Becoming Justice Blackmun Linda Greenhouse, 2007-04-01 A fascinating book In clear and forceful prose *Becoming Justice Blackmun* tells a judicial Horatio Alger story and a tale of a remarkable transformation A page turner The New York Times Book Review In this acclaimed biography Linda Greenhouse of The New York Times draws back the curtain on America's most private branch of government the Supreme Court Greenhouse was the first print reporter to have access to the extensive archives of Justice Harry A Blackmun 1908-99 the man behind numerous landmark Supreme Court decisions including *Roe v Wade* Through the lens of Blackmun's private and public papers Greenhouse crafts a compelling portrait of a man who from 1970 to 1994 ruled on such controversial issues as abortion the death penalty and sex discrimination yet never lost sight of the human beings behind the legal cases Greenhouse also paints the arc of Blackmun's lifelong friendship with Chief Justice Warren E Burger revealing how political differences became personal even for two of the country's most respected jurists From America's preeminent Supreme Court reporter this is a must read for everyone who cares about the Court and its impact on our lives *Becoming Justice Blackmun* Linda Greenhouse, 2005-05-02 A Pulitzer Prize winning correspondent with unprecedented access to the inner workings of the U S Supreme Court chronicles the personal transformation of legendary justice Harry A Blackmun who wrote numerous landmark decisions including *Roe v Wade* and participated in the most contentious debates of his era all behind closed doors **Becoming Justice Blackmun** Linda Greenhouse, 2006-04-04 A fascinating book In clear and forceful prose *Becoming Justice Blackmun* tells a judicial Horatio Alger story and a tale of a remarkable transformation A page turner The New York Times Book Review In this acclaimed biography Linda Greenhouse of The New York Times draws back the curtain on America's most private branch of government the Supreme Court Greenhouse was the first print reporter to have access to the extensive archives of Justice Harry A Blackmun 1908-99 the man behind numerous landmark Supreme Court decisions including *Roe v Wade* Through the lens of Blackmun's private and public papers Greenhouse crafts a compelling portrait of a man who from 1970 to 1994 ruled on such controversial issues as abortion the death penalty and sex discrimination yet never lost sight of the human beings behind the legal cases Greenhouse also paints the arc of Blackmun's lifelong friendship with Chief Justice Warren E Burger revealing how political differences became personal even for two of the country's most respected jurists From America's preeminent Supreme Court reporter this is a must read for everyone who cares about the Court and its impact on our lives *The U.S. Supreme Court: A Very Short Introduction* Linda Greenhouse, 2023-08-18 Very Short Introductions Brilliant Sharp Inspiring For 30 years Pulitzer Prize winning journalist Linda Greenhouse chronicled the activities of the U S Supreme Court and its

justices as a correspondent for the New York Times In this Very Short Introduction she draws on her deep knowledge of the court s history and of its written and unwritten rules to show readers how the Supreme Court really works Greenhouse offers a fascinating institutional biography of a place and its people men and women who exercise great power but whose names and faces are unrecognized by many Americans and whose work often appears cloaked in mystery How do cases get to the Supreme Court How do the justices go about deciding them What special role does the chief justice play What do the law clerks do How does the court relate to the other branches of government Greenhouse answers these questions by depicting the justices as they confront deep constitutional issues or wrestle with the meaning of confusing federal statutes Throughout the author examines many individual Supreme Court cases to illustrate points under discussion including Marbury v Madison the seminal case which established judicial review District of Columbia v Heller 2008 which struck down the District of Columbia s gun control statute and which was surprisingly the first time in its history that the Court issued an authoritative interpretation of the Second Amendment and Dobbs v Jackson Women s Health Organization 2022 which repudiated the right to abortion the Court had recognized nearly fifty years earlier in Roe v Wade 1973 To add perspective Greenhouse also compares the Court to foreign courts revealing interesting differences For instance no other country in the world has chosen to bestow life tenure on its judges The third edition of Greenhouse s Very Short Introduction tracks the changes in the Court s makeup over the past decade including the landmark decisions of the Obama and Trump eras and the emergence of a conservative supermajority A superb overview packed with telling details this volume offers a matchless introduction to one of the pillars of American government

The Brethren Bob Woodward, Scott Armstrong, 2011-05-31 *The Brethren* is the first detailed behind the scenes account of the Supreme Court in action Bob Woodward and Scott Armstrong have pierced its secrecy to give us an unprecedented view of the Chief and Associate Justices maneuvering arguing politicking compromising and making decisions that affect every major area of American life

The Burger Court and the Rise of the Judicial Right Michael J. Graetz, Linda Greenhouse, 2017-06-06 The magnitude of the Burger Court has been underestimated by historians When Richard Nixon ran for president in 1968 Impeach Earl Warren billboards dotted the landscape especially in the South Nixon promised to transform the Supreme Court and with four appointments including a new chief justice he did This book tells the story of the Supreme Court that came in between the liberal Warren Court and the conservative Rehnquist and Roberts Courts the seventeen years 1969 to 1986 under Chief Justice Warren Burger It is a period largely written off as a transitional era at the Supreme Court when according to the common verdict nothing happened How wrong that judgment is The Burger Court had vitally important choices to make whether to push school desegregation across district lines how to respond to the sexual revolution and its new demands for women s equality whether to validate affirmative action on campuses and in the workplace whether to shift the balance of criminal law back toward the police and prosecutors what the First Amendment says about limits on money in politics The Burger Court forced a president out of office while at the same

time enhancing presidential power It created a legacy that in many ways continues to shape how we live today Written with a keen sense of history and expert use of the justices personal papers this book sheds new light on an important era in American political and legal history Adapted from dust jacket **Nixon's Court** Kevin J. McMahon,2011-09-19 Most analysts have deemed Richard Nixon s challenge to the judicial liberalism of the Warren Supreme Court a failure a counterrevolution that wasn t Nixon s Court offers an alternative assessment Kevin J McMahon reveals a Nixon whose public rhetoric was more conservative than his administration s actions and whose policy towards the Court was more subtle than previously recognized Viewing Nixon s judicial strategy as part political and part legal McMahon argues that Nixon succeeded substantially on both counts Many of the issues dear to social conservatives such as abortion and school prayer were not nearly as important to Nixon Consequently his nominations for the Supreme Court were chosen primarily to advance his law and order and school desegregation agendas agendas the Court eventually endorsed But there were also political motivations to Nixon s approach he wanted his judicial policy to be conservative enough to attract white southerners and northern white ethnics disgruntled with the Democratic party but not so conservative as to drive away moderates in his own party In essence then he used his criticisms of the Court to speak to members of his Silent Majority in hopes of disrupting the long dominant New Deal Democratic coalition For McMahon Nixon s judicial strategy succeeded not only in shaping the course of constitutional law in the areas he most desired but also in laying the foundation of an electoral alliance that would dominate presidential politics for a generation About Abortion Carol Sanger,2017-03-27 One of the most private decisions a woman can make abortion is also one of the most contentious topics in American civic life Protested at rallies and politicized in party platforms terminating pregnancy is often characterized as a selfish decision by women who put their own interests above those of the fetus This background of stigma and hostility has stifled women s willingness to talk about abortion which in turn distorts public and political discussion To pry open the silence surrounding this public issue Sanger distinguishes between abortion privacy a form of nondisclosure based on a woman s desire to control personal information and abortion secrecy a woman s defense against the many harms of disclosure Laws regulating abortion patients and providers treat abortion not as an acceptable medical decision let alone a right but as something disreputable immoral and chosen by mistake Exploiting the emotional power of fetal imagery laws require women to undergo ultrasound a practice welcomed in wanted pregnancies but commandeered for use against women with unwanted pregnancies Sanger takes these prejudicial views of women s abortion decisions into the twenty first century by uncovering new connections between abortion law and American culture and politics New medical technologies women s increasing willingness to talk online and off and the prospect of tighter judicial reins on state legislatures are shaking up the practice of abortion As talk becomes more transparent and acceptable women s decisions about whether or not to become mothers will be treated more like those of other adults making significant personal choices *Murder in Mississippi* Howard Ball,2004 Few episodes in the modern

civil rights movement were more galvanizing than the 1964 brutal murders of Michael Schwerner Andrew Goodman and James Chaney As we approach the 40th anniversary of the murders in June 2004 Murder in Mississippi provides a timely and telling reminder of the vigilance democracy requires if its ideals are to be fully realized **Justice on the Brink** Linda Greenhouse,2022-10-04 The gripping story of the Supreme Court s transformation from a measured institution of law and justice into a highly politicized body dominated by a right wing supermajority told through the dramatic lens of its most transformative year by the Pulitzer Prize winning law columnist for The New York Times with a new preface by the author A dazzling feat meaty often scintillating and sometimes scary Greenhouse is a virtuoso of SCOTUS analysis The Washington Post In Justice on the Brink legendary journalist Linda Greenhouse gives us unique insight into a court under stress providing the context and brilliant analysis readers of her work in The New York Times have come to expect In a page turning narrative she recounts the twelve months when the court turned its back on its legacy and traditions abandoning any effort to stay above and separate from politics With remarkable clarity and deep institutional knowledge Greenhouse shows the seeds being planted for the court s eventual overturning of Roe v Wade expansion of access to guns and unprecedented elevation of religious rights in American society Both a chronicle and a requiem Justice on the Brink depicts the struggle for the soul of the Supreme Court and points to the future that awaits all of us **Research Handbook on Law and Courts** Susan M. Sterett,Lee Demetrius Walker,2019 The Research Handbook on Law and Courts provides a systematic analysis of new work on courts as governing institutions Authors consider how courts have taken on regulating fundamental categories of inclusion and exclusion including citizenship rights Courts centrality to governance is addressed in sections on judicial processes sub national courts and political accountability all analyzed in multiple legal political systems Other chapters turn to analyzing the worldwide push for diversity in staffing courts Finally the digitization of records changes both court processes and studying courts Authors included in the Handbook discuss theoretical empirical and methodological approaches to studying courts as governing institutions They also identify promising areas of future research **Uneven Roads** Todd Shaw,Louis DeSipio,Dianne Pinderhughes,Lorrie Frasure,Toni-Michelle C. Travis,2024-01-12 Uneven Roads helps students grasp how when and why race and ethnicity matter in U S politics Using the metaphor of a road with twists turns and dead ends this incisive text takes students on a journey to understanding political racialization and the roots of modern interpretations of race and ethnicity The book s structure and narrative are designed to encourage comparison and reflection Students critically analyze the history and context of U S racial and ethnic politics to build the skills needed to draw their own conclusions In the Third Edition of this groundbreaking text authors Shaw DeSipio Pinderhughes Frasure and Travis bring the historical narrative to life by addressing the most contemporary debates and challenges affecting U S racial and ethnic politics Students will explore important issues regarding voting rights political representation education and criminal justice policies and the immigrant experience *No Undocumented Child Left Behind* Michael A. Olivas,2012 Explores the issue of

the education of undocumented school children examining both financial and legal topics **Justice for All** Jim Newton,2007-10-02 One of the most acclaimed and best political biographies of its time Justice for All is a monumental work dedicated to a complicated and principled figure that will become a seminal work of twentieth century U S history In Justice for All Jim Newton an award winning journalist for the Los Angeles Times brings readers the first truly comprehensive consideration of Earl Warren the politician turned Chief Justice who refashioned the place of the court in American life through landmark Supreme Court cases whose names have entered the common parlance Brown v Board of Education Griswold v Connecticut Miranda v Arizona to name just a few Drawing on unmatched access to government academic and private documents pertaining to Warren s life and career Newton explores a fascinating angle of U S Supreme Court history while illuminating both the public and the private Warren *The Making of a Justice* Justice John Paul Stevens,2019-05-14 A timely and hugely important memoir of Justice John Paul Stevens s life on the Supreme Court New York Times When Justice John Paul Stevens retired from the Supreme Court of the United States in 2010 he left a legacy of service unequalled in the history of the Court During his thirty four year tenure Justice Stevens was a prolific writer authoring more than 1000 opinions In *The Making of a Justice* he recounts his extraordinary life offering an intimate and illuminating account of his service on the nation s highest court Appointed by President Gerald Ford and eventually retiring during President Obama s first term Justice Stevens has been witness to and an integral part of landmark changes in American society during some of the most important Supreme Court decisions over the last four decades With stories of growing up in Chicago his work as a naval traffic analyst at Pearl Harbor during World War II and his early days in private practice *The Making of a Justice* is a warm and fascinating account of Justice Stevens s unique and transformative American life **American Original** Joan Biskupic,2009-11-10 The first full scale biography of the Supreme Court s most provocative and influential justice If the U S Supreme Court teaches us anything it is that almost everything is open to interpretation Almost But what s inarguable is that while the Court has witnessed a succession of larger than life jurists in its two hundred year plus history it has never seen the likes of Supreme Court Justice Antonin Scalia Combative yet captivating infuriating yet charming the outspoken jurist remains a source of curiosity to observers across the political spectrum and on both sides of the ideological divide And after nearly a quarter century on the bench Scalia may be at the apex of his power Agree with him or not Scalia is the justice who has had the most important impact over the years on how we think and talk about the law as the Harvard law dean Elena Kagan now U S Solicitor General once put it Scalia electrifies audiences to hear him speak is to remember him to read his writing is to find his phrases permanently affixed in one s mind But for all his public grandstanding Scalia has managed to elude biographers until now In *American Original The Life and Constitution of Supreme Court Justice Antonin Scalia* the veteran Washington journalist Joan Biskupic presents for the first time a detailed portrait of this complicated figure and provides a comprehensive narrative that will engage Scalia s adherents and critics alike Drawing on her long tenure covering

the Court and on unprecedented access to the justice Biskupic delves into the circumstances of his rise and the formation of his rigorous approach to the bench Beginning with the influence of Scalia s childhood in a first generation Italian American home American Original takes us through his formative years his role in the Nixon Ford administrations and his trajectory through the Reagan revolution Biskupic s careful reporting culminates with the tumult of the contemporary Supreme Court where it was and where it s going with Scalia helping to lead the charge Even as Democrats control the current executive and legislative branches the judicial branch remains rooted in conservatism President Obama will likely appoint several new justices to the Court but it could be years before those appointees change the tenor of the law With his keen mind authoritarian bent and contentious rhetorical style Scalia is a distinct and persuasive presence and his tenure is far from over This new book shows us the man in power his world his journey and the far reaching consequences of the transformed legal landscape

The Shadow President Michael D'Antonio, Peter Eisner, 2018-08-28 It presents an entirely damning portrait of Pence You ve seen his colors before but not so vividly and in this detail Frank Bruni The New York Times Producing a biography of a living controversial politician is always difficult D Antonio and Eisner have succeeded in this well documented damning book Cue the outrage from Sean Hannity et al Kirkus Reviews starred review In this well rounded deeply investigated biography the first full look at the vice president two award winning journalists unmask the real Mike Pence Little known outside his home state until Donald Trump made him his running mate Mike Pence who proclaims himself a Christian first a conservative second and a Republican third has long worn a carefully constructed mask of Midwestern nice Behind his self proclaimed humility and self abasing deference however hides a man whose own presidential ambitions have blazed since high school Pence s drive for power perhaps inspired by his belief that God might have big plans for him explains why he shocked his allies by lending Christian credibility to a scandal plagued candidate like Trump In this landmark biography Pulitzer Prize winner Michael D Antonio and Emmy nominated journalist Peter Eisner follow the path Pence followed from Catholic Democrat to conservative evangelical Republican They reveal how he used his time as rightwing radio star to build connections with powerful donors how he was a lackluster lawmaker in Congress but a prodigious fundraiser from the GOP s billionaire benefactors and how once he locked in his views on the issues anti gay pro gun anti abortion pro big business he became laser focused on his own pursuit of power As THE SHADOW PRESIDENT reveals Mike Pence is the most important and powerful Christian Right politician America has ever seen Driven as much by theology as personal ambition Pence is now positioned to seize the big prize the presidency and use it to fashion a nation more pleasing to his god and corporate sponsors

Wild Bill Bruce Allen Murphy, 2003 William Orville Douglas was both the most accomplished and the most controversial justice ever to serve on the United States Supreme Court He emerged from isolated Yakima Washington to be dubbed by the age of thirty the most outstanding law professor in the nation at age thirty eight he was the chairman of the Securities and Exchange Commission cleaning up a corrupt Wall Street during the Great Depression by the

age of forty he was the second youngest Supreme Court justice in American history going on to serve longer and to write more opinions and dissents than any other justice In evolving from a pro government advocate in the 1940s to an icon of liberalism in the 1960s Douglas became a champion for the rights of privacy free speech and the environment While doing so Wild Bill lived up to his nickname by racking up more marriages more divorces and more impeachment attempts aimed against him than any other member of the Court But it was what Douglas did not accomplish that haunted him He never fulfilled his mother s ambition for him to become president of the United States Douglas s life was the stuff of novels but with his eye on his public image and his potential electability to the White House the truth was not good enough for him Using what he called literary license he wrote three memoirs in which the American public was led to believe that he had suffered from polio as an infant and was raised by an impoverished widowed mother whose life savings were stolen by the family attorney He further chronicled his time as a poverty stricken student sleeping in a tent while attending Whitman College serving as a private in the army during World War I and riding the rods like a hobo to attend Columbia Law School Relying on fifteen years of exhaustive research in eighty six manuscript collections revealing long hidden documents and interviews conducted with more than one hundred people many sharing their recollections for the first time Bruce Allen Murphy reveals the truth behind Douglas s carefully constructed image While William O Douglas wrote fiction in the form of memoir Murphy presents the truth with a narrative flair that reads like a novel

The Wars of Watergate Stanley I. Kutler, 2013-08-28 This is the first truly comprehensive history of the political explosion that shook America in the 1970s and whose aftereffects are still being felt in public life today Drawing on contemporary documents personal interviews memoirs and a vast quantity of new material Stanley Kutler shows how President Nixon s obstruction of justice from the White House capped a pattern of abuse that marked his entire tenure in office He makes clear how the drama of Watergate is rooted not only in the tumultuous events and social tensions of the 1960s but also in the personality and history of Richard Nixon Kutler examines Nixon s confrontations with the institutions he feared and resented the Congress the federal agencies the news media the Washington establishment and how they mobilized to topple the President He considers the arguments of Nixon s defenders who insisted that Watergate was a minor affair and the contention that the President did nothing worse than his predecessors had done He offers compelling portraits of the President s men H R Haldeman John Ehrlichman John Mitchell Charles Colson John Dean of his adversaries Judge John Sirica the U S Attorneys Special Prosecutors Archibald Cox and Leon Jaworski and of the legislators who would stand in judgment Sam Ervin and Peter Rodino In the course of his engrossing narrative Stanley Kutler illuminates the constitutional crisis brought on by Watergate He shows how Watergate diminished the moral level of American political life and illustrates its continuing detrimental impact on the credibility authority and prestige of the Presidency in particular and the government in general His book underlines for the American electorate the significance of Watergate for the future of our political ethics and the maintenance of our constitutional system as well as for

the place of Richard Nixon in American history **Before Roe V. Wade** Reva B. Siegel, 2012 As the landmark Roe v Wade decision reaches its 40th anniversary abortion remains a polarizing topic on America's legal and political landscape Blending history culture and law Before Roe v Wade explores the roots of the conflict recovering through original documents and first hand accounts the voices on both sides that helped shape the climate in which the Supreme Court ruled Originally published in 2010 this new edition includes a new Afterword that explores what the history of conflict before Roe teaches us about the abortion conflict we live with today Examining the role of social movements and political parties the authors cast new light on a pivotal chapter in American history and suggest how Roe v Wade the case became Roe v Wade the symbol Cover p 4

Becoming Justice Blackmun Harry Blackmun's Supreme Court Journey Linda Greenhouse

Greenhouse books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Becoming Justice Blackmun Harry Blackmun's Supreme Court Journey Linda Greenhouse books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Becoming Justice Blackmun Harry Blackmun's Supreme Court Journey Linda Greenhouse books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Becoming Justice Blackmun Harry Blackmun's Supreme Court Journey Linda Greenhouse versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Becoming Justice Blackmun Harry Blackmun's Supreme Court Journey Linda Greenhouse books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Becoming Justice Blackmun Harry Blackmun's Supreme Court Journey Linda Greenhouse books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Becoming Justice Blackmun Harry Blackmun's Supreme Court Journey Linda Greenhouse books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the

Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Becoming Justice Blackmun Harry Blackmuns Supreme Court Journey Linda Greenhouse books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Becoming Justice Blackmun Harry Blackmuns Supreme Court Journey Linda Greenhouse books and manuals for download and embark on your journey of knowledge?
