[Modeling the Power Consumption and Energy Efficiency of Telecommunications Networks](#) Mar 30 2024 This book introduces the technical foundations and tools for estimating the power consumption of internet networks and services, including a detailed description of how these models are constructed and applied. Modeling the Power Consumption and Energy Efficiency of Telecommunications Networks can be used to gain insight into the construction of mathematical models that provide realistic estimates of the power consumption of internet networks and services. This knowledge enables forecasting the energy footprint of future networks and services to integrate sustainability and environmental considerations into network planning and design. FEATURES Provides the motivation for developing mathematical models for telecommunications network and service power consumption and energy efficiency modeling Presents factors impacting overall

network and service power consumption Discusses the types of network equipment and their power consumption profiles Reviews the basics of power modeling, including network segmentation, traffic forecasting, top-down and bottom-up models, wired and wireless networks, data centers and servers Explores the application of energy efficiency metrics for equipment, networks, and services This book is aimed at students and technologists as well as technology managers and policy makers. This book will be of value to any organization that wishes to estimate the energy footprint of the use of information and communications technologies. This book can also be integrated into a course on the sustainability of information and communications technologies.

**Green Networking** Jul 02 2024 This book focuses on green networking, which is an important topic for the scientific community composed of engineers, academics, researchers and industrialists working in the networking field. Reducing the environmental impact of the communications infrastructure has become essential with the ever increasing cost of energy and the need for reducing global CO2 emissions to protect our environment. Recent advances and future directions in green networking are presented in this book, including energy efficient networks (wired networks, wireless networks, mobile networks), adaptive networks (cognitive radio networks, green autonomic networking), green terminals, and industrial research into green networking (smart city, etc.).

**802.11 Wireless Networks: The Definitive Guide** Apr 30 2024 As we all know by now, wireless networks offer many advantages over fixed (or wired) networks. Foremost on that list is mobility, since going wireless frees you from the tether of an Ethernet cable at a desk. But that's just the tip of the cable-free iceberg. Wireless networks are also more flexible, faster and easier for you to use, and more affordable to deploy and maintain. The de facto standard for wireless networking is the 802.11 protocol, which includes Wi-Fi (the wireless standard known as 802.11b) and its faster cousin, 802.11g. With easy-to-install 802.11 network hardware available everywhere you turn, the choice seems simple, and many people dive into wireless computing with less thought and planning than they'd give to a wired network. But it's wise to be familiar with both the capabilities and risks associated with the 802.11 protocols. And *802.11 Wireless Networks: The Definitive Guide, 2nd Edition* is the perfect place to start. This updated edition covers everything you'll ever need to know about wireless technology. Designed with the system administrator or serious home user in mind, it's a no-nonsense guide for setting up 802.11 on Windows and Linux. Among the wide range of topics covered are discussions on: deployment considerations network monitoring and performance tuning wireless security issues how to use and select access points network monitoring essentials wireless card configuration security issues unique to wireless networks With wireless technology, the advantages to its users are indeed plentiful. Companies no longer have to deal with the hassle and expense of wiring buildings, and households with several computers can avoid fights over who's online. And now, with *802.11 Wireless Networks: The Definitive Guide, 2nd Edition*, you can integrate wireless technology into your current infrastructure with the utmost confidence.

**Indecent Obsession** Apr 18 2023 Six years after tragedy drove her from the Hollywood scene, actress Vicky Hale is ready for a comeback. She's found the right role in just the right movie, and if everything goes according to plan, it'll launch her back onto the A-list. But she's also attracted the attention of a stalker with a dangerous, indecent obsession. Enter Ryan Flint, a bodyguard so sexy he makes her weak at the knees. Ryan's the best in the business, a consummate professional who plays by the rules and never mixes business with pleasure. That means Vicky's off-limits, but with each passing day, it's getting harder to ignore the sizzling chemistry that might burn them both. Not to mention, letting her into his life means sharing secrets from his past that he'd rather leave dead and buried. In the end, he'll do what it takes to keep her safe, but the greatest risk might be to his heart. \*\*\*A sizzling standalone romance\*\*\* \*\*\*Each book of the Southern Alphas Series follows a different couple.\*\*\*

**The Year After You** Nov 13 2022 "I love this sad, beautiful, hopeful book." --Kathleen Glasgow, New York Times bestselling author of *Girl in Pieces* and *How to Make Friends With the Dark* For fans of Nina LaCour and Jennifer Niven, a richly layered novel that's both uplifting and heartbreaking, about piecing yourself together after loss and the dark truths we choose to keep from each other and ourselves. San Francisco. New Year's Eve. A tragic accident after the party of the year. Cara survives. Her best friend, G, doesn't. Nine months later, Cara is still struggling, consumed by grief and a dark secret she'd rather forget. In the hopes of offering a fresh start, her mother sends her to boarding school in Switzerland, a place where no one knows what happened--and where they never will, if Cara can help it. But her new classmates Ren and Hector won't let her close herself off. They are determined to break down the walls she has so carefully built up. And maybe Cara wants them to . . . especially Hector, who seems to understand her like no one else does. The problem is that the closer Cara gets to Hector, the more G slips away. If moving on means letting go of the past--and admitting what she did that night--Cara's not sure how. But a second chance awaits, if she can only find the strength within herself. "A poignant exploration of grief, guilt, and forgiveness." --Sophie Kinsella, New York Times bestselling author of *Finding Audrey* and the *Shopaholic* series "Transportive and redemptive, this is a gentle story about the universality of grief, the beauty of self-forgiveness, and how new friendship can help heal old wounds."--Ashley Woodfolk, author of *The Beauty That Remains* and *When You Were Everything* "Atmospheric....this is a delicious read."-Irish Times "A good choice for readers who enjoyed Stephanie Perkins's *Anna and the French Kiss* and Gayle Forman's *If I Stay*."--SLJ

**Born of the Shadows** Aug 11 2022 Proud and rebellious, Gideon is banished from the Light. His own words define his punishment, transforming bloodlust into literal hunger. Living by his sword, he wanders the land of mortals, embittered and alone. Naomi works in secret, illuminating manuscripts for the Knights of St. John. Gideon is drawn to her beauty and fascinated by her innocence. She stirs the shattered remnants of his nobility, intensifying the conflict already raging within him. Gideon is unlike anyone Naomi has ever encountered before. His passionate kisses and intoxicating caresses leave her restless and wanting. Still, she senses the bleak loneliness he tries so hard to deny. Responding to his seduction with tenderness, she is determined to help him rediscover the beauty in life. The battle lines are drawn. Gideon must seek redemption or Fall. Naomi must lead her Rebel Angel back into the light before the forces of darkness have their way. Note: This book was previously published elsewhere under the same title and has been re-edited for Cerridwen Press.

**Let Us Not Forget** Oct 13 2022 Over 70 authors and veterans share the sacrifices so many of America's veterans have made, in peacetime and in war, throughout the 20th century. You'll read about Duty, Honor, Courage - from the testing of a submarine, to the loss of the Space Shuttle Challenger, to the everyday sacrifice of men and women in uniform, whether serving during peace or war. You'll walk bloodied beaches, soar over enemy turf, pray, crawl in and out of caves, tend the wounded, shoot and be shot at, feel your heart race with fright as flak comes at you from every direction...walk the deck...hit the deck...feel the heat as fire dances across the deck, into the cockpit

and into the foxhole you occupy. Your heart will constrict as the man in front of you takes the bullet meant for you. You'll know the painful bite of shrapnel, the gnawing ache hunger brings and red-hot anger as a comrade falls. But most of all, you'll experience total, unabridged fear as you watch the enemy advance through the eyes of the author, and a swelling of pride as you meet America's veterans.

**Desired By Four** Feb 14 2023 Falling in love isn't supposed to be literal... Except if you're a witch who's cast a soulmate spell... Turns out love magic isn't the kind you dabble with. First there's Dixon with his sweet midwestern twang. Then there's action-hero-hot Mateo, who literally swooped in and saved my life... plus his three insanely handsome brothers. The universe definitely heard my call and it's raining men alright. It seems that controlling the magnetic attraction is where it gets tricky, especially if you mistakenly call upon a magical being, intent on killing you and stealing your power. Whoops. Fortunately I've got four hot shifter protectors because I'm gonna need 'em. **Desired by Four** is a fast-paced, steamy reverse harem paranormal shifter romance. 18+

~~~~~ If you are a fan of Amelia Wilson, Lisa Daniels, Sharan Daire, Cassie Cole and Stephanie Brother, you're going to love this reverse harem paranormal romance!
