## Playground 50 Cent

*Playground* 50 Cent, 2011-11-01 Thirteen year old Butterball doesn't have much going for him. He's teased mercilessly about his weight. He hates the Long Island suburb his mom moved them to and wishes he still lived with his dad in the city. And now he's stuck talking to a totally out of touch therapist named Liz. Liz tries to uncover what happened that day on the playground a day that landed one kid in the hospital and Butterball in detention. Butterball refuses to let her in on the truth and while he evades her questions he takes readers on a journey through the moments that made him into the playground bully he is today. This devastating yet ultimately redemptive story is told in voice-driven prose and accented with drawings and photographs making it a natural successor to *The Absolutely True Diary of a Part Time Indian*. Loosely inspired by 50 Cent's own adolescence and written with his fourteen year old son in mind *Playground* is sure to captivate wide attention and spark intense discussion.

**Formula 50** 50 Cent, Jeff O'Connell, 2012-12-27 Get fit like 50 Cent. The phenomenally fit superstar rapper reveals his strategic six week workout plan for achieving a ripped body and developing the mental toughness to stay in shape for a lifetime. Survival is a recurring theme of 50 Cent's lyrics and his life. That's why with obesity rates soaring and fitness levels declining he wants to give everyone an all access pass to his premium plan for lifelong fitness. In *Formula 50* the mega successful entertainer and entrepreneur unleashes the power of metabolic resistance training (MRT) the key ingredient that has helped him achieve the famously buff physique that makes his music videos sizzle. Through MRT 50 Cent's fitness plan breaks down the barriers between traditional weight training and cardio workouts accelerating fat loss while building muscle and improving overall fitness. Designed for a six week rollout for total mind/body transformation the *Formula 50* regimen builds willpower while it builds physical power. In addition to motivation nutrition is another key element readers will discover the unique dietary combinations that fuel 50 Cent's workouts. Coauthored with Jeff O'Connell health journalist and editor in chief at *Bodybuilding.com* the world's largest fitness website the book delivers a payoff that goes beyond six pack abs and flab free pecs. This is a fitness plan that boosts energy endurance flexibility and mobility. The result is a body you've always dreamed of and the mindset to attain the rest of your dreams.
