Cuban Color in Tourism and la Lucha Lorecia Kaifa Roland,2011 Cuban Color in Tourism and La Lucha An Ethnography of Racial Meanings offers a provocative look at what it means to belong in modern socialist Cuba Drawn from her extensive travels throughout Cuba over the past decade author L Kaifa Roland pulls back the curtain on a country that has remained mysterious to Americans since the mid twentieth century Through vivid vignettes and firsthand details Roland exposes the lasting effects of the collapse of the Soviet Union and the subsequent rise of state sponsored segregated tourism in Cuba She demonstrates how the creation of separate spheres for locals and tourists has had two effects First tourism reestablished the racial apartheid that plagued pre revolutionary Cuba Second it reinforced how the state s desire to maintain a socialist ideology in face of its increasing reliance on capitalist tools is at odds with the day to day struggles or La Lucha of the Cuban people Roland uses conversations and anecdotes gleaned from a year of living among locals as a way of delving into these struggles and understanding what constitutes life in Cuba today In exploring the intersections of race class and gender she gives readers a better understanding of the common issues of status and belonging for tourists and their hosts in Cuba Cuban Color in Tourism and La Lucha is one of several volumes in the Issues of Globalization Case Studies in Contemporary Anthropology series which examines the experiences of individual communities in our contemporary world Each volume offers a brief and engaging exploration of a particular issue arising from globalization and its cultural political and economic effects on certain peoples or groups Ideal for introductory anthropology courses and as supplements for a variety of upper level courses these texts seamlessly combine portraits of an interconnected and globalized world with narratives that emphasize the agency of their subjects

How to Think Like an Anthropologist Matthew Engelke,2019-06-18 What is anthropology What can it tell us about the world Why in short does it matter For well over a century cultural anthropologists have circled the globe from Papua New Guinea to suburban England and from China to California uncovering surprising facts and insights about how humans organize their lives and articulate their values In the process anthropology has done more than any other discipline to reveal what culture means and why it matters By weaving together examples and theories from around the world Matthew Engelke provides a lively accessible and at times irreverent introduction to anthropology covering a wide range of classic and contemporary approaches subjects and practitioners Presenting a set of memorable cases he encourages readers to think deeply about some of the key concepts with which anthropology tries to make sense of the world from culture and nature to authority and blood Along the way he shows why anthropology matters not only because it helps us understand other cultures and points of view but also because in the process it reveals something about ourselves and our own cultures too Cover
