# Conversations With David Foster Wallace Stephen J Burn

*Conversations with David Foster Wallace* Stephen Burn, 2012-03-08 Conversations with the author of *A Supposedly Fun Thing I'll Never Do Again* *Brief Interviews with Hideous Men and Infinite Jest* [David Foster Wallace's Infinite Jest, Second Edition](#) Stephen J. Burn, 2012-04-26 *Infinite Jest* has been hailed as one of the great modern American novels and its author David Foster Wallace who committed suicide in 2008 as one of the most influential and innovative authors of the past 20 years Don DeLillo called *Infinite Jest* a three stage rocket to the future a work equal to the huge babbling spin out sweep of contemporary life while *Time Magazine* included *Infinite Jest* on its list of 100 Greatest Novels published between 1923 2006 David Foster Wallace's *Infinite Jest A Reader's Guide* was the first book to be published on the novel and is a key reference for those who wish to explore further *Infinite Jest* has become an exemplar for difficulty in contemporary Fiction its 1 079 pages full of verbal invention oblique narration and a scattered nonlinear chronology In this comprehensively revised second edition Burn maps Wallace's influence on contemporary American fiction outlines Wallace's poetics and provides a full length study of the novel drawing out the most important themes and ideas before surveying Wallace's post *Infinite Jest* output including *The Pale King* **David Foster Wallace: The Last Interview** David Foster Wallace, 2012-12-18 In intimate and eloquent interviews including the last he gave before his suicide the writer hailed by A O Scott of *The New York Times* as the best mind of his generation considers the state of modern America entertainment and discipline adulthood literature and his own inimitable writing style In addition to Wallace's last interview the volume features a conversation with Dave Eggers a revealing Q A with the magazine of his alma mater Amherst his famous Salon interview with Laura Miller following the publication of *Infinite Jest* and more These conversations showcase and illuminate the traits for which Wallace remains so beloved his incomparable humility and enormous erudition his wit sensitivity and humanity As he eloquently describes his writing process and motivations displays his curiosity by time and again turning the tables on his interviewers and delivers thoughtful idiosyncratic views on literature politics entertainment and discipline and the state of modern America a fuller picture of this remarkable mind is revealed **A Companion to David Foster Wallace Studies** M. Boswell, S. Burn, 2013-03-20 Criticism of the work of David Foster Wallace has tended to be atomistic focusing on a single aspect of individual works *A Companion to the Work of David Foster Wallace* is designed as a professional study of all of Wallace's creative work This volume includes both thematic essays and focused examinations of each of his major works of fiction *Brief Interviews with Hideous Men* David Foster Wallace, 2009-09-24 In this thought provoking and playful short story collection David Foster Wallace nudges at the boundaries of fiction with inimitable wit and seductive intelligence Wallace's stories present a world where the bizarre and the banal are interwoven and where hideous men appear in many guises Among the stories are *The Depressed Person* a dazzling and blackly humorous portrayal of a woman's mental state *Adult*

World which reveals a woman's agonized consideration of her confusing sexual relationship with her husband and Brief Interviews with Hideous Men a dark hilarious series of imagined interviews with men on the subject of their relations with women Wallace delights in leftfield observation mining the absurd the surprising and the illuminating from every situation This collection will enthrall DFW fans and provides a perfect introduction for new readers **Every Love Story Is a Ghost Story** D. T. Max, 2012-08-30 The acclaimed New York Times bestselling biography and emotionally detailed portrait of the artist as a young man Michiko Kakutani The New York Times In the first biography of the iconic David Foster Wallace D T Max paints the portrait of a man self conscious obsessive and struggling to find meaning If Wallace was right when he declared he was frightfully and thoroughly conventional it is only because over the course of his short life and stunning career he wrestled intimately and relentlessly with the fundamental anxiety of being human In his characteristic lucid and quick witted style Max untangles Wallace's anxious sense of self his volatile and sometimes abusive connection with women and above all his fraught relationship with fiction as he emerges with his masterpiece Infinite Jest Written with the cooperation of Wallace's family and friends and with access to hundreds of unpublished letters manuscripts and journals this captivating biography unveils the life of the profoundly complicated man who gave voice to what we thought we could not say

**The Pale King** David Foster Wallace, 2011-04-15 The breathtakingly brilliant novel by the author of Infinite Jest New York Times is a deeply compelling and satisfying story as hilarious and fearless and original as anything Wallace ever wrote The agents at the IRS Regional Examination Center in Peoria Illinois appear ordinary enough to newly arrived trainee David Foster Wallace But as he immerses himself in a routine so tedious and repetitive that new employees receive boredom survival training he learns of the extraordinary variety of personalities drawn to this strange calling And he has arrived at a moment when forces within the IRS are plotting to eliminate even what little humanity and dignity the work still has The Pale King remained unfinished at the time of David Foster Wallace's death but it is a deeply compelling and satisfying novel hilarious and fearless and as original as anything Wallace ever undertook It grapples directly with ultimate questions questions of life's meaning and of the value of work and society through characters imagined with the interior force and generosity that were Wallace's unique gifts Along the way it suggests a new idea of heroism and commands infinite respect for one of the most daring writers of our time The Pale King is by turns funny shrewd suspenseful piercing smart terrifying and rousing Laura Miller Salon **Global Wallace** Lucas Thompson, 2018-06-28 David Foster Wallace is invariably seen as an emphatically American figure Lucas Thompson challenges this consensus arguing that Wallace's investments in various international literary traditions are central to both his artistic practice and his critique of US culture Thompson shows how time and again Wallace's fiction draws on a diverse range of global texts appropriating various forms of world literature in the attempt to craft fiction that critiques US culture from oblique and unexpected vantage points Using a wide range of comparative case studies and drawing on extensive archival research Global Wallace reveals David Foster Wallace's

substantial debts to such unexpected figures as Jamaica Kincaid Julio Cortázar Jean Rhys Octavio Paz Leo Tolstoy Zbigniew Herbert and Albert Camus among many others It also offers a more comprehensive account of the key influences that Wallace scholars have already perceived such as Fyodor Dostoevsky Franz Kafka and Manuel Puig By reassessing Wallace's body of work in relation to five broadly construed geographic territories Latin America Russia Eastern Europe France and Africa the book reveals the mechanisms with which Wallace played particular literary traditions off one another showing how he appropriated vastly different global texts within his own fiction By expanding the geographic coordinates of Wallace's work in this way Global Wallace reconceptualizes contemporary American fiction as being embedded within a global exchange of texts and ideas

*Conversations with David Foster Wallace* Stephen J. Burn, 2012-03-08 Across two decades of intense creativity David Foster Wallace 1962-2008 crafted a remarkable body of work that ranged from unclassifiable essays to a book about transfinite mathematics to vertiginous fictions Whether through essay volumes *A Supposedly Fun Thing I'll Never Do Again* *Consider the Lobster* short story collections *Girl with Curious Hair* *Brief Interviews with Hideous Men* *Oblivion* or his novels *Infinite Jest* *The Broom of the System* the luminous qualities of Wallace's work recalibrated our measures of modern literary achievement *Conversations with David Foster Wallace* gathers twenty-two interviews and profiles that trace the arc of Wallace's career shedding light on his omnivorous talent Jonathan Franzen has argued that for Wallace an interview provided a formal enclosure in which the writer could safely draw on his enormous native store of kindness and wisdom and expertise Wallace's interviews create a wormhole in which an author's private theorizing about art spill into the public record Wallace's best interviews are vital extra-literary documents in which we catch him thinking aloud about his signature concerns irony's magnetic hold on contemporary language the pale last days of postmodernism the delicate exchange that exists between reader and writer At the same time his acute focus moves across MFA programs his negotiations with religious belief the role of footnotes in his writing and his multifaceted conception of his work's architecture *Conversations with David Foster Wallace* includes a previously unpublished interview from 2005 and a version of Larry McCaffery's influential *Review of Contemporary Fiction* interview with Wallace that has been expanded with new material drawn from the original raw transcript

[David Foster Wallace and "The Long Thing"](#) Marshall Boswell, 2014-07-31

Of the twelve books David Foster Wallace published both during his lifetime and posthumously only three were novels Nevertheless Wallace always thought of himself primarily as a novelist From his college years at Amherst when he wrote his first novel as part of a creative honors thesis to his final days Wallace was buried in a novel project which he often referred to as the Long Thing Meanwhile the short stories and journalistic assignments he worked on during those years he characterized as playing hooky from a certain Larger Thing Wallace was also a specific kind of novelist devoted to producing a specific kind of novel namely the omnivorous culture-consuming encyclopedic novel as described in 1976 by Edward Mendelson in a ground-breaking essay on Thomas Pynchon's *Gravity's Rainbow* *David Foster Wallace and The Long Thing* is

a state of the art guide through Wallace s three major works including the generation defining *Infinite Jest* These essays provide fresh new readings of each of Wallace s novels as well as thematic essays that trace out patterns and connections across the three works Most importantly the collection includes six chapters on Wallace s unfinished novel *The Pale King* which will prove to be foundational for future scholars of this important text

**Approaches to Teaching the Works of David Foster Wallace** Stephen J. Burn, Mary K. Holland, 2019-08-01 David Foster Wallace s works engage with his literary moment roughly summarized as postmodernism and with the author s historical context From his famously complex fiction to essays critical of American culture Wallace s works have at their core essential human concerns such as self understanding connecting with others ethical behavior and finding meaning The essays in this volume suggest ways to elucidate Wallace s philosophical and literary preoccupations for today s students who continue to contend with urgent issues both personal and political through reading literature Part 1 Materials offers guidance on biographical contextual and archival sources and critical responses to Wallace s writing The essays in part 2 Approaches discuss teaching key works and genres in high school settings first year undergraduate writing classes American literature surveys seminars on Wallace and world literature courses They examine Wallace s social and philosophical contexts and contributions treating topics such as gender literary ethics and the culture of writing programs

Understanding David Foster Wallace Marshall Boswell, 2020-09-30 Since its publication in 2003 *Understanding David Foster Wallace* has served as an accessible introduction to the rich array of themes and formal innovations that have made Wallace s fiction so popular and influential A seminal text in the burgeoning field of David Foster Wallace studies the original edition of *Understanding David Foster Wallace* was nevertheless incomplete as it addressed only his first four works of fiction namely the novels *The Broom of the System* and *Infinite Jest* and the story collections *Girl with Curious Hair* and *Brief Interviews with Hideous Men* This revised edition adds two new chapters covering his final story collection *Oblivion* and his posthumous novel *The Pale King* Tracing Wallace s relationship to modernism and postmodernism this volume provides close readings of all his major works of fiction Although critics sometimes label Wallace a postmodern writer Boswell argues that he should be regarded as the nervous leader of some still unnamed and perhaps unnamable third wave of modernism In charting a new direction for literary practice Wallace does not seek to overturn postmodernism nor does he call for a return to modernism Rather his work moves resolutely forward while hoisting the baggage of modernism and postmodernism heavily but respectfully on its back Like the books that serve as its primary subject Boswell s study directly confronts such arcane issues as postmodernism information theory semiotics the philosophy of Ludwig Wittgenstein and poststructuralism yet it does so in a way that is comprehensible to a wide and general readership the very same readership that has enthusiastically embraced Wallace s challenging yet entertaining and redemptive fiction

*Jonathan Franzen at the End of Postmodernism* Stephen J. Burn, 2011-10-27 Jonathan Franzen is one of the most influential critically significant and popular contemporary American novelists This book is the first full length study

of his work and attempts to articulate where American fiction is headed after postmodernism Stephen Burn provides a comprehensive analysis of each of Franzen's novels from his early work to the major success of *The Corrections* identifying key sources delineating important narrative strategies and revealing how Franzen's themes are reinforced by each novel's structure Supplementing this analysis with comparisons to key contemporaries David Foster Wallace and Richard Powers Burn suggests how Franzen's work is indicative of the direction of experimental American fiction in the wake of the so called end of postmodernism

**The David Foster Wallace Reader** David Foster Wallace, 2014-11-11 Where do you begin with a writer as original and brilliant as David Foster Wallace Here with a carefully considered selection of his extraordinary body of work chosen by a range of great writers critics and those who worked with him most closely This volume presents his most dazzling funniest and most heartbreaking work essays like his famous cruise ship piece *A Supposedly Fun Thing I'll Never Do Again* excerpts from his novels *The Broom of the System* *Infinite Jest* and *The Pale King* and legendary stories like *The Depressed Person* Wallace's explorations of morality self consciousness addiction sports love and the many other subjects that occupied him are represented here in both fiction and nonfiction Collected for the first time are Wallace's first published story *The View from Planet Trillaphon as Seen In Relation to the Bad Thing* and a selection of his work as a writing instructor including reading lists grammar guides and general guidelines for his students A dozen writers and critics including Hari Kunzru Anne Fadiman and Nam Le add afterwords to favorite pieces expanding our appreciation of the unique pleasures of Wallace's writing The result is an astonishing volume that shows the breadth and range of one of America's most daring and talented writers *Los Angeles Times Book Review* whose work was full of humor insight and beauty

**David Foster Wallace: The Last Interview Expanded with New Introduction** David Foster Wallace, 2018-08-28 An expanded edition featuring new interviews and an introduction by the editor a *New York Times* journalist and friend of the author A unique selection of the best interviews given by David Foster Wallace including the last he gave before his suicide in 2008 Complete with an introduction by Foster Wallace's friend and *NY Times* journalist David Streitfeld And including a new never before published interview between Streitfeld and Wallace

*A Supposedly Fun Thing I'll Never Do Again* David Foster Wallace, 2009-11-23 These widely acclaimed essays from the author of *Infinite Jest* on television tennis cruise ships and more established David Foster Wallace as one of the preeminent essayists of his generation In this exuberantly praised book a collection of seven pieces on subjects ranging from television to tennis from the *Illinois State Fair* to the films of David Lynch from postmodern literary theory to the supposed fun of traveling aboard a Caribbean luxury cruiseliner David Foster Wallace brings to nonfiction the same curiosity hilarity and exhilarating verbal facility that has delighted readers of his fiction including the bestselling *Infinite Jest*

**Ordinary Unhappiness** Jon Baskin, 2019 This book approaches David Foster Wallace not only as a fiction writer but also as a cultural critic and a moral philosopher whose formal innovations were intended as therapies for the pervasive dis eases of our time

Players Don DeLillo, 2012-03-28 In *Players* DeLillo explores

the dark side of contemporary affluence and its discontents Pammy and Lyle Wynant are an attractive modern couple who seem to have it all Yet behind their ideal life is a lingering boredom and quiet desperation their talk is mostly chatter their sex life more a matter of obligatory satisfaction than pleasure Then Lyle sees a man killed on the floor of the Stock Exchange and becomes involved with the terrorists responsible Pammy leaves for Maine with a homosexual couple And still they remain untouched players indifferent to the violence that surrounds them and that they have helped to create Originally published in 1977 before his National Book Award winning *White Noise* and the recent blockbuster *Underworld* *Players* is a fast moving yet starkly drawn socially critical drama that demonstrates the razor sharp prose and thematic density for which DeLillo is renowned today The wit elegance and economy of Don DeLillo's art are equal to the bitter clarity of his perceptions

New York Times Book Review **Conversations with Billy Collins** John Cusatis, 2022-07-27 Billy Collins puts the fun back in profundity says poet Alice Fulton Known for what he has called hospitable poems which deftly blend wit and erudition Collins b 1941 is a poet of nearly unprecedented popularity His work is also critically esteemed and well represented in *The Norton Anthology of American Literature* An English professor for five decades Collins was fifty seven when his poetry began gathering considerable international attention *Conversations with Billy Collins* chronicles the poet's career beginning with his 1998 interview with Terry Gross on *Fresh Air* which exponentially expanded his readership three years prior to his being named United States Poet Laureate Other interviewers range from George Plimpton founder of the *Paris Review* to Pulitzer Prize winning poet Henry Taylor to a Presbyterian pastor a physics professor and a class of AP English Literature students Over the course of the twenty one interviews included in the volume Collins discusses such topics as discovering his persona that consistently affable voice that narrates his often wildly imaginative poems why poetry is so loved by children but often met with anxiety by high school students and his experience composing a poem to be recited during a joint session of Congress on the first anniversary of 9 11 a tragedy that occurred during his tenure as poet laureate He also explores his love of jazz his distaste for gratuitously difficult poetry and autobiographical poems and his beguiling invention of a mock poetic form the *paradelle* Irreverent incisive and deeply life affirming like his twelve volumes of poetry these interviews gathered for the first time in one volume will edify and entertain readers in the way his sold out readings have done for the past quarter century

[Although Of Course You End Up Becoming Yourself](#) David Lipsky, 2010-04-13 NOW A MAJOR MOTION PICTURE STARRING JASON SEGAL AND JESSE EISENBERG DIRECTED BY JAMES PONSOLDT An indelible portrait of David Foster Wallace by turns funny and inspiring based on a five day trip with award winning writer David Lipsky during Wallace's *Infinite Jest* tour In David Lipsky's view David Foster Wallace was the best young writer in America Wallace's pieces for Harper's magazine in the 90s were according to Lipsky like hearing for the first time the brain voice of everybody I knew Here was how we all talked experienced thought It was like smelling the damp in the air seeing the first flash from a storm a mile away You knew something gigantic was coming Then *Rolling Stone* sent Lipsky to join Wallace on the last leg of

his book tour for Infinite Jest the novel that made him internationally famous They lose to each other at chess They get iced in at an airport They dash to Chicago to catch a make up flight They endure a terrible reader s escort in Minneapolis Wallace does a reading a signing an NPR appearance Wallace gives in and imbibes titanic amounts of hotel television what he calls an orgy of spectation They fly back to Illinois drive home walk Wallace s dogs Amid these everyday events Wallace tells Lipsky remarkable things everything he can about his life how he feels what he thinks what terrifies and fascinates and confounds him in the writing voice Lipsky had come to love Lipsky took notes stopped envying him and came to feel about him that grateful awake feeling the same way he felt about Infinite Jest Then Lipsky heads to the airport and Wallace goes to a dance at a Baptist church A biography in five days Although Of Course You End Up Becoming Yourself is David Foster Wallace as few experienced this great American writer Told in his own words here is Wallace s own story and his astonishing humane alert way of looking at the world here are stories of being a young writer of being young generally trying to knit together your ideas of who you should be and who other people expect you to be and of being young in March of 1996 And of what it was like to be with and as he tells it what it was like to become David Foster Wallace If you can think of times in your life that you ve treated people with extraordinary decency and love and pure uninterested concern just because they were valuable as human beings The ability to do that with ourselves To treat ourselves the way we would treat a really good precious friend Or a tiny child of ours that we absolutely loved more than life itself And I think it s probably possible to achieve that I think part of the job we re here for is to learn how to do it I know that sounds a little pious David Foster Wallace
