Posner, 2005-12-16 THE MOST TRUSTED SOURCE ON BECOMING A BETTER LEADER Leadership Matters Leadership is not a fad It s a fact It s not here today gone tomorrow It s here today and here forever Leadership makes a difference Try naming one significant movement that wandered leaderless into the history books And leadership matters most in times of uncertainty The study of leadership is the study of how men and women guide us through adversity uncertainty hardship disruption transformation transition recovery and new beginnings Challenge is the opportunity for greatness Given the daunting challenges we face today the potential for greatness is phenomenal People matter Even in today s wired world it s not the web of technology but the web of people that matters most Leaders can t do it alone Success in any project organization enterprise and in life has been is now and will continue to be a function of how well people work and engage with each other Success in leadership depends on your capacity to build and sustain collaborative human relationships You matter People who become leaders don t always seek the challenges they face Challenges also seek leaders It s not so important whether you find the challenges or they find you What is important are the choices you make when stuff happens The next time you say to yourself Why don t they do something about this look in the mirror Ask the person you see Why don t I do something about this The legacy that you leave will be the life that you lead
