

Celebration of Discipline Richard J. Foster, 1988-10-05 In the twenty years since its publication Celebration of Discipline has helped over a million seekers discover a richer spiritual life infused with joy peace and a deeper understanding of God For this special twentieth anniversary edition Richard J Foster has added an introduction in which he shares the story of how this beloved and enduring spiritual guidebook came to be Hailed by many as the best modern book on Christian spirituality Celebration of Discipline explores the classic Disciplines or central spiritual practices of the Christian faith Along the way Foster shows that it is only by and through these practices that the true path to spiritual growth can be found Dividing the Disciplines into three movements of the Spirit Foster shows how each of these areas contribute to a balanced spiritual life The inward Disciplines of meditation prayer fasting and study offer avenues of personal examination and change The outward Disciplines of simplicity solitude submission and service help prepare us to make the world a better place The corporate Disciplines of confession worship guidance and celebration bring us nearer to one another and to God Foster provides a wealth of examples demonstrating how these Disciplines can become part of our daily activities and how they can help us shed our superficial habits and bring the abundance of God into our lives He offers crucial new insights on simplicity demonstrating how the biblical view of simplicity properly understood and applied brings joy and balance to our inward and outward lives and sets us free to enjoy the provision of God as a gift that can be shared with others The discussion of celebration often the most neglected of the Disciplines shows its critical importance for it stands at the heart of the way to Christ Celebration of Discipline will help motivate Christians everywhere to embark on a journey of prayer and spiritual growth

Going All In Mark Batterson, 2013-09-24 This powerful booklet excerpted from All In tells us that the Gospel costs nothing but demands everything If Jesus is not Lord of all He is not Lord at all It s all or nothing It s now or never It s time to ante up and go all in with God No one has ever sacrificed anything for God If you always get back more than you gave up have you sacrificed anything at all The eternal reward always outweighs the temporal sacrifice At the end of the day our greatest regret will be whatever we didn t give back to God What we didn t push back across the table to Him Eternity will reveal that holding out is losing out Batterson writes For many years I thought I was following Jesus I wasn t I had invited Jesus to follow me I call it inverted Christianity And it s a subtle form of selfishness that masquerades as spirituality That s when I sold out and bought in When did we start believing that the gospel is an insurance plan It s a daring plan Jesus did not die just to keep us safe He died to make us dangerous

A Quest for Godliness James Innell Packer,1994 Surveys the teachings and beliefs of the Puritans and calls today s Christians to follow their example of spiritual maturity

Positively 4th Street David Hajdu,2011-04-26 The story of how four young bohemians on the make Bob Dylan Joan Baez Mimi Baez and Richard Farina converged in Greenwich Village fell into love and invented a sound and a style that are one of the most lasting legacies of the 1960s When Bob Dylan age twenty five wrecked his motorcycle on the side of a road near Woodstock in 1966 and dropped out of the public eye he was recognized as a genius a youth idol and the authentic voice of the counterculture and Greenwich Village where he first made his mark as a protest singer with an acid wit and a barbwire throat was unquestionably the center of youth culture So embedded are Dylan and the Village in the legend of the Sixties one of the most powerful legends we have these days that it is easy to forget how it all came about In Positively Fourth Street David Hajdu whose 1995 biography of jazz composer Billy Strayhorn was the best and most popular music book in many seasons tells the story of the emergence of folk music from cult practice to popular and enduring art form as the story of a colorful foursome not only Dylan but his part time lover Joan Baez the first voice of the new generation her sister Mimi beautiful haunted and an artist in her own right and her husband Richard Farina a comic novelist Been Down So Long It Looks Like Up To Me who invented the worldliwise bohemian persona that Dylan adopted some say stole and made as his own The story begins in the plain Baez split level house in a Boston suburb moves to the Cambridge folk scene Cornell University where Farina ran with Thomas Pynchon and the University of Minnesota where Robert Zimmerman christened himself Bob Dylan and swapped his electric guitar for an acoustic and a harmonica rack before the four protagonists converge in New York Based on extensive new interviews and full of surprising revelations Positively Fourth Street is that rare book with a new story to tell about the 1960s It is in a sense a book about the Sixties before they were the Sixties about how the decade and all that it is now associated with it were created in a fit of collective inspiration with an energy and creativity that David Hajdu captures on the page as if for the first time

Shew Thyself a Man Eldon Martens,2011-05-18 The great need of the hour is for Christian men to become godly men for their daily walk to reflect the life of Christ But just how does one become a man of God Shew Thyself a Man answers this question with straightforward and practical advice to help you pursue the path of godliness Either you are already becoming a man of God or you are a prime candidate to become a man of God In either case this book will provide you with a simple but direct tool that could change your life now and for eternity God is looking for men who will answer the challenge David gave his son Solomon shew thyself a man 1 Kings 2 2 This book is a guide to help you become the man God wants you to be

Foucault and Educational Leadership Richard Niesche,2011-03-15 School principals are increasingly working in an environment of work intensification high stakes testing accountability pressures and increased managerialism Rather than searching for the latest leadership fad or best practice model this book suggests that in order to better understand these pressures the work of educational leadership requires more sophisticated theorisation of these practices In so doing the book draws upon the work of Michel Foucault to provoke new thought into how the principalship is lived and disciplined in ways that produce both contradictions and tensions for school principals Amidst claims of a shortage of applicants for principal positions in a number of Western countries what is required are more sophisticated and nuanced tools with which to understand the pressures and constraints that face principals in their work on a daily basis This book provides a powerful example of theory working through practice to move beyond traditional approaches to school leadership Key features of the book provides a well theorised analysis of leadership practices acknowledges the messy reality of life for school principals provides key insights to the real work that principals undertake every day examines the production of principals subjectivities in education foregrounding issues of gender and race includes the principals voices through rich interview data The book will be of significant interest to principals and those working and researching in educational leadership including researchers in the field and academics who teach into educational leadership and administration courses The book will also be of great interest to those working with the ideas of Foucault in education

Bad Beekeeping Ron Miksha,2004 A million pounds of honey Produced by a billion bees This memoir reconstructs the life of a young man from Pennsylvania as he drops into the bald prairie badlands of southern Saskatchewan He buys a honey ranch and keeps the bees that make the honey But he also spends winters in Florida swamps nurse maid to ten thousand dainty queen bees From the dusty Canadian prairie to the thick palmetto swamps of the American south the reader meets with simple folks who shape the protagonist s character including a Cree rancher with three sons playing NHL hockey a Hutterite preacher who yearns to roam the globe a reclusive bee eating homesteader and a grey headed widow who grows grapefruit plays a nasty game of scrabble and lives with four vicious dogs Encompassing a ten year period this true story evolves from the earnest inexperience of the young man as he learns an art and builds a business Carefully researched natural biology runs counterpoint to human social activities Bee craft serves as the setting for expositions that contrast American and Canadian lifestyles while exemplifying the harsh reality of a man working with and against the physical environment

The Routledge International Handbook of Learning Peter Jarvis,Mary H. Watts,2012 The aim of this handbook is to present an overview of the work on learning written by leading scholars from all these different perspectives and disciplines

The Origin of Consciousness in the Breakdown of the Bicameral Mind Julian Jaynes, 2000-08-15 National Book Award Finalist This man's ideas may be the most influential not to say controversial of the second half of the twentieth century Columbus Dispatch At the heart of this classic seminal book is Julian Jaynes's still controversial thesis that human consciousness did not begin far back in animal evolution but instead is a learned process that came about only three thousand years ago and is still developing The implications of this revolutionary scientific paradigm extend into virtually every aspect of our psychology our history and culture our religion and indeed our future Don't be put off by the academic title of Julian Jaynes's *The Origin of Consciousness in the Breakdown of the Bicameral Mind* Its prose is always lucid and often lyrical he unfolds his case with the utmost intellectual rigor The New York Times When Julian Jaynes speculates that until late in the twentieth millennium BC men had no consciousness but were automatically obeying the voices of the gods we are astounded but compelled to follow this remarkable thesis John Updike The New Yorker He is as startling as Freud was in *The Interpretation of Dreams* and Jaynes is equally as adept at forcing a new view of known human behavior American Journal of Psychiatry

The Family Life of a Christian Leader Ajith Fernando, 2016-07-18 Anyone involved in Christian ministry knows how challenging it is to balance ministry and family responsibilities Many demands pull leaders in different directions making it easy to neglect one or the other often without even realizing it Writing from decades of counseling and personal ministry experience Ajith Fernando points Christian leaders back to the most important aspect of their lives their relationship with God He then offers practical guidance for responding to real life situations in the home including disciplining children dealing with disappointment loving one's spouse and pursuing joy This book presents Christian leaders with a healthy and God centered understanding of family that leads to a flourishing home
