

“A Modest Proposal”

Like Jonathan Swift, your group will create your own “Modest Proposal.”

You are going to attack an evil you see in society today by creating a satirical “modest proposal” for its solution, something so outrageously horrifying that your audience will see at once the tragedy of the situation.

Remember: As Swift was, you might be attacked for insensitivity. Your moral outrage must be made clear by gross exaggeration. Think creatively and thoroughly, because your proposal will count as a major grade. You will present your proposals on _____!

Guidelines:

1. State your problem and why it's a problem?
2. State your solution.
3. By using logical, ethical, and emotional appeals, state how your solution solves the problem.
4. State the benefits for society, the everyday family, and even how it will benefit the “problem.”
5. State the disadvantages (if any) in a casual, melancholy way like Swift did.

Ideas: (however, you are not limited to these suggestions)

- Global warming
- War
- Gasoline/Oil
- Pollution
- World Hunger/Famine
- Disease
- Animal Extinction
- Genocide
- Crime
- Abuse- adult and child
- Welfare
- Poor economy

A Modest Proposal Research Paper

Robert E. Stake

A Modest Proposal Research Paper

A Modest Proposal Jonathan Swift, 2024-05-30 In one of the most powerful and darkly satirical works of the 18th century a chilling solution is proposed to address the dire poverty and overpopulation plaguing Ireland Jonathan Swift presents a shockingly calculated and seemingly rational argument for using the children of the poor as a food source thereby addressing both the economic burden on society and the issue of hunger This provocative piece is a masterful example of irony and social criticism as it exposes the cruel attitudes and policies of the British ruling class towards the Irish populace Jonathan Swift's incisive critique not only underscores the absurdity of the proposed solution but also serves as a profound commentary on the exploitation and mistreatment of the oppressed A Modest Proposal remains a quintessential example of satirical literature its biting wit and moral indignation as relevant today as it was at the time of its publication JONATHAN SWIFT 1667 1745 was an Anglo Irish author poet and satirist His deadpan satire led to the coining of the term Swiftian describing satire of similarly ironic writing style He is most famous for the novel Gulliver's Travels 1726 and the essay A Modest Proposal 1729

A Modest Proposal in the Context of Swift's Irish Tracts Maria-Angeles Ruiz Moneva, 2020-06-12 Swift's A Modest Proposal has always aroused the interest not just of literary critics but also of linguists and pragmatists Within the latter approaches the study of irony and more concretely the intentions and attitudes that must have guided the production of such an intricate work have always been paramount However it seems that within pragmatics the analysis has been restricted so far to the 1729 work itself In the present author's view it is interesting to contextualise this masterpiece of irony and satire within Swift's wider writing on Ireland an approach that remains to be carried out Accordingly this work sets out to analyse a selection of Swift's Irish Tracts with a view to tracing the evolution within Swift's literary production of his views and attitudes towards the situation of his homeland Although different pragmatic approaches are applied the emphasis is laid upon the contributions that the relevance theoretical framework and its studies on irony may bring to the understanding of this particular Tract The works selected are meant to cover and also be representative of the main phases currently distinguished within Swift's writing on the Irish Question It is therefore hoped that a deeper analysis of the former works by Swift on this topic will provide new insights for a better understanding of A Modest Proposal

A Modest Proposal Jonathan Swift, 2015-10-17 This Squid Ink Classic includes the full text of the work plus MLA style citations for scholarly secondary sources peer reviewed journal articles and critical essays for when your teacher requires extra resources in MLA format for your research paper

The Professor Is In Karen Kelsky, 2015-08-04 The definitive career guide for grad students adjuncts post docs and anyone else eager to get tenure or turn their Ph D into their ideal job Each year tens of thousands of students will after years of hard work and enormous amounts of money earn their Ph D And each year only a small percentage of them will land a job that justifies and rewards their investment For every comfortably

tenured professor or well paid former academic there are countless underpaid and overworked adjuncts and many more who simply give up in frustration Those who do make it share an important asset that separates them from the pack they have a plan They understand exactly what they need to do to set themselves up for success They know what really moves the needle in academic job searches how to avoid the all too common mistakes that sink so many of their peers and how to decide when to point their Ph D toward other non academic options Karen Kelsky has made it her mission to help readers join the select few who get the most out of their Ph D As a former tenured professor and department head who oversaw numerous academic job searches she knows from experience exactly what gets an academic applicant a job And as the creator of the popular and widely respected advice site The Professor is In she has helped countless Ph D s turn themselves into stronger applicants and land their dream careers Now for the first time ever Karen has poured all her best advice into a single handy guide that addresses the most important issues facing any Ph D including When where and what to publish Writing a foolproof grant application Cultivating references and crafting the perfect CV Acing the job talk and campus interview Avoiding the adjunct trap Making the leap to nonacademic work when the time is right The Professor Is In addresses all of these issues and many more

A Tale of a Tub Jonathan Swift,1771 **A Modest Proposal** Clark D. Cunningham,Washington University (Saint Louis, Mo.). School of Law,1997 **A Modest Proposal and Gulliver's Travels (GoodVibeRead Edition)** Jonathan Swift,2021-11-20 This Hardcover edition includes two books A Modest Proposal and Gulliver s Travels Jonathan Swift s A Modest Proposal is a satirical essay written to mock the callous and indignant attitude of Ireland s rich towards the poor In the essay Swift argues Ireland s economic problems could be lessened by selling poor Irish children as food to the wealthy First published in 1729 Swift s essay gained international attention as a satire unlike any other published to date A Modest Proposal helped bring international attention to rising economic uncertainty in Ireland and the plight of the less fortunate Gulliver s Travels was published in 1726 and is probably the most famous work by Jonathan Swift It was an instant hit selling out within a week and has never been out of print as well as having been adapted many times Lemuel Gulliver an English surgeon on the Antelope is shipwrecked and washed up on the island of Lilliput where the inhabitants are less than six inches tall This part of the book is a thinly veiled attack on the political classes of the time as the Lilliputians focus on the minutiae of life most notably the rift which has developed according to which end of a boiled egg gets opened at breakfast the big end or the little end On his second recorded journey he is abandoned on an island of giants where he is paraded as a curiosity at local markets and fairs On his third journey he is marooned by pirates and is rescued by the inhabitants of a floating island devoted to music mathematics and astronomy On his final journey he meets the Houyhnhnms a race of talking horses who have subdued the Yahoos creatures who resemble humans On his return to England Gulliver has a very different outlook on life and views the human race in a very different way A True Classic that Belongs on Every Bookshelf

Aboutness Stephen Yablo,2014-05-04 Aboutness has been studied from any number of angles Brentano made it the

defining feature of the mental Phenomenologists try to pin down the aboutness features of particular mental states Materialists sometimes claim to have grounded aboutness in natural regularities Attempts have even been made in library science and information theory to operationalize the notion But it has played no real role in philosophical semantics This is surprising sentences have aboutness properties if anything does Aboutness is the first book to examine through a philosophical lens the role of subject matter in meaning A long standing tradition sees meaning as truth conditions to be specified by listing the scenarios in which a sentence is true Nothing is said about the principle of selection about what in a scenario gets it onto the list Subject matter is the missing link here A sentence is true because of how matters stand where its subject matter is concerned Stephen Yablo maintains that this is not just a feature of subject matter but its essence One indicates what a sentence is about by mapping out logical space according to its changing ways of being true or false The notion of content that results directed content is brought to bear on a range of philosophical topics including ontology verisimilitude knowledge loose talk assertive content and philosophical methodology Written by one of today s leading philosophers Aboutness represents a major advance in semantics and the philosophy of language

Jonathan Swift: The Reluctant Rebel John Stubbs,2017-02-28 A rich and riveting portrait of the man behind Gulliver s Travels by a vivid ardent and engaging New York Times Book Review author One of Europe s most important literary figures Jonathan Swift was also an inspired humorist a beloved companion and a conscientious Anglican minister as well as a hoaxer and a teller of tales His anger against abuses of power would produce the most famous satires of the English language Gulliver s Travels as well as the Drapier Papers and the unparalleled Modest Proposal in which he imagined the poor of Ireland farming their infants for the tables of wealthy colonists John Stubbs s biography captures the dirt and beauty of a world that Swift both scorned and sought to amend It follows Swift through his many battles for and against authority and in his many contradictions as a priest who sought to uphold the dogma of his church as a man who was quite prepared to defy convention not least in his unshakable attachment to an unmarried woman his Stella and as a writer whose vision showed that no single creed holds all the answers Impeccably researched and beautifully told in Jonathan Swift Stubbs has found the perfect subject for this masterfully told biography of a reluctant rebel a voice of withering disenchantment unrivaled in English

A Modest Proposal Illustrated Jonathan Swift,2020-09-08 A Modest Proposal For preventing the Children of Poor People From being a Burthen to Their Parents or Country and For making them Beneficial to the Publick commonly referred to as A Modest Proposal is a Juvenalian satirical essay written and published anonymously by Jonathan Swift in 1729 The essay suggests that the impoverished Irish might ease their economic troubles by selling their children as food to rich gentlemen and ladies This satirical hyperbole mocked heartless attitudes towards the poor as well as British policy toward the Irish in general

[The Satires of Juvenal](#) Decio Junio Juvenal,1739

Practicing Research in Writing Studies Katrina M. Powell,Pamela Takayoshi,2012 As writing researchers have begun untangling the complexities of ethical research practice new practices

have developed and new issues have arisen This volume contributes to the continuing examination and development of ethically responsible self reflexive and systematic research on writing **The Satirist** Dan Geddes,2012-12-02 Enjoy this hilarious collection of satires reviews news poems and short stories from The Satirist America s Most Critical Journal P 4 of cover [Strengthening Forensic Science in the United States](#) National Research Council,Division on Engineering and Physical Sciences,Committee on Applied and Theoretical Statistics,Policy and Global Affairs,Committee on Science, Technology, and Law,Committee on Identifying the Needs of the Forensic Sciences Community,2009-07-29 Scores of talented and dedicated people serve the forensic science community performing vitally important work However they are often constrained by lack of adequate resources sound policies and national support It is clear that change and advancements both systematic and scientific are needed in a number of forensic science disciplines to ensure the reliability of work establish enforceable standards and promote best practices with consistent application Strengthening Forensic Science in the United States A Path Forward provides a detailed plan for addressing these needs and suggests the creation of a new government entity the National Institute of Forensic Science to establish and enforce standards within the forensic science community The benefits of improving and regulating the forensic science disciplines are clear assisting law enforcement officials enhancing homeland security and reducing the risk of wrongful conviction and exoneration Strengthening Forensic Science in the United States gives a full account of what is needed to advance the forensic science disciplines including upgrading of systems and organizational structures better training widespread adoption of uniform and enforceable best practices and mandatory certification and accreditation programs While this book provides an essential call to action for congress and policy makers it also serves as a vital tool for law enforcement agencies criminal prosecutors and attorneys and forensic science educators **Qualitative Research from Start to Finish, First Edition** Robert K. Yin,2011-09-26 This lively practical text presents a fresh and comprehensive approach to doing qualitative research The book offers a unique balance of theory and clear cut choices for customizing every phase of a qualitative study A scholarly mix of classic and contemporary studies from multiple disciplines provides compelling field based examples of the full range of qualitative approaches Readers learn about adaptive ways of designing studies collecting data analyzing data and reporting findings Key aspects of the researcher s craft are addressed such as fieldwork options the five phases of data analysis with and without using computer based software and how to incorporate the researcher s declarative and reflective selves into a final report Ideal for graduate level courses the text includes Discussions of ethnography grounded theory phenomenology feminist research and other approaches Instructions for creating a study bank to get a new study started End of chapter exercises and a semester long field based project Quick study boxes research vignettes sample studies and a glossary Previews for sections within chapters and chapter recaps Discussion of the place of qualitative research among other social science methods including mixed methods research **Opening Science** Sönke Bartling,Sascha Friesike,2013-12-16 Modern information

and communication technologies together with a cultural upheaval within the research community have profoundly changed research in nearly every aspect Ranging from sharing and discussing ideas in social networks for scientists to new collaborative environments and novel publication formats knowledge creation and dissemination as we know it is experiencing a vigorous shift towards increased transparency collaboration and accessibility Many assume that research workflows will change more in the next 20 years than they have in the last 200 This book provides researchers decision makers and other scientific stakeholders with a snapshot of the basics the tools and the underlying visions that drive the current scientific r evolution often called Open Science

A Modest Proposal Michele Ashman Bell,2008 Single and twenty nine Lauryn Alexander flies back to Utah for a Butterfly Girls reunion and the hope of landing a modest proposal from the man of her dreams

Qualitative Research Robert E. Stake,2010-03-03 This book provides invaluable guidance for thinking through and planning a qualitative study Rather than offering recipes for specific techniques master storyteller Robert Stake stimulates readers to discover how things work in organizations programs communities and other systems Topics range from identifying a research question to selecting methods gathering data interpreting and analyzing the results and producing a well thought through written report In depth examples from actual studies emphasize the role of the researcher as instrument and interpreter while boxed vignettes and learning projects encourage self reflection and critical thinking Other useful pedagogical features include quick reference tables and charts sample project management forms and an end of book glossary After reading this book doctoral students and novice qualitative researchers will be able to plan a study from beginning to end

How Learning Works Susan A. Ambrose,Michael W. Bridges,Michele DiPietro,Marsha C. Lovett,Marie K. Norman,2010-04-16 Praise for How Learning Works How Learning Works is the perfect title for this excellent book Drawing upon new research in psychology education and cognitive science the authors have demystified a complex topic into clear explanations of seven powerful learning principles Full of great ideas and practical suggestions all based on solid research evidence this book is essential reading for instructors at all levels who wish to improve their students learning Barbara Gross Davis assistant vice chancellor for educational development University of California Berkeley and author Tools for Teaching This book is a must read for every instructor new or experienced Although I have been teaching for almost thirty years as I read this book I found myself resonating with many of its ideas and I discovered new ways of thinking about teaching Eugenia T Paulus professor of chemistry North Hennepin Community College and 2008 U S Community Colleges Professor of the Year from The Carnegie Foundation for the Advancement of Teaching and the Council for Advancement and Support of Education Thank you Carnegie Mellon for making accessible what has previously been inaccessible to those of us who are not learning scientists Your focus on the essence of learning combined with concrete examples of the daily challenges of teaching and clear tactical strategies for faculty to consider is a welcome work I will recommend this book to all my colleagues Catherine M Casserly senior partner The Carnegie Foundation for the

Advancement of Teaching As you read about each of the seven basic learning principles in this book you will find advice that is grounded in learning theory based on research evidence relevant to college teaching and easy to understand The authors have extensive knowledge and experience in applying the science of learning to college teaching and they graciously share it with you in this organized and readable book From the Foreword by Richard E Mayer professor of psychology University of California Santa Barbara coauthor e Learning and the Science of Instruction and author Multimedia Learning **Author In Progress** Therese Walsh, 2016-11-01 Empower Your Writing Through Craft and Community Writing can be a lonely profession plagued by blind stumbles writer s block and despair but it doesn t have to be Written by members of the popular Writer Unboxed website Author in Progress is filled with practical candid essays to help you reach the next rung on the publishing ladder By tracking your creative journey from first draft to completion and beyond you can improve your craft find your community and overcome the mental barriers that stand in the way of success Author in Progress is the perfect no nonsense guide for excelling at every step of the novel writing process from setting goals researching and drafting to giving and receiving critiques polishing prose and seeking publication You ll love Author in Progress if You re an aspiring novelist working on your first book You re an experienced veteran looking for ways to enhance your career and connect with your writing community You ve finished your first draft and want to know the next steps You re seeking clear effective advice about publication from professionals who are down in the trenches every day What s Inside Author in Progress features More than 50 essays from best selling authors editors and industry leaders on a variety of writing and publishing topics Advice on writing first drafts conducting research building and fostering community seeking critique revising and getting published An encouraging approach to the writing and publishing process from authors who ve walked this path
