A Series of Unfortunate Events 01. The Bad Beginning Lemony Snicket,2012-09-01 There is nothing to be found in the pages of A Series of Unfortunate Events but misery and despair You still have time to choose another international best seller to read But if you must know what unpleasanties befall the charming and clever Baudelaire children read on In The Bad Beginning the three youngsters encounter a greedy and repulsive villain itchy clothing a disastrous fire a plot to steal their fortune and cold porridge for breakfast Then again why trouble yourself with the unfortunate resolutions With 5 million copies sold in the UK alone one might consider Lemony Snicket s A Series of Unfortunate Events to make him one of the most successful children s authors of the past decade We however consider these miserable so called adventure stories and the Hollywood film starring Jim Carrey that accompanied the books for children as nothing more than a dreadful mistake

Midnight Tides Steven Erikson,2007-08-28 After decades of internecine warfare the tribes of the Tiste Edur have at last united under the Warlock King of the Hiroth There is peace but it has been exacted at a terrible price a pact made with a hidden power whose motives are at best suspect at worst deadly To the south the expansionist kingdom of Lether eager to fulfill its long prophesized renaissance as an Empire reborn has enslaved all its less civilized neighbors with rapacious hunger All that is save one the Tiste Edur And it must be only a matter of time before they too fall either beneath the suffocating weight of gold or by slaughter at the edge of a sword Or so destiny has decreed Yet as the two sides gather for a pivotal treaty neither truly wants ancient forces are awakening For the impending struggle between these two peoples is but a pale reflection of a far more profound primal battle a confrontation with the still raw wound of an old betrayal and the craving for revenge at its seething heart At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied
