The Wealth Cure Hill Harper,2011-08-23 The perennial New York Times bestselling author helps readers discover how to put money in its place and use wealth building as a tool for joy and fulfillment Hill Harper is uniquely poised to guide readers through tough times and offers bestselling advice for reaping the rewards of a truly happy life With *The Wealth Cure* he does more than that He presents a revolutionary new definition of wealth motivating readers to not only build financial security but to also achieve wealth in every aspect of their lives Using his own journey as a parable Harper inspires the reader to evaluate their values while explaining the importance of laying a sound financial foundation and how to recognize the worth of your relationships and increase the value of your interactions with the people in your life Drawing on his personal recollections and true stories from family and friends Harper helps readers begin to see money not as a goal but as a tool that provides freedom for following their passions The keys include investing in yourself tapping the resources you need and taking responsibility for how those resources are used Far from a get rich quick primer *The Wealth Cure* brims with inspired wisdom for building a lasting bounty from the experiences loved ones and achievements that really matter

The Conversation Hill Harper,2009-09-08 In his first book for adults New York Times bestselling author Hill Harper invites you to join the Conversation an honest dialogue about the breakdown of African American relationships For generations African Americans have turned to their families in times of need but now this proud and strong legacy is in peril Black men and women have stopped communicating effectively and it threatens the very relationships and marriages necessary to sustain the Black family Today less than a third of Black children are being raised in two parent households a sharp decline from past generations So why is it so difficult for Black men and women to build long term loving and mutually beneficial relationships What is happening in the community that makes it so hard for women and men to find their way to each other And why are there so few people who manage to hold a marriage together even after finding a person to love In his moving yet practical book Hill Harper undertakes a journey both universal and deeply personal in search of answers to these questions He has conversations with friends and strangers married single and divorced and learns about their private struggles emotional vulnerabilities and real concerns and begins to see common themes emerge As his journey picks up momentum Hill begins to recognize his own struggles in other people s stories and is encouraged to more deeply examine his own relationship issues Why does so much misinformation and mistrust exist between the sexes Hill addresses the stereotypes that have developed in the Black community in the hope that by addressing the challenges Black men and women can find their way to common ground *The Conversation* aims to open up the lines of communication and offers inspiration to those who want to take control of this crisis and start building successful sustainable relationships

My Sister, My Enemy Kaysee Smalley,2003-03-23 Jealousy will destroy you and everyone around you when it causes hate to control your life My sister s hatred of me destroyed not only both of our lives but our entire family as well

Letters to My Future Husband Lisa McKendrick, 2015 Sophie doesn't know what kind of man she's looking for so her father suggests she write letters to her future husband and come to know him in the process. Trident's Forge Patrick S. Tomlinson, 2016-04-05 New planet New life Same old S Against all odds the Ark and her thirty thousand survivors have reached Tau Ceti G to begin the long arduous task of rebuilding human civilization. Meanwhile on the other side of the world Tau Ceti G's natives the G tel are coming to grips with the sudden appearance of what many believe are their long lost Gods. But first contact between humans and G tel goes catastrophically wrong visiting death on both sides. Rumors swirl that the massacre was no accident. The Ark's greatest hero Bryan Benson takes on the mystery. Partnered with native truth digger Kexx against both of their better judgment Benson is thrust into the heart of an alien culture with no idea how to tell who wants to worship him from who wants him dead. Together Benson and Kexx will have to find enough common ground and trust to uncover a plot that threatens to plunge both of their peoples into an apocalyptic war that neither side can afford to fight. *File Under Science Fiction* From the Paperback edition.

Love, Lucas Chantele Sedgwick, 2015-05-05 A 2015 Whitney Award Nominee A powerful story of loss, second chances, and first love reminiscent of Sarah Dessen and John Green. When Oakley Nelson loses her older brother Lucas to cancer, she thinks she'll never recover. Between her parents arguing and the battle she's fighting with depression, she feels nothing inside but a hollow emptiness. When Mom suggests they spend a few months in California with Aunt Jo, Oakley isn't sure a change of scenery will alter anything, but she's willing to give it a try. In California, Oakley discovers a sort of safety and freedom in Aunt Jo's beach house. Once they're settled, Mom hands her a notebook full of letters addressed to her from Lucas. As Oakley reads one each day, she realizes how much he loved her, and each letter challenges her to be better and to continue to enjoy her life. He wants her to move on. If only it were that easy. But then a surfer named Carson comes into her life, and Oakley is blindsided. He makes her feel again. As she lets him in, she is surprised by how much she cares for him, and that's when things get complicated. How can she fall in love and be happy when Lucas never got the chance to do those very same things? With her brother's dying words as guidance, Oakley knows she must learn to listen and trust again. But will she have to leave the past behind to find happiness in the future? Sky Pony Press, with our Good Books, Racehorse, and Arcade imprints, is proud to publish a broad range of books for young readers: picture books for small children, chapter books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft, stories told with LEGO bricks, books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

The Black Male Handbook Kevin Powell, 2008-09-09 Author and activist Kevin Powell and contributors Lasana Omar, Hotep Jeff Johnson, Byron Hurt, Dr. William Jelani Cobb, Ryan Mack, Kendrick B. Nathaniel, and Dr. Andre L. Brown deliver an essential collection of essays for Black men at all stages of their lives on surviving and thriving in an unjust world. The Black Male Handbook answers a collective hunger for new direction, fresh solutions to old problems, and a different kind of conversation, man to man and with Black male voices all from the hip-hop generation. The book tackles issues related to political, practical, cultural, and spiritual matters and ending violence against women and girls. The book also features an appendix filled with useful readings, advice, and resources. The Black Male Handbook is a blueprint for those aspiring to thrive against the odds in America today. This is a must-have book not only for Black male readers but the women who befriend, parent, partner, and love them.

Church Boy Kirk Franklin, 1998-09-29 When he fell from a darkened stage in November 1996 Kirk Franklin could easily have been killed That ten foot plunge might have ended the career of one of America s most exciting young prodigies But thanks to his dramatic recovery the fall added not only a new dimension to his story but it brought Kirk Franklin to the attention of millions who otherwise might never have heard the name Today Kirk Franklin is bigger than ever His recordings have topped the charts selling more copies in less time than any gospel musician in history He has won every award gospel music has to offer but his own success is the last thing on his mind This is the story of a young man from the poor side of town He was taunted and teased as a child but his faith and his remarkable musical talent helped him overcome the odds In these pages Kirk Franklin reveals the real source of his strength What motivates me he says is the knowledge that God has redeemed me from the pain and the hurts and the sin of my past and given me a new joy I can t even explain It s not just for show he says It s the truth and that s what I want to express

Letters From The Earth Mark Twain, 2017-04-04 The Creator sat upon the throne thinking Behind him stretched the illimitable continent of heaven steeped in a glory of light and color before him rose the black night of Space like a wall His mighty bulk towered rugged and mountain like into the zenith and His divine head blazed there like a distant sun At His feet stood three colossal figures diminished to extinction almost by contrast archangels their heads level with His ankle bone When the Creator had finished thinking He said I have thought Behold He lifted His hand and from it burst a fountain spray of fire a million stupendous suns which clove the blackness and soared away and away and away diminishing in magnitude and intensity as they pierced the far frontiers of Space until at last they were but as diamond nailheads sparkling under the domed vast roof of the universe At the end of an hour the Grand Council was dismissed They left the Presence impressed and thoughtful and retired to a private place where they might talk with freedom None of the three seemed to want to begin though all wanted somebody to do it

In Search of Sisterhood Paula J. Giddings, 2009-10-06 *In Search of Sisterhood* is the definitive history of the largest Black women's organization in the United States and is filled with compelling fascinating anecdotes told by the Delta Sigma Theta members themselves illustrated with rare early photographs of the Delta women This book contains the story of Delta Sigma Theta Sorority DST and details the increasing involvement of Black women in the political social and economic affairs of America Founded at a time when liberal arts education was widely seen as either futile dangerous or impractical for Blacks and especially Black women DST is in Giddings's words a compelling reflection of Black women's aspirations for themselves and for society Giddings notes that unlike other organizations with racial goals Delta Sigma Theta was created to change and benefit individuals rather than society As a sorority it was formed to bring women together as sisters but at the same time to address the divisive often class related issues confronting Black women in our society There is in Giddings's eyes a tension between these goals that makes Delta Sigma Theta a fascinating microcosm of the struggles of Black women and their organizations DST members have included Mary McLeod Bethune Mary Church Terrell Margaret Murray Washington Shirley Chisholm Barbara Jordan and on the cultural side Leontyne Price Lena Horne Ruby Dee Judith Jamison and Roberta Flack

Literature for Young Adults Joan L. Knickerbocker, 2017-03-15 Young adults are actively looking for anything that connects them with the changes happening in their lives and the books discussed throughout *Literature for Young Adults* have the potential to make that connection and motivate them to read It explores a great variety of works genres and formats but it places special emphasis on contemporary works whose nontraditional themes protagonists and literary conventions make them well suited to young adult readers It also looks at the ways in which contemporary readers access and share the works they're reading and it shows teachers ways to incorporate nontraditional ways of accessing and sharing books throughout their literature programs In addition to traditional genre chapters *Literature for Young Adults* includes chapters on literary nonfiction poetry short stories and drama cover art picture books illustrated literature and graphic novels and film It recognizes that while films can be used to complement print literature they are also a literacy format in their own right and one that young adults are particularly familiar and comfortable with The book's discussion of literary language including traditional elements as well as metafictional terms enables readers to share in a literary conversation with their students and others when communicating about books It will help readers teach young adults the language they need to articulate their responses to the books they are reading
