Everything parents need to help their kids succeed in social studies The only comprehensive social studies skill-building series available, the Get Ready! For Social Studies series equips proactive parents with the tools they need to help their children develop the core skills required to perform at grade level in social studies-related subjects. This title covers the foundations of American government, the rights and responsibilities of U.S. citizens, the three-branch organization of American government at federal, state, and local levels, and comparative government. Maximize learning and minimize preparation time with lesson plans, activities, and assessment support based on the research of Jay McTighe, co-author of Understanding by Design. Reading Essentials, Student Edition provides concise content of the Student Edition written at a lower grade level, making it perfect for struggling readers and ELL students. Active Reading Note-Taking Guide Workbook Reinforce critical concepts from the text and help students improve their reading-for-information skills with this essential resource, written 2-3 grade levels below the Student Edition NAUTILUS BOOK AWARD SILVER MEDALIST — SOCIAL CHANGE & SOCIAL JUSTICE When the election is over, the work is just beginning. The future of America depends on what you do after you vote. Today, women in the United States are more educated and politically ambitious than ever before. However, the record numbers of women running for office, casting votes, and marching for change haven't translated into full and equal political participation. Despite significant progress, women are less likely than men to engage in a range of important political activities—from speaking up on the issues they care about to holding their representatives accountable. Equal parts information and inspiration, After You Vote is both a primer and call-to-action for women of all ages who want to exercise their voices and engage more fully in civic life. It's the ultimate guide to political engagement, filled with practical (and proven) tactics to help women make their voices heard and have an influence on the issues they care about most. This book will help you: • Brush up on civics—federal, state, and local • Prioritize your issues • Use the most effective advocacy tactics • Stick with it for the long haul (politics is a marathon, not a sprint!) The question isn't if you can create change on behalf of the issues you care about. You can. The question is: What's at stake if you don't? This new Vault guide provides an inside look at the opportunities available in government, public affairs, and politics in the nation's capital. Reading Essentials and Study Guide (English and Spanish): Reinforce critical concepts from the text and help students improve their reading-for-information skills with this essential resource, written 2-3 grade levels below the Student Edition Reading Essentials, Student Edition provides concise content of the Student Edition written at a lower grade level, making it perfect for struggling readers and ELL students. Covers questions of behavior at home and in public. "Civics is the study of how government works, but this course is so much more than that. To understand how government ought to work, you first have to know the framework and principles of the people who designed and structured it. Then, you must also be aware of your responsibilities as a citizen within it. The U.S. Constitution impacts your life and future in ways you probably never imagined. Now delve into the history and everyday applications of the Constitution as you learn how: The three branches of government are meant to interact - and what happens throughout history when checks and balances have been ignored or circumvented[,] You and other citizens can carefully vet candidates that adhere to the Constitution as it was written[,] To work to support legislation that works within constitutional boundaries and not special political party interests[,] The U.S. Constitution remains one of the most amazing safeguards of liberty ever written, but it only works if "we the people" know not just our rights, but the way the government is designed to work - not for the benefit of an all-powerful federal government or per the whims of a judge or political party - but the actual protections at every level that are designed to keep power in the hands of the population for which it must serve." - amazon.com, 7/16/20. Learning about civics shouldn't be boring. How America Works gives teens a fun, behind-the-scenes look at how the U.S. government works, why they should care and how they can get involved. But this isn't just any old civics primer. Appealing graphics and a conversational tone draw readers in from the very first page. Political cartoons and debates spark critical thought. And age-appropriate explanations make even the most complex civics topics accessible and easy to understand. In short, this comprehensive guide has everything teens need to know about government and civic engagement (and probably don't). 11 easily digestible units From the Declaration of Independence to civil rights and immigration, How America Works helps readers understand the foundations of our nation and the key civic issues facing America today--without dry or complicated language. Ideas for civic engagement It's easy for teens to feel like the government doesn't matter to them. But when they see their interests and concerns reflected on every page, they'll feel empowered to get involved. And we've got plenty of ideas to help them out. Perfect for teachers or parents Your middle- and high-school students are the voters, active citizens, and community leaders of tomorrow. When you give them How America Works, you're giving them a guide to making their voices heard. Exclusive online bonus Order now and get access to online videos, lessons and writing extensions that expand on the topics covered in the book. Here's what we cover: The Declaration of Independence The Constitution The Bill of Rights How Washington Works Supreme Court Cases Every Student Should Know The Presidency Why Voting Matters The Long Struggle for Civil Rights Immigration: Who Gets to Be an American? You and the Media Could You Pass America's Citizenship Test? Reading Essentials and Study Guide (English and Spanish): Reinforce critical concepts from the text and help students improve their reading-for-information skills with this essential resource, written 2-3 grade levels below the Student Edition Print Student Edition Today's political climate has Americans on both sides of the aisle frustrated and looking for new advocacy tools and change. Many want to take action but don't because the process is too confusing and intimidating...until now. Right to Petition is an easy to follow how-to guide that puts the power back into the hands of the people, empowering readers with impactful knowledge and tools including: 40+ sample Congressional asks Common advocate mistakes (and how to avoid them) Networking and timing strategies Real-life case studies outlining what works, what doesn't and why You'll walk away with a deeper understanding of how Congress works and a strong strategic plan for success. Right to Petition is for advocates, activists, and concerned citizens with any level of experience and a passion for sparking change. "The tips I share are actual advocacy secrets from Capitol Hill," says author Nicole Tisdale. "They are the tools staffers and Members of Congress have used and seen hi-powered lobbyists use to get movement and tangible results. My goal is to make Congress understandable and accessible to all." Spanish Reading Essentials and Note-Taking Guide Workbook Civics textbook with an emphasis on the U.S. Constitution and Bill of Rights. Spanish Edition.
