**Brief Java** May 05 2024 Brief Java: Early Objects, 9th Edition focuses on the essentials of effective learning and is suitable for a two-semester introduction to programming sequence. This text requires no prior programming experience and only a modest amount of high school algebra. Objects and classes from the standard library are used where appropriate in early sections with coverage on object-oriented design starting in Chapter 8. This gradual approach allows students to use objects throughout their study of the core algorithmic topics,

without teaching bad habits that must be un-learned later. Choosing the enhanced eText format allows students to develop their coding skills using targeted, progressive interactivities designed to integrate with the eText. All sections include built-in activities, open-ended review exercises, programming exercises, and projects to help students practice programming and build confidence. These activities go far beyond simplistic multiple-choice questions and animations. They have been designed to guide students along a learning path for mastering the complexities of programming. Students demonstrate comprehension of programming structures, then practice programming with simple steps in scaffolded settings, and finally write complete, automatically graded programs. The perpetual access VitalSource Enhanced eText, when integrated with your school's learning management system, provides the capability to monitor student progress in VitalSource SCORECenter and track grades for homework or participation. Enhanced eText and interactive functionality available through select vendors and may require LMS integration approval for SCORECenter.

Government by the People, Brief Edition, Books a la Carte Plus MyPoliSciLab Mar 03 2024 For today's busy student, we've created a new line of highly portable books at affordable prices. Each title in the Books à la Carte Plus program features the exact same content from our traditional textbook in a convenient notebook-ready, loose-leaf version — allowing students to take only what they need to class. As an added bonus, each Books à la Carte Plus edition is accompanied by an access code to all of the resources found in one of our best-selling multimedia products. Best of all? Our Books à la Carte Plus titles cost less than a used textbook! Building on decades of authoritative scholarship, this completely updated text continues to offer accessible, carefully crafted, and straightforward coverage of the foundations of American politics, as well as consistent focus on the achievements of a government by the people In an increasingly cynical world, GBTP emphasizes that politics matters and encourages, motivates, and even inspires students—with accounts of individual and collective acts of courageousness, intellect, and integrity in the political arena—to be effective and informed citizens. With each chapter now framed by nationally-selected learning objectives and chapter mastery self-tests, several compelling new features, and an all new contemporary design, this thoroughly updated Twenty-Third Edition continues in the book's long tradition for excellence. The Brief Edition includes the same coverage as the comprehensive version, but in a more streamlined format. As we enter this very complex political era, there is no more reliable or more relevant text to help you advance your students from being simple onlookers to knowledgeable participants in the American political experience.

**Criminal Justice Today** Jul 03 2021 This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. Once again, Schmalleger is the most current and popular text on the market and continues to lead as the gold-standard among criminal justice texts today! Criminal Justice Today: An Introductory Text for the 21st Century, 13e continues to lead as the gold-standard for criminal

justice texts. Best-selling, student- and instructor-preferred, and time-tested—Schmallegger is the most current and popular text on the market. This textbook guides criminal justice students in the struggle to find a satisfying balance between freedom and security. True to its origins, the thirteenth edition focuses on the crime picture in America and on the three traditional elements of the criminal justice system: police, courts, and corrections. This edition continues to question the viability of our freedoms in a world that has grown increasingly more dangerous. Students are asked to evaluate the strengths and weaknesses of the American justice system as it struggles to adapt to an increasingly multicultural society and to a society in which the rights of a few can threaten the safety of many.

**Curriculum Development** Sep 16 2022 25 individual strategies, currently used worldwide, provide cutting edge information and time-

tested procedures for promoting educational development in today's global age. This highly respected book takes curriculum development to a new level by presenting it as a tool for promoting our nation's future. Author Jon Wiles views the Common Core movement as America's response to a rapidly changing world, and compares our efforts with those of other nations. Getting it right, he states, will determine the national destiny of most countries. The book identifies 25 individual strategies, currently used worldwide, for promoting educational development--strategies that schools, districts, states, and nations will employ in transforming their systems for the new global age. While maintaining its established, well-known focus on historical and philosophical aspects of curriculum development, this edition also includes updated chapters on technology, the Common Core movement, and the curriculum activities of the world's leading nations, along with practical applications of these historic and novel principles of curriculum work. This book provides the ideal teaching and learning experience. Here's how: Encourages diversity in curriculum goal setting. Provides features and activities for promoting self-assessment and helping to ensure understanding. Emphasises a global approach and a worldview of curriculum development.
