The 6th Edition of the FSI MFT Study Guide was updated to specifically cover the current AMFTRB Exam slated for each of the 12 testing windows in 2018 and beyond; the New 6th Edition contains the correct and accurate information about each of the Knowledge Domains that may appear on the Marriage & Family Therapy Licensing Exam. FSI's "Knowledge Domain-to-Chapter Map" shows where in the Study Guide information can be found about each domain. As FSI hears of any changes to the exam, even after you have purchased the Home Study Program or Intensive Track, we will make the new content available to you via our eStudy site at a discounted price through our eStudy Program if you have purchased either the Home Study Program, eStudy Program or Intensive Track previously. As HIPAA has begun to appear more regularly on the exam, FSI has added an easy to understand HIPAA section in this new 6th Edition, as well as a chapter on Crisis Management and the DSM-5. Used by many COAMFTE Accredited MFT programs, the Study Guide serves as both a foundations and advanced theories text that will also successfully help you pass the AMFTRB National exam upon graduation. The Study Guide is a 600+ page hardbound book which concisely organizes the information most likely to be tested by the AMFTRB. The book presents this large body of knowledge in both a summary and more detailed form, emphasizing the most important concepts needed for the exam, in a very "user friendly" format. It is designed with both recent graduates and the older, very experienced clinicians in mind. Increasingly, COAMFTE Accredited MFT Programs are using the FSI Study Guide in their Foundation Courses to meet the new national exam pass percentage requirements for maintaining accreditation.
