Margaret is determined to save her dad even if it means using her family's secret and forbidden ability to time travel. With the help of her best friend Charlie and his grandpa Josh, Margaret goes back to a time when Judge Biggs was a young boy and tries to prevent the chain of events that transformed him into a corrupt, jaded man. But with the forces of history working against her, will Margaret be able to change the past? Or will she be pushed back to a present in which her father is still doomed?
