Songs Of The Dying Earth Stories In Honour Jack Vance George Rr Martin

Songs of the Dying Earth George R. R. Martin, Gardner Dozois, 2013-08-27 An anthology prepared in tribute to the career of Jack Vance features original tales inspired by The Dying Earth and includes contributions by such genre masters as Neil Gaiman Tanith Lee and Robert Silverberg

Songs of the Dying Earth George R. R. Martin, Gardner Dozois, 2010-12-07 This tribute anthology celebrates the work of SF F legend Jack Vance featuring original stories from George R R Martin Neil Gaiman Dan Simmons Elizabeth Moon Tanith Lee Tad Williams Kage Baker and Robert Silverberg along with fifteen others as well as an introduction by Dean Koontz To honor the magnificent career of Jack Vance one unparalleled in achievement and impact George R R Martin and Gardner Dozois with the full cooperation of Vance his family and his agents have created a Jack Vance tribute anthology Songs of the Dying Earth The best of today s fantasy writers to return to the unique and evocative milieu of The Dying Earth from which they and so many others have drawn so much inspiration to create their own brand new adventures in the world of Jack Vance s greatest novel Half a century ago Jack Vance created the world of the Dying Earth and fantasy has never been the same Now for the first time ever Jack has agreed to open this bizarre and darkly beautiful world to other fantasists to play in as their very own To say that other fantasy writers are excited by this prospect is a gross understatement one has told us that he d crawl through broken glass for the chance to write for the anthology another that he d gladly give up his right arm for the privilege That s the kind of regard in which Jack Vance and The Dying Earth are held by generations of his peers Each story includes an afterword by the author At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied

The Laughing Magician Jack Vance, 2012-11-27 The Laughing Magician combines two of the most popular novels in Jack Vance s Dying Earth series Both recount the adventures of Cugel also called Cugel the Clever forced by a mordant magician into a quest across an Earth of the far distant future In this Rabelaisian picaresque Cugel has only his wits and loose morals with which to survive a world teeming with tricksters monsters and magicians Vance s vivid witty prose and rich imagination is combined with Stephen Fabian s gorgeous art

The Dying Earth Jack Vance, 2011-11-14 New races of man had evolved new species of beast science had vanished and magic had arisen to dominate the twilight of our world as it dominated the earth s morning The Dying Earth is Jack Vance s finest work a stunning evocation of a world peopled by wizards witches demons monsters dashing princes and forlorn maidens A bejewelled gallery of strange and wonderful beings in the eminent tradition of Tolkien and William Morris Jack Vance s preferred title for this collection is Mazirian the Magician but while we have elsewhere deferred to his wishes in this case the book is so famous under a title of which he apparently strongly disapproves that we concluded it would be absurd to change it All Jack Vance titles in the SFGateway use the author s preferred texts as restored for the Vance Integral Edition VIE an extensive project masterminded by an international online

community of Vance's admirers In general we also use the VIE titles and have adopted the arrangement of short story collections to eliminate overlaps
