With the writing chops of Ian McEwan and the story-craft of Lisa Wingate, Karen Kelly weaves a shattering debut about two intertwined families and the secrets that they buried during the gilded, glory days of Bethlehem, PA. "A haunting debut." —Georgia Hunter, New York Times bestselling author of *We Were the Lucky Ones* "Karen Kelly is the real deal." —Mark Sullivan, New York Times and USA Today bestselling author of *Beneath a Scarlet Sky* A young woman arrives at the grand ancestral home of her husband's family, hoping to fortify her cracking marriage. But what she finds is not what she expected: tragedy haunts the hallways, whispering of heartache and a past she never knew existed. Inspired by the true titans of the steel-boom era, *Bethlehem* is a story of temptation and regret, a story of secrets and the cost of keeping them, a story of forgiveness. It is the story of two complex women—thrown together in the name of family—who, in coming to understand each other, come finally to understand themselves. The emotional highs and

lows, the romantic escapades and the financial setbacks, the moments of comedy, anxiety, and personal tragedy -- they're all brought vividly to life in "Things to Bring, S#!t to Do," the first memoir told entirely in lists. Annotated with Karen's insightful recollections, the book presents a compelling portrait -- sometimes touching, sometimes hilarious -- of a woman, her family, and her friends from 1970s America to the present day. Like many women (and some men, too), Karen Rizzo is a compulsive list-maker. She scribbles grocery lists on Post-It notes, pencils lists of resolutions on the backs of greeting cards, regularly jots down all the things she needs to bring, to do, to remember. . Unlike the rest of us, however, Karen has saved her lists -- dating from the list of favorite things she wrote as a kid (Favorite animal: horse; Color: purple; Food: olives from Dad's martini). Together, these scraps of paper form an intimate chronicle of her life's journey, from her early struggles with work and love to the years spent watching her mother battle breast cancer to the times she's had to juggle the demands of marriage and motherhood with those of her career. #1 New York Times bestselling author and "queen of royal fiction" (USA TODAY) Philippa Gregory weaves a spellbinding tale of a young woman with the ability to see the future in an era when destiny was anything but clear. Winter, 1553. Pursued by the Inquisition, Hannah Green, a fourteen-year-old Jewish girl, is forced to flee with her father from their home in Spain. But Hannah is no ordinary refugee; she has the gift of "Sight," the ability to foresee the future, priceless in the troubled times of the Tudor court. Hannah is adopted by the glamorous Robert Dudley, the charismatic son of King Edward's protector, who brings her to court as a "holy fool" for Queen Mary and, ultimately, Queen Elizabeth. Hired as a fool but working as a spy; promised in wedlock but in love with her master; endangered by the laws against heresy, treason, and witchcraft, Hannah

must choose between the safe life of a commoner and the dangerous intrigues of the royal family that are inextricably bound up with her own yearnings and desires. Teeming with vibrant period detail and peopled by characters seamlessly woven into the sweeping tapestry of history, *The Queen's Fool* is a rich and emotionally resonant gem from a masterful storyteller. No experience is worse than being a parent who has suffered the death of a child. It's so horrible that the English language doesn't have a word for it. Chris Gregory, a nineteen-year-old Freshman at Loyola University New Orleans, had a girlfriend. He was rushing a fraternity and although he had had a rough first semester, he told his parents he was certain he was finally getting "this college thing right." One night during a casual after-dinner conversation about driver's licenses, Chris's parents learned that he had opted to become an organ donor. "What am I going to do with my organs after I'm dead? And besides," he added with a grin, "who wouldn't want this body?" Life's funny. One day, some kid is a happy-go-lucky college freshman, healthy as a horse, and another guy is standing at death's door. And then in a matter of hours, they somehow trade places. Chris collapsed and died of an aneurysm with no warning. Five people who had been near death lived to see another day because they received Chris's organs. Eric Gregory, his father, wrote this book to chronicle this miracle of science and how meeting these recipients of his son's organs filled a special need in their hearts that few outside the organ donation community can understand. The instant New York Times bestseller featuring everyone's favorite family—the Baxters—in a deeply emotional novel "faithful fans will no doubt relish" (Publishers Weekly). When John Baxter is asked to relive his long-ago love story with his wife Elizabeth for his grandson Cole's heritage school project, he's not sure he can do it. The sadness might simply be too great—after a storybook romance that lasted almost thirty years, beginning when the two were in college, Elizabeth tragically died of cancer. But John can't say no to his grandson and in the process of telling his love story, he finally allows his heart and soul to go places they haven't gone in decades. Back to the breathless first moments, but also to the secret heartbreak

that brought John and Elizabeth together... Cole's report on his grandparents touches the hearts of the entire family—and causes Cole to better understand his own beginning. Whether you're meeting the Baxter family for the first time or finding them all over again, *Love Story* will stir your heart and remind you of the generational impact of love and the eternal bond of family. They were a notorious gypsy family that seeped into their victims' lives like a deadly cancer. And they couldn't be stopped-- until one courageous woman took on the cases no one else would touch... THE VICTIMS: Elderly, well-to-do men and women who, due to their failing health, strength, and faculties, could be conned out of their fortunes by heinous neglect, abuse, and possibly even murder. THE ACCUSED: Several members of a ruthless family of Gypsies known for their cunning con-games and remarkable ability to extract large sums of money from their unwitting pawns. THE INVESTIGATOR: Fay Faron, a beautiful, never-say-die P.I., determined to bring these culprits to justice-- even when the authorities turned a blind eye to the Gypsies' crimes time and time again. In this shattering expose, bestselling author Jack Olsen follows Fay Faron as she retraces every step of the Gypsy family and the crimes they stand accused of: moving in on their helpless prey, extorting money, signing the fortunes of elderly millionaires into their own names-- and speeding up the death process with sadistic neglect, slow poison, and unspeakable cruelty. Not since Peter Maas' *King of the Gypsies* has the world of Gypsy crime been exposed in such shocking detail and with more fascinating insight. From #1 New York Times bestselling author and "queen of royal fiction" (USA TODAY) comes a riveting and scandalous love triangle between a young woman on the brink of greatness, a young man whose ambition far exceeds his means, and the wife who cannot forgive them. In the autumn of 1558, church bells across England ring out the joyous news that Elizabeth I is the new queen, yet one woman hears the tidings with utter dread. She is Amy Dudley, wife of Sir Robert, and she knows that Elizabeth's ambitious leap to the throne will draw her husband back to the center of the glamorous Tudor court, where he was born to be. Elizabeth's excited triumph is short-lived. She

has inherited a bankrupt country where treason is rampant and foreign war a certainty. Her faithful advisors warn her that she will survive only if she marries a strong prince to govern the rebellious country, but the one man Elizabeth desires is her childhood friend, the ambitious Robert Dudley. As the young couple falls back in love, a question hangs in the air: can he really set aside his wife and marry the queen? When Amy is found dead, Elizabeth and Dudley are suddenly plunged into a struggle for survival. For her exciting debut in hardcover, New York Times bestselling author Karen Rose delivers a heart-stopping suspense novel that picks up where *Die For Me* left off, with a detective determined to track down a brutal murderer. Special Agent Daniel Vartanian has sworn to find the perpetrator of multiple killings that mimic a 13-year-old murder linked to a collection of photographs that belonged to his brother, Simon, the ruthless serial killer who met his demise in *Die for Me*. Daniel is certain that someone even more depraved than his brother committed these crimes, and he's determined to bring the current murderer to justice and solve the mysterious crime from years ago. With only a handful of images as a lead, Daniel's search will lead him back through the dark past of his own family, and into the realm of a mind more sinister than he could ever imagine. But his quest will also draw him to Alex Fallon, a beautiful nurse whose troubled past reflects his own. As Daniel becomes attached to Alex, he discovers that she is also the object of the obsessed murderer. Soon, he will not only be racing to discover the identity of this macabre criminal, but also to save the life of the woman he has begun to love. America's favorite inspirational novelist offers a fictional view of six of the family members of Jesus, all anchored by Scriptural truth, creating a life-changing and unprecedented emotional connection to the Bible. Through *The Family of Jesus*, readers will develop an emotional connection to the family members of Jesus, learning about their lives and falling in love with Scripture along the way. Bible studies and devotionals abound, and in churches everywhere people gather to seek a deeper understanding of God's Word and its application to their lives. But too often these studies engage only the analytic approach to

Bible learning. In *The Family of Jesus* Karen Kingsbury will make you laugh, cry, and ultimately care more deeply about the Bible by helping you grasp the truths in Scripture not just with your mind, but with your heart. The characters in these short stories were among those closest to Jesus – Mary, Joseph, Jesus' brother James, John the Baptist, Zechariah and Elizabeth. Each has a compelling tale to tell. Kingsbury intersperses fictional, emotionally gripping details anchored in Scripture with historical and theological insights and questions that will guide soul-searching and reflection. *The Family of Jesus* not only provides a deeper understanding of the relatives of our Saviour, but also helps readers acquire tools that will draw them closer to Christ, to the Scriptures, and to each other. #1 New York Times bestselling author and "queen of royal fiction" (USA TODAY) Philippa Gregory brings to life the passionate, turbulent times of seventeenth-century England as seen through the eyes of the country's most famous royal gardener. John Tradescant's fame and skill as a gardener are unsurpassed in seventeenth-century England, but it is his clear-sighted honesty and loyalty that make him an invaluable servant. As an informal confidant of Sir Robert Cecil, adviser to King James I, he witnesses the making of history, from the Gunpowder Plot to the accession of King Charles I and the growing animosity between Parliament and court. Tradescant's talents soon come to the attention of the most powerful man in the country, the irresistible Duke of Buckingham, the lover of King Charles I. Tradescant has always been faithful to his masters, but Buckingham is unlike any he has ever known: flamboyant, outrageously charming, and utterly reckless. Every certainty upon which Tradescant has based his life—his love of his wife and children, his passion for his work, his loyalty to his country—is shattered as he follows Buckingham to court, to war, and to the forbidden territories of human love. Emily Anderson is desperately searching for fulfillment. A strained relationship with her mother, a fruitless church ministry, and the imminent death of an unsaved loved-one drive her to distraction. In one unguarded moment, her life collides with an unimaginable fate, testing Emily's faith beyond her limits. *Soul Cry*

is the story of every Christian's deepest fear and the discovery of God's promise to never forsake His children. Karen Gregory's heartfelt, thought-provoking second novel about love against the odds is perfect for readers of Lisa Williamson, Sara Barnard and Sarah Crossan. 'We watch the bird as it flies high above us, singing like it's the only thing in the world that matters. And I feel it - that life can be beautiful. That there are possibilities.' Keep your head down and don't borrow trouble is the motto Joni lives by, and so far it's seen her family through some tough times. It's not as if she has the power to change anything important anyway. Like Dad's bad back, or the threat of losing their house. So when Annabel breezes into her life, Joni's sure they're destined to clash. Pretty, poised, privileged - the daughter of the richest family in town must have it easy. But sometimes you find a matching spirit where you least expect it. Sometimes love can defy difference. And sometimes life asks you to be bigger and braver ... Praise for Karen Gregory's debut, *Countless*: 'A heartbreaking, hopeful and highly unusual debut' - Metro 'Proving that human resilience may wilt, but it will never die' - United by Pop Many women are wired to control. You're the ones who make sure the house is clean, the meals are prepared, the beds are made, the children are dressed, and everyone gets to work, school, and other activities on time. But trying to control everything can be exhausting, and it can also cause friction with your friends and family. This humorous, yet thought-provoking book guides you as you discover for yourself the freedom and reward of living a life "out of control," in which you allow God to be seated in the rightful place in your life. Armed with relevant biblical and current examples (both to emulate and to avoid), doable ideas, new thought patterns, and practical tools to implement, *Let It Go* will gently lead you out of the land of over-control and into a place of quiet trust. A companion video-based study for small groups is also available. Sprung from a timeless dream, *Shadowbridge* is a world of linked spans arching high above glittering seas. It is a world of parading ghosts, inscrutable gods, and dangerous magic. Most of all, it is a world of stories. No one knows those stories better than Leodora, a young shadow-puppeteer who travels

Shadowbridge collecting the intertwining tales and myths of each place she passes through, then retells them in performances whose genius has begun to attract fame . . . and less welcome attention. For Leodora is fleeing a violent past, as are her two companions: her manager, Soter, an elderly drunkard who also served Ledora's father, the legendary puppeteer Bardsham; and Diverus, her musical accompanist, a young man who has been blessed, and perhaps cursed, by the touch of a nameless god. Now, as the strands of a destiny she did not choose begin to tighten around her, Leodora is about to cross the most perilous bridge of all—the one leading from the past to the future. *Shadowbridge* is the first novel in a two-book adventure. The long-standing feud between the Tuckers and the Malloys has never abated, but Emma Malloy can't forget that years ago Tucker Garrettson stole a kiss. An unforgettable kiss. Now she's returned from the East to her father's ranch, and discovers that Tucker is all grown up, a tough, powerfully handsome cowboy. Though they're sworn enemies and Emma is certain she hates him, they can't seem to stay away from each other. Especially when one kiss leads to another... Hear that voice inside your head? The one that nitpicks all your new ideas? That's your monkey. This hypercritical little critter loves to make you second-guess yourself. It stirs up doubt. It kills your creativity. But it can be stopped. And acclaimed author Danny Gregory is here to show you how. After battling it out with his own monkey, he knows how to shut yours down. Gregory provides insight into the inner workings of your inner critic and teaches you how to put it in its place. Soon you'll be able to silence that voice and do what you want to do—create. Now follow his lead and *Shut Your Monkey*. Bee stings on the backside! That was just the beginning. Tim was about to enter a world of the past, with bullying boys, stones and Indian spirits of long ago. But they were real spirits, real stones, very real memories... In this powerful family saga, author Tim Tingle tells the story of his family's move from Oklahoma Choctaw country to Pasadena, TX. Spanning 50 years, *Saltpie* describes the problems encountered by his Choctaw grandmother—from her orphan days at an Indian boarding school to hardships encountered in her new home on the

Gulf Coast. Tingle says, "Stories of modern Indian families rarely grace the printed page. Long before I began writing, I knew this story must be told." Seen through the innocent eyes of a young boy, *Saltypie* — a 2011 Skipping Stones honor book, WordCraft Circle 2012 Children's Literature Award-winner, and winner of the 2011 Paterson Prize for Books for Young People in the category of Grades 4-6 — is the story of one family's efforts to honor the past while struggling to gain a foothold in modern America. Tim Tingle, a member of the Choctaw Nation of Oklahoma, is a sought-after storyteller for folklore festivals, library conferences, and schools across America. At the request of Choctaw Chief Pyle, Tim tells a story to the tribe every year before Pyle's State of the Nation Address at the Choctaw Labor Day Gathering. Tim's previous and often reprinted books from Cinco Puntos Press—*Walking the Choctaw Road* and *Crossing Bok Chitto*—received numerous awards, but what makes Tim the proudest is the recognition he receives from the American Indian communities. Karen Clarkson, a Choctaw tribal member, is a self-taught artist who specializes in portraits of Native Americans. She did not start painting until after her children had left home; she has since been widely acclaimed as a Native American painter. She lives in San Leandro, California. **ECPA BESTSELLER •** The New York Times best-selling sports star and media icon motivates readers to stop postponing dreams and start making them happen now because—this is the day. Beyond Tim Tebow's exploits as a Heisman-winning football player, he is widely known and respected for his exemplary character and personal excellence, which have made him a role model for millions. When Tim interacts with the public, he often encounters people who feel "stuck"—unable to take action on matters ranging from daily life to pursuing lifelong dreams. In response, Tim often identifies a crippling fear or lack of courage, to which he advises: "now is the time to take some risks, to quiet the voices of defeat, to step forward and make a mark, because this is the day." In this inspiring, motivational book, readers will receive the advice and encouragement to daily move from "pause" to "play" in finding deeper meaning and success. Tim illustrates the book's themes with stories from his personal life that

will delight all readers, including his an update on his dream pursuit of a baseball career. Some parts of sunny Florida can be downright chilling . . . A haunting historical tour with photos included! Does the restless ghost of a murder victim haunt a Gulfport home? Does a doomed pirate search for his lost treasure at John's Pass? Are sea captains and Civil War soldiers still combing the area, years after their deaths? With wit and style, the "Queen of Haunts," Deborah Frethem, calls upon years of experience as the general manager and guide of Tampa Bay Ghost Tours to present legends of sinister deeds and whispers of the past from Florida's haunted peninsula. This instant New York Times bestseller—that's "perfect for fans of beach reads, *P.S. I Love You*, and anything by authors Jennifer Weiner and Elin Hilderbrand" (*Country Living*)— follows two childhood friends who discover that love and family can be found in unconventional ways. Recently separated Amelia Saxton, a dedicated journalist, never expected that uncovering the biggest story of her career would become deeply personal. But when she discovers that a cluster of embryos belonging to her childhood friend Parker and his late wife Greer have been deemed "abandoned," she's put in the unenviable position of telling Parker—and dredging up old wounds in the process. Parker has been unable to move forward since the loss of his beloved wife three years ago. He has all but forgotten about the frozen embryos, but once Amelia reveals her discovery, he knows that if he ever wants to get a part of Greer back, he'll need to accept his fate as a single father and find a surrogate. Each dealing with their own private griefs, Parker and Amelia slowly begin to find solace in one another as they navigate an uncertain future against the backdrop of the pristine waters of their childhood home, Cape Carolina. The journey of self-discovery leads them to a life-changing lesson: family is always closer than you think. "Deliciously plotted, intricately constructed, gorgeously written, and brimming with hope, *Under the Southern Sky* will steal your heart and make you think about first loves, second chances, and the unforeseeable twists of fate that guide us all" (Kristin Harmel, New York Times bestselling author). "Maguire's work is melodic, symphonic, and beautiful; it is dejected

and biting and brave. How great that people flock to these magical novels.” —Los Angeles Times Book Review Bestselling author Gregory Maguire’s remarkable series, *The Wicked Years*, comes full circle with this, his fourth and final excursion across a darker, richer, more complex landscape of “the magical land of Oz.” Out of Oz brilliantly reimagines L. Frank Baum’s world over the rainbow as wracked with social unrest—placing Glinda the good witch under house arrest and having the cowardly Lion on the lam from the law as the Emerald City prepares to make war on Munchkinland. Even Dorothy makes a triumphant return in Maguire’s magnificent Oz finale—tying up every loose green end of the series he began with his classic *Wicked*, the basis for the smash hit Broadway musical. In a book described as riveting . . . heart-wrenching, frightening, and flat-out funny all at once (Patricia Kean, *New York Newsday*), Thomas French chronicles the dreams, fears, and frustrations of five students at Florida’s Largo High. A wonderful job of reporting.—Gene Lyons, *Entertainment Weekly*. A Jesuit priest and founder of Homeboy Industries traces his experiences of working with gangs in Los Angeles for three decades, sharing what his efforts have taught him about faith, compassion, and the enduring power of radical kinship. An indispensable guide for editors, would-be editors, and especially writers who want to understand the publishing process. In this classic handbook, top professionals write about the special demands and skills necessary for particular areas of expertise—mass market, romance, special markets, and more. Police detective Larry Tosi stayed up nights watching a video of the grisly crime scene where Karen Gregory was raped and killed to find that one telltale clue that would lead him to her killer—until slowly, and with growing horror, Tosi realized that the maniac he was hunting was someone he knew . . . someone he called a friend. Photos. In each generation, there are thirty-six righteous souls who hold the world in fragile balance... When fifteen were killed, Mt. Vesuvius erupted. The elimination of eighteen triggered the Inquisition. Other deaths led to natural disasters across the globe—even world wars. Now that there are only three left, the question is: WHAT WILL HAPPEN NEXT? With

the world hurtling toward destruction, it’s up to one man to put an end to the cycle...and save those whose identities remain hidden in *THE BOOK OF NAMES* Lady Selene Ravenwood has come into her full power as a dreamwalker just as the war with the Dominion Empire begins. Working with the other Great Houses, Selene and Damien use their gifts to secure the borders and save those devastated by the war. But conflict, betrayal, and hatred begin to spread between the Great Houses, destroying their unity as the empire burns a path across their lands. At the same time, Damien Maris starts to lose his ability to raise the waters, leaving the lands vulnerable to the empire’s attacks. The only one who can unite the houses and restore her husband’s power is Selene Ravenwood. But it will require that she open her heart to those who have hurt her and let go of her past, despite the one who hunts her and will do anything to stop her power. Will Selene survive? Or is she destined to fall like the dreamwalkers before her? Natalie Landau, a museum curator with an expertise in protective amulets and magical beliefs, has received a puzzling gift from her sister Dana—a necklace with a blue evil eye pendant on it. When Natalie learns Dana was murdered only hours after sending the gift, she begins to think the amulet had something to do with her sister’s death. Maura Jane Reed was twenty-four years old and had never gone to a dance, owned a new dress, spoken aloud without giving careful thought to each word, or kissed a man. On that savage January night when snow engulfed the Rockies in a raging blur of glittering white, when the wild creatures hid and shivered, and no one stirred in the tiny, dirty town of Knotsville, Montana, she had no inkling that her life was about to change forever. Quinn Lassiter was a feared gunfighter, a man without home or roots. But when one night of love-making left Maura pregnant, Quinn did the one thing he’d thought he’d never do. He married Maura and promised to take care of her and their child. He was certain married life in a cabin would be like prison, but soon his new bride’s irresistible beauty and spirit made him long for her with a need that couldn’t be denied. Quinn never thought he’d fall in love, but that was before he found the one woman who made him forget his wandering ways.... “Jill Gregory’s

western romances always pack a wallop. Cold Night, Warm Stranger is true to form. Strong characters that engage reader's emotions and an action-packed story with a powerful plot makes this a not-to-be-missed western." - Romantic Times 4 ½ stars. Top Pick! "You will be enticed from the first chapter...You will cry and cheer for these wonderfully beloved characters, who will do nothing less than capture your heart...Jill Gregory has done it again. Her talent shines through in this sensually captivating novel -- she shows us once again that love can conquer all." -

- Rendezvous 'Haunting Cries' takes the story of institutional abuse right up to date to include the publication and fall-out of the Ryan Commission Report and the Redress Board. Sometimes life can be pretty amazing. But other times it feels like:

A. Your heart and stomach have been steamrolled into a grisly organ pancake
B. You are being put through an emotional spiralizer that creates human courgetti
C. Both of the above. You're a courgetti pancake

No, Instagram filters won't make it look any better. And, yes, we all feel this way. An honest, thoughtful and hilarious survival guide for young people by social media sensation, Lex Croucher. Topics include: family and friends, body confidence, technology and social media, relationships, mental health, success and more.

Jake is a New York City fireman and devoted family man. Eric is climbing the corporate ladder at the expense of his wife and children. On a fateful Tuesday in September, two strangers meet for a startling moment in a smoke-filled stairway. Only one will leave the Twin Towers alive. Will he find his way home? The last thing Jake Bryan knew was the roar of the World Trade Center collapsing on top of him and his fellow firefighters. The man in the hospital bed remembers nothing. Not rushing with his

teammates up the stairway of the south tower to help trapped victims. Not being blasted from the building. And not the woman sitting by his bedside who says she is his wife. Jamie Bryan will do anything to help her beloved husband regain his memory, and with it their storybook family life with their small daughter, Sierra. But that means helping Jake rediscover the one thing Jamie has never shared with him: his deep faith in God. Jake's fondest prayer for his wife is about to have an impact beyond anything he could possibly have conceived.

One Tuesday Morning is a love story like none you have ever read: tender, moving, commemorating the tragedy and heroism of September 11 and portraying the far-reaching power of God's faithfulness and a good man's love. Poignant contemporary Christian romance

New York City children's author Erinn Winters is haunted by a past no one knows, and dark visions of death and danger that come to her without warning. But when a desperate search for her estranged sister leads her to Wolf River, Montana, Erinn suddenly finds her secrets, even her very life, at risk. And after meeting notoriously sexy Jase Fortune, Erinn finds herself in another kind of danger—she could lose her heart. Jase Fortune is as committed to staying single as he is to running his booming family ranch--until mysterious, gorgeous Erinn shows up. But someone is out to destroy the Fortunes, and Jase finds himself willing to do anything to protect not only his family but Erinn too. As the peril mounts, so do Erinn's and Jase's feelings for each other, but the promise of love is threatened by deadly secrets and vicious enemies, and a killer who will stop at nothing....

When Gemma meets Aaron, she feels truly seen for the first time. Their love story is the intense kind. The written-in-the-stars, excluding-all-others kind. The kind you write songs about. But little by little their relationship takes over Gemma's life. What happens when being seen becomes being watched, and care becomes control? Told in both Gemma's and Aaron's words, this is a raw, moving exploration of gaslighting in teenage relationships that

skewers our ideas of what love looks like. Heartbreaking, life-affirming, brave and bold - Karen Gregory's debut is a completely different kind of love story. 'Is there anything that's concerning you?' Felicity says. 'College, home, boyfriends?' Though she's more or less smiling at this last one. I don't smile. Instead, I feel my face go hot. Silence stretches as wide as an ocean. When I look up, Felicity has this expression on her face like she's just seen Elvis. Slowly, she leans forward and in a gentle voice I've never heard her use before she says, 'Have you done a pregnancy test?' When Hedda discovers she is pregnant, she doesn't believe she could ever look after a baby. The numbers just don't add up. She is young, and still in the grip of an eating disorder that controls every aspect of how she goes about her daily life. She's even given her eating disorder a name - Nia. But as the days tick by, Hedda comes to a decision: she and Nia will call a truce, just until the baby is born. 17 weeks, 119 days, 357 meals. She can do it, if she takes it one day at a time ... Heartbreaking and hopeful by turns, Karen Gregory's debut novel is a story of love, heartache and human resilience. And how the things that matter most can't be counted. Fans of Lisa Williamson, Sara Barnard and Sarah Crossan will fall in love with Karen's writing. Winner of the Booktrust Teenage Prize and a finalist for The Guardian Children's Fiction Prize, a starred review Kirkus Review praised *Unhooking the Moon* as a "rousing adventure on the not-so-mean streets, with heart aplenty." When an adventurous sister-and-brother duo become orphans, a funny and heartbreaking roadtrip to New York ensues, as the pair searches for their long-lost uncle. Meet the Rat: A dancing, soccer-loving, fearless ten-year-old from Winnipeg, Manitoba. Meet her older brother, Bob: Protector of the Rat, though more often than not her faithful follower, Bob is determined to build a new and better life for him and his sister in America. Of particular concern for him are his sister's mysterious fits, which keep getting more and more severe. On their adventures traveling alone from the flatlands of Winnipeg, southward across the border into America, Bob and the Rat make friends with a host of unlikely characters, including a hilarious con man and a famous rap star. As they struggle

to survive in the big city, they realize that finding your uncle in New York is incredibly difficult if you have almost no information about him—even if he is rumored to be one of the city's biggest drug dealers. *New York Times Bestseller: The "fascinating" true story of John Dale Cavaness, a much-admired Illinois doctor—and the cold-blooded killer of his own son (The Washington Post).* Fusing the narrative power of an award-winning novelist and the detailed research of an experienced investigator, author Darcy O'Brien unfolds the story of Dr. John Dale Cavaness, the southern Illinois physician and surgeon charged with the murder of his son Sean in December 1984. Outraged by the arrest of the skilled medical practitioner who selflessly attended to their needs, the people of Little Egypt, as the natives call their region, rose to his defense. But during the subsequent trial, a radically different, disquieting portrait of Dr. Cavaness would emerge. Throughout the three decades that he enjoyed the admiration and respect of his community, Cavaness was privately terrorizing his family, abusing his employees, and making disastrous financial investments. As more and more grisly details of the Cavaness case come to stark Midwestern light in O'Brien's chilling account, so too does the hidden gothic underside of rural America and its heritage of violence and blood. "A meticulous account . . . An implicit indictment of a culture that condones and encourages violent behavior in men." —The New York Times Book Review "A fascinating story, and Darcy O'Brien does a great job of structuring it for suspense." —The Washington Post "Riveting."—Publishers Weekly "A terrifying story of family violence and the community that honored the perpetrator." —Kirkus Reviews "Stunning material . . . Handled with justice and fastidiousness by a natural storyteller." —Seamus Heaney, winner of the Nobel Prize Newly illustrated and available for the first time in years, a haunting novella from the uncannily imaginative author of the national bestsellers *Swamplandia!* and *Orange World: the story of a deadly insomnia epidemic and the lengths one woman will go to to fight it.* Trish Edgewater is the Slumber Corps' top recruiter. On the phone, at a specially organized Sleep Drive, even in a supermarket parking lot: Trish can get even the most reluctant healthy

dreamer to donate sleep to an insomniac in crisis—one of hundreds of thousands of people who have totally lost the ability to sleep. Trish cries, she shakes, she shows potential donors a picture of her deceased sister, Dori: one of the first victims of the lethal insomnia plague that has swept the globe. Run by the wealthy and enigmatic Storch brothers, the Slumber Corps is at the forefront of the fight against this deadly new disease. But when Trish is confronted by "Baby A," the first universal sleep donor, and the mysterious "Donor Y," whose horrific infectious nightmares are threatening to sweep through the precious sleep supply, her faith in the organization and in her own motives begins to falter. Fully illustrated with dreamy evocations of Russell's singular imagination and featuring a brand-new "Nightmare Appendix," *Sleep Donation* will keep readers up long into the night

and long after haunt their dreams. After the loss of his wife in a tragic accident, beloved artist Danny Gregory chronicled his grief in the medium he knows best—the pages of his illustrated journals. This intimate reproduction of his journal is a stirring visual memoir of Gregory's journey towards recovery. Uniquely sincere, and by turns tender, raw, and hopeful, Gregory's idiosyncratic text and illustrations capture the darkest and lightest moments of his "year of magical drawing." Gregory's process reminds us that creative expression offers its own therapy, and that living each day to its fullest may be as simple as putting pen to paper. Anyone who has experienced loss will take solace in this refreshingly candid look at grieving, while art lovers will marvel at the artist's beautiful celebration of the power of creation.
