Psychology in Everyday Life
David G. Myers, 2011-02-18. Creating an exceptionally student-friendly textbook in psychology isn't just about making the chapters shorter and pages more colorful. It's about using that type of format to provide a clear portrait of psychological science: concise but not oversimplified, all while continually answering the recurring student question, "What does this have to do with me?" David Myers' brief introduction to psychology, *Psychology in Everyday Life*, certainly does offer brief, easily manageable chapters and a colorful, image-rich design, both shaped by extensive research, class testing, and instructor/student feedback. But what makes it such an exceptional text is what flows through those chapters: rich presentations of psychology's core concepts and field-defining research, examined in context of the everyday lives of all kinds of people around the world and communicated in the captivating storyteller's voice that is instantly recognizable as Myers'. The new edition of *Psychology in Everyday Life* offers an extraordinary amount of new research, effective new inquiry-based study tools, and further design innovations, all while maintaining its trademark brevity and clean layout. And it is accompanied by an innovative media supplements of the same scope as all of David Myers' more comprehensive textbooks.

Myers' Psychology for the AP® Course
David G. Myers, C. Nathan DeWall, 2018-04-02. Thus begins market-leading author David Myers' discussion of developmental psychology in Unit 9 of his new *Myers' Psychology for AP*, Second Edition. With an undeniable gift for writing, Dr. Myers will lead your students on a guided tour of psychological science and poignant personal stories. Dr. Myers teaches, illuminates, and inspires. Four years ago we published this ground-breaking text, which is correlated directly to the AP course. Today we build on that innovation and proudly introduce the 2nd AP Edition. Whether you are new to AP psychology or have many years under your belt, this uniquely AP book program can help you achieve more.

Loose-leaf Version for Psychology
David G. Myers, C. Nathan DeWall, 2015-01-20. David Myers' new partnership with coauthor C. Nathan DeWall matches two dedicated educators and scholars, each passionate about teaching psychological science through writing and interactive media. With this new edition of the #1 bestselling *Psychology*, Myers and DeWall take full advantage of what an integrated text/media learning combination can do. New features move students from reading the chapter to actively learning online. *How Would You Know?* puts students in the role of scientific researcher and includes tutorials on key research design principles. *Assess Your Strengths* self-tests help students learn a little more about themselves and include tips about nurturing key strengths. These and other innovations rest on the same foundations that have always distinguished a new David Myers' edition: exhaustive updating, hundreds of new citations, captivating writing, and the merging of rigorous science with a broad human perspective that engages both the mind and heart.
