made Abraham Lincoln Vampire Hunter a runaway success **Abraham Lincoln: Vampire Hunter** Seth Grahame-Smith,2010-03-02 Indiana 1818 Moonlight falls through the dense woods that surround a one room cabin where a nine year old Abraham Lincoln kneels at his suffering mother s bedside She s been stricken with something the old timers call Milk Sickness My baby boy she whispers before dying Only later will the grieving Abe learn that his mother s fatal affliction was actually the work of a vampire When the truth becomes known to young Lincoln he writes in his journal henceforth my life shall be one of rigorous study and devotion I shall become a master of mind and body And this mastery shall have but one purpose Gifted with his legendary height strength and skill with an ax Abe sets out on a path of vengeance that will lead him all the way to the White House While Abraham Lincoln is widely lauded for saving a Union and freeing millions of slaves his valiant fight against the forces of the undead has remained in the shadows for hundreds of years That is until Seth Grahame Smith stumbled upon The Secret Journal of Abraham Lincoln and became the first living person to lay eyes on it in more than 140 years Using the journal as his guide and writing in the grand biographical style of Doris Kearns Goodwin and David McCullough Seth has reconstructed the true life story of our greatest president for the first time all while revealing the hidden history behind the Civil War and uncovering the role vampires played in the birth growth and near death of our nation *Unholy Night* Seth Grahame-Smith,2012-04-10 From the author of the New York Times bestselling Abraham Lincoln Vampire Hunter comes Unholy Night the next evolution in dark historical revisionism They re an iconic part of history s most celebrated birth But what do we really know about the Three Kings of the Nativity besides the fact that they followed a star to Bethlehem bearing strange gifts The Bible has little to say about this enigmatic trio But leave it to Seth Grahame Smith the brilliant and twisted mind behind Abraham Lincoln Vampire Hunter and Pride and Prejudice and Zombies to take a little mystery bend a little history and weave an epic tale In Grahame Smith s telling the so called Three Wise Men are infamous thieves led by the dark murderous Balthazar After a daring escape from Herod s prison they stumble upon the famous manger and its newborn king The last thing Balthazar needs is to be slowed down by young Joseph Mary and their infant But when Herod s men begin to slaughter the first born in Judea he has no choice but to help them escape to Egypt It s the beginning of an adventure that will see them fight the last magical creatures of the Old Testament cross paths with biblical figures like Pontius Pilate and John the Baptist and finally deliver them to Egypt It may just be the greatest story never told **Sense and Sensibility and Sea Monsters** Jane Austen,Ben H. Kassel Institut für Anglistik und Amerikanistik course Proseminar Jane Austen language English abstract Pride and Prejudice certainly is one of the best known and most frequently criticised works by Jane Austen Its ironic opening lines It is a truth universally acknowledged that a single man in possession of a good fortune must be in want of a wife already hint at some of the novel's topics such as the omnipresence of marriage in female biographies and the constructions of power through wealth But what happens if a 21st century writer combines the original plot of Pride and Prejudice with popular aspects of the Eastern culture The novel Pride and Prejudice and Zombies written by Seth Grahame-Smith and published in 2009 does so by partly adopting the original text and by inserting often violent parts of modern popular culture The half-conserving half-comic transformation of the well-known opening lines into It is a truth universally acknowledged that a zombie in possession of brains must be in want of more brains is only one of the numerous means of parody the narrative makes use of playing on the contrast between its original as an appreciated classic and the frivolous tone of its parody This paper will show that Pride and Prejudice and Zombies is a parody It will identify and discuss the elements and strategies that are typical of parodies What gets parodied and how What effect does this create These are the central questions this paper seeks to answer First of all the approaches of several post-modern theorists such as Linda Hutcheon and Simon Dentith will serve as basic definitions in order to explain the theoretical aspects and properties of parodies Important characteristics such as the paradox nature of parodies and the theory of encoding and decoding will be taken into account The second part will consist of a close analysis of parodic strategies in Pride and Prejudice and Zombies focusing not only on the formal characteristics of this parody but also on some features of both 18th century society and the style of the narrative found in Pride and Prejudice that are most prominently parodied
