No Greater Love Levi Benkert, Candy Chand, 2012-06-22 Levi Benkert was playing with his children in the park when he received an urgent phone call from a friend asking him to drop everything and fly to Ethiopia to help organize a rescue orphanage for children destined to be murdered as part of a tribal superstition known as mingi killings Moved by his friend's story Levi packed his bags and left for what he thought would be a short two week trip But upon meeting the children Levi knew there was no turning back Six weeks later Levi his wife Jessie and their three young children sold their home and all their belongings and relocated to Ethiopia indefinitely *No Greater Love* documents Levi's journey from the challenges he faced establishing and running the orphanage to finding adoptive homes for the children *Growing God's Family* Samuel L. Perry, 2017-06-13 Illustrates the hidden challenges embedded within the evangelical adoption movement For over a decade prominent leaders and organizations among American Evangelicals have spent a substantial amount of time and money in an effort to address what they believe to be the Orphan Crisis of the United States Yet despite an expansive commitment of resources there is no reliable evidence that these efforts have been successful Adoptions are declining across the board and both foster parenting and foster adoptions remain steady Why have evangelical mobilization efforts been so ineffective To answer this question Samuel L. Perry draws on interviews with over 220 movement leaders and grassroots families as well as national data on adoption and fostering to show that the problem goes beyond orphan care Perry argues that evangelical social engagement is fundamentally self limiting and difficult to sustain because their subcultural commitments lock them into an approach that does not work on a practical level *Growing God's Family* ultimately reveals this peculiar irony within American evangelicalism by exposing how certain aspects of the evangelical subculture may stimulate activism to address social problems even while these same subcultural characteristics undermine their own strategic effectiveness It provides the most recent analysis of dominant elements within the evangelical subculture and how that subculture shapes the engagement strategies of evangelicals as a group ***The Wow of His Word*** Edwina Doyle, 2015-05-21 *The Wow of His Word* answers tough questions about Christianity and the Bible while explaining why the Bible is the handbook for happiness While sharing her own spiritual journey the author shares fascinating stories of martyrs missionaries reformed atheists revivals and miraculous healings that will spark faith in unbelievers and rekindle that of believers *Jantsen's Gift* Pam Cope, 2009-04-16 Nine years ago Pam Cope owned a cozy hair salon in the tiny town of Neosho Missouri and her life revolved around her son's baseball games her daughter's dance lessons and family trips to places like Disney World She had never been out of the country nor had she any desire to travel far from home Then on June 16th 1999 her life changed forever with the death of her 15 year old son from an undiagnosed heart ailment Needing to get as far away as possible from everything that reminded her of her loss she accepted a friend's invitation to travel to Vietnam and from the moment she stepped off the

plane everything she had been feeling since her son's death began to shift. By the time she returned home she had a new mission to use her pain to change the world one small step at a time one child at a time. Today she is the mother of two children adopted from Vietnam. More than that she and her husband have created a foundation called Touch A Life dedicated to helping desperate children in countries as far flung as Vietnam Cambodia and Ghana. Pam Cope's story is on one level a moving personal account of loss and recovery but on a deeper level it offers inspiration to anyone who has ever suffered great personal tragedy or those of us who dream about making a difference in the world.

Fashioned to Reign Kris Vallotton, 2013-08-15

It's Time for a Revolution In the Garden woman was taken out of man to stand by his side and co reign with him. But Satan's schemes have robbed women of their rightful identity disempowering and defacing them. The world aches for God's original partnership to be brought into balance once more and it can be. Join Kris Vallotton for an extraordinary journey of eye opening insight including God's true plan and purpose for women Jesus radical teachings and care for women men's important role in restoring women the true meaning of difficult Bible passages about women examples of women in leadership as God intended God fashioned women to reign alongside men Jesus set women free to be beautiful and powerful. It's time for us as daughters and sons of the King to rule together in glory again. Will you join the revolution? We have failed to realize that Jesus founded the women's liberation movement more than two thousand years ago. Isn't it high time His Church led the revolution? Kris Vallotton Off the charts Worthy to be read and studied by all. You won't be able to put it down. Patricia King founder XP Ministries Read weigh and embrace the spirit truth and heartbeat of this book. This biblical approach rightly addresses unright arguments of strained interpretations. Such balance and beauty make sense and offer wisdom. I say Amen. Pastor Jack Hayford chancellor The King's University Dallas Los Angeles. This profound work is a must read for men and women alike. It has the potential to instill courage in the hearts of men and give women permission to dream again. Bill Johnson senior leader Bethel Church Redding California author The Essential Guide to Healing and When Heaven Invades Earth. Finally a biblical perspective that encourages women to remain themselves and still take their God given places of leadership. Stacey Campbell author Praying the Bible co founding pastor New Life Church Kelowna British Columbia. This compelling work will elevate your awareness challenge some presuppositions and invite you to grow in the grace of the Lord Jesus. Dr Mark J Chironna Church On The Living Edge Mark Chironna Ministries Orlando Florida. This must read will empower you to regain your identity that Satan stole and live the life God created you to live. Cynthia Brazelton pastor Victory Christian Ministries International. I deeply enjoyed diving into the Bible with Kris as my guide to find out what God really says about men and women. It has enhanced my understanding of who I am as a woman and inspires me to instill that in the young women around me. This book is about truth and therefore would be great written by anyone. However I realized that the fact that it was written by a man and it is a man calling me into my divine design brought a deeper level of healing than I'd anticipated and sent me on a journey digging deeper into God's heart. I recommend it for all. Revival

Ed Silvano takes you back to the first days of the church. Digging into Scripture he shows how the New Testament church devoid of buildings, professional clergy, and religious freedom was able to transform the hostile pagan places into which it was born and set in motion a process that changed the world forever. Even more, Silvano offers a roadmap back to becoming the *ekklesia*. Jesus called his church to be. In the midst of the social, economic, political, and moral chaos in our world today, we possess the hope that people and nations so desperately need, and we can become the revolutionary, transformational, life-giving voice Jesus called us to be. A new in-depth curriculum kit which features a DVD with 12 brand new teaching sessions, a group guide for both leaders and participants, and a copy of the book is also available. Expounding on the book's dynamic teachings, each kit contains everything you need to equip your group to transform the world around them. [Embrace the Chaos](#) Bob Miglani, 2013-10-07. [You're Freer Than You Think](#) Bob Duncan, 2014-09-18. There's so much in this life that is right and good, but you won't hear about it from the media or from the negative thinking of others. This short story might spark into being that which you've been given but don't know you have. Fear stands like a guardian, preventing us from moving forward, but there is something within us that can circumvent it. These true accounts might help release you to discover for yourself what exhilarating outcomes await you if you will only believe in yourself. [Understanding Music](#) N. Alan Clark, Thomas Heflin, Jeffrey Kluball, 2015-12-21. Music moves through time; it is not static. In order to appreciate music, we must remember what sounds happened and anticipate what sounds might come next. This book takes you on a journey of music from past to present, from the Middle Ages to the Baroque Period to the 20th century and beyond. *Cognitive Perspectives on Emotion and Motivation* V. Hamilton, Gordon H. Bower, Nico H. Frijda, 2012-12-06. This book presents the contributions of the members of an Advanced Research Workshop on Cognitive Science Perspectives on Emotion, Motivation, and Cognition. The Workshop, funded mainly by the NATO Scientific Affairs Division together with a contribution from the British Economic and Social Research Council, was conducted at Il Ciocco, Tuscany, Italy, 21-27 June 1987. The venue for our discussions was ideal: a quiet holiday hotel, 500m high in the Apennine mountain range, approached by a mile of perilously steep, winding, narrow road. The isolation was conducive to concentrated discussions on the topics of the Workshop. The reason for the Workshop was a felt need for researchers from disparate but related approaches to cognition, emotion, and motivation to communicate their perspectives and arguments to one another. To take just one example, the framework of

information processing and the metaphor of mind as a computer has wrought a major revolution in psychological theories of cognition That framework has radically altered the way psychologists conceptualize perception memory language thought and action Those advances have formed the intellectual substrate for the cognitive science perspective on mental life

Barnum Robert Wilson,2020-08-11 Robert Wilson s Barnum the first full dress biography in twenty years eschews clichés for a more nuanced story It is a life for our times and the biography Barnum deserves The Wall Street Journal P T Barnum is the greatest showman the world has ever seen As a creator of the Barnum Baily Circus and a champion of wonder joy trickery and humbug he was the founding father of American entertainment and as Robert Wilson argues one of the most important figures in American history Nearly 125 years after his death the name P T Barnum still inspires wonder Robert Wilson s vivid new biography captures the full genius infamy and allure of the ebullient showman who from birth to death repeatedly reinvented himself He learned as a young man how to wow crowds and built a fortune that placed him among the first millionaires in the United States He also suffered tragedy bankruptcy and fires that destroyed his life s work yet willed himself to recover and succeed again As an entertainer Barnum courted controversy throughout his life yet he was also a man of strong convictions guided in his work not by a desire to deceive but an eagerness to thrill and bring joy to his audiences He almost certainly never uttered the infamous line There s a sucker born every minute instead taking pride in giving crowds their money s worth and more Robert Wilson editor of The American Scholar tells a gripping story in Barnum one that s imbued with the same buoyant spirit as the man himself In this engaging insightful and richly researched new biography New York Journal of Books Wilson adeptly makes the case for P T Barnum s place among the icons of American history as a figure who represented and indeed created a distinctly American sense of optimism industriousness humor and relentless energy
