The Undersea Network Nicole Starosielski, 2015-03-02 In our wireless world it is easy to take the importance of the undersea cable systems for granted but the stakes of their successful operation are huge as they are responsible for carrying almost all transoceanic Internet traffic In *The Undersea Network* Nicole Starosielski follows these cables from the ocean depths to their landing zones on the sandy beaches of the South Pacific bringing them to the surface of media scholarship and making visible the materiality of the wired network In doing so she charts the cable network s cultural historical geographic and environmental dimensions Starosielski argues that the environments the cables occupy are historical and political realms where the network and the connections it enables are made possible by the deliberate negotiation and manipulation of technology culture politics and geography Accompanying the book is an interactive digital mapping project where readers can trace cable routes view photographs and archival materials and read stories about the island cable hubs

Cathy Hopkins,2007-09-15 Ever turn to your horoscope for help in a difficult time Well Zodiac Girls have something even better when their stars are in lucky alignment they get a cool cell phone and personal guidance from the planets themselves But it s not as easy as it sounds it s up to each girl to make the most of her month as a Zodiac Girl Tori is an artistic girl with expensive taste but no money Like most Tauruses she likes the finer things in life so coming from a poor family is hard and sometimes she tells little white lies to keep up with her more well to do friends When Tori finds out that she is a Zodiac Girl she thinks that her days of wearing secondhand clothes are over But her planetary guardians aim to teach her the value of something much more important her own self worth **Looking for a Hero** Cathy Hopkins,2008-06-01 Fed up with waiting for a boy to come her way India Jane takes action India Jane is feeling frustrated She thought that Joe was her soulmate but things seem to be going nowhere with him Perhaps what she feels for him isn t love after all whatever that is Gathering her friends around her she sets out to find the boy of her dreams by Christmas Her exploration is pretty disastrous but just when she is in total despair two gorgeous boys surface Looking for love turns out to be a lot more complicated than India Jane thought The third book in the CINNAMON GIRL series **Starting Over** Cathy Hopkins,2007-10-01 New term new school but India Jane isn t looking forward to being the new girl in Year Eleven Everyone else already has their circle of friends and India Jane feels like she s on the outside looking in At least she s at the same school as Joe the boy she met on holiday in Greece and she s hoping that they may become more than just friends But the paths of true love and friendship never seem to run very smoothly The second book in the CINNAMON GIRLseries **Zodiac Girls: Bridesmaid's Club** Cathy Hopkins,2009-09-15 Like most Librans Chloe finds it hard to make decisions except that is when it comes to the Bridemaids Club There she knows exactly what she wants and how to plan the perfect wedding something she hopes to do very soon for her sister But when she s chosen to be a Zodiac Girl wedding plans start to go awry and her dream ceremony appears to be turning into her worst nightmare Can Chloe make the decisions that will turn everything around for a perfect wedding

This Way to Paradise Cathy Hopkins,2007-02-15 The hotly anticipated series from the bestselling Cathy Hopkins Meet India Jane Copper hair amber eyes Known to her friends and big chaotic family as Cinnamon Girl Born in India she s lived all over the world But all she really wants is to stop travelling and have a real home Just when it looks as though she ll get her wish her father gets a job which means the family are on the move again India Jane is sent away to Greece to spend the summer at her aunt s new age holiday centre It could be paradise but India Jane feels alone and confused Should she party with her rebellious cousin Kate Or search for inner peace with the meditation crowd And will mystery boy Joe help India Jane discover where her true happiness lies The first book in the CINNAMON GIRL series [Spain, a Global History](#) Luis Francisco Martinez Montes,2018-11-12 From the late fifteenth to the nineteenth centuries the Hispanic Monarchy was one of the largest and most diverse political communities known in history At its apogee it stretched from the Castilian plateau to the high peaks of the Andes from the cosmopolitan cities of Seville Naples or Mexico City to Santa Fe and San Francisco from

Brussels to Buenos Aires and from Milan to Manila During those centuries Spain left its imprint across vast continents and distant oceans contributing in no minor way to the emergence of our globalised era This was true not only in an economic sense the Hispano American silver peso transported across the Atlantic and the Pacific by the Spanish fleets was arguably the first global currency thus facilitating the creation of a world economic system but intellectually and artistically as well The most extraordinary cultural exchanges took place in practically every corner of the Hispanic world no matter how distant from the metropolis At various times a descendant of the Aztec nobility was translating a Baroque play into Nahuatl to the delight of an Amerindian and mixed audience in the market of Tlatelolco an Andalusian Dominican priest was writing the first Western grammar of the Chinese language in Fuzhou a Chinese city that enjoyed a trade monopoly with the Spanish Philippines a Franciscan friar was composing a piece of polyphonic music with lyrics in Quechua to be played in a church decorated with Moorish style ceilings in a Peruvian valley or a multi ethnic team of Amerindian and Spanish naturalists was describing in Latin Spanish and local vernacular languages thousands of medicinal plants animals and minerals previously unknown to the West And most probably at the same time that one of those exchanges were happening the members of the School of Salamanca were laying the foundations of modern international law or formulating some of the first modern theories of price value and money Cervantes was writing Don Quixote Vel zquez was painting Las Meninas or Goya was exposing both the dark and bright sides of the European Enlightenment Actually whenever we contemplate the galleries devoted to Vel zquez El Greco Zurbar n Murillo or Goya in the Prado Museum in Madrid when we visit the National Palace in Mexico City a mission in California a Jesuit church in Rome or the Intramuros quarter in Manila or when we hear Spanish being spoken in a myriad of accents in the streets of San Francisco New Orleans or Manhattan we are experiencing some of the past and present fruits of an always vibrant and still expanding cultural community As the reader can infer by now this book is about how Spain and the larger Hispanic world have contributed to world history and in particular to the history of civilisation not only at the zenith of the Hispanic Monarchy but throughout a much longer span of time

Discount Diva Cathy Hopkins,2007 This time it s a Taurus Tori is sweet and popular but her family haven t got much money Tori likes pretty things and thinks you need money to be happy so when the planets step in she thinks she will finally have everything she wants in life Little does she know her guardians plan to teach her the true value of things

[The Leaving](#) Tara Altebrando,2016-06-07 Six were taken Eleven years later five come back with no idea of where they ve been A riveting mystery for fans of We Were Liars Eleven years ago six kindergartners went missing without a trace After all that time the people left behind moved on or tried to Until today Today five of those kids return They re sixteen and they are fine Scarlett comes home and finds a mom she barely recognizes and doesn t really recognize the person she s supposed to be either But she thinks she remembers Lucas Lucas remembers Scarlett too except they re entirely unable to recall where they ve been or what happened to them Neither of them remember the sixth victim Max the only one who hasn t come back Which leaves

Max's sister Avery wanting answers. She wants to find her brother dead or alive and isn't buying this whole memory loss story. But as details of the disappearance begin to unfold, no one is prepared for the truth. This unforgettable novel with its rich characters, high stakes, and plot twists will leave readers breathless. **Star Child** Cathy Hopkins, 2009. This time it's a Virgo. As a Virgo, 13-year-old Thebe likes order and neatness, but with her two disorganized celebrity astrologer parents around, things rarely go to plan. Then on top of all this usual mess, Thebe's self-centred cousin Yasmin comes to stay in Thebe's room. Fed up of being the quiet dependable one, Thebe uses her new status as Zodiac Girl to try and change her life and overcome her deepest fears. **Zodiac Girls: Dancing Queen** Cathy Hopkins, 2009-04-14. Marsha is an outgoing and popular Aries drama queen who lands a part in the school play. But just before the curtain goes up, she injures herself, crushing all her hopes for stardom. When she has to spend three nights in the hospital, she is furious until she realizes that not everyone is as lucky as she is. With help from her Zodiac guardian, she decides to use her leadership skills to raise money for the hospital. But how? [How I Paid for College](#) Marc Acito, 2004-09-07. A deliciously funny romp of a novel about one overly theatrical and sexually confused New Jersey teenager's larcenous quest for his acting school tuition. It's 1983 in Wallingford, New Jersey, a sleepy bedroom community outside of Manhattan. Seventeen-year-old Edward Zanni, a feckless Ferris Bueller type, is Peter Panning his way through a carefree summer of magic and mischief. The fun comes to a halt, however, when Edward's father remarries and refuses to pay for Edward to study acting at Juilliard. Edward's truly in a bind. He's ineligible for scholarships because his father earns too much. He's unable to contact his mother because she's somewhere in Peru, trying to commune with Incan spirits. And as a sure sign he's destined for a life in the arts, Edward's incapable of holding down a job. So he turns to his loyal but immoral misfit friends to help him steal the tuition money from his father, all the while practicing for his high school performance of *Grease*. Disguising themselves as nuns and priests, they merrily scheme their way through embezzlement, money laundering, identity theft, forgery, and blackmail. But along the way, Edward also learns the value of friendship, hard work, and how you're not really a man until you can beat up your father metaphorically, that is. [How I Paid for College](#) is a farcical coming-of-age story that combines the first-person tone of David Sedaris with the byzantine plot twists of Armistead Maupin. It is a novel for anyone who has ever had a dream or a scheme, and it marks the introduction to an original and audacious talent. [The Persian Room Presents](#) Patricia Farmer, 2024-07-16. Ever since Patty Farmer was a little girl, she dreamed of living at the Plaza, just like Eloise of storybook fame. Decades later, she realized that dream when she moved into an apartment on the eighth floor of the famed hotel and became more passionate than ever about immersing herself in its history. She soon discovered that one of the most magical places within the Plaza now exists only in memory: the nightclub known as the Persian Room. For more than forty years, from 1934 to 1975, the Persian Room was the place to be in New York City. An unparalleled array of performers graced its stage, everyone from the incomparable Hildegard and Kay Thompson to Julie Wilson, Andy Williams, Lainie Kazan, and Michelle Lee. And though more than three decades have passed,

since the final ovation there are many from both sides of the footlights who remember this extravagant nightclub with great fondness To create this unique and memorable oral history Farmer traveled far and wide to meet the Persian Room s most popular stars and collect their precious memories Over the course of three years these idols of the past and present opened their homes and hearts to her relishing the opportunity to share cherished moments from their long careers Many contributed photos and memorabilia from their personal collections as well making The Persian Room Presents a vivid journey through the stars elegant history Among the many stars who generously gave their time are Andy Williams Marge Champion Polly Bergen Diahann Carroll Connie Stevens Lesley Gore Patti Page Carol Lawrence Michelle Lee Lainie Kazan Julie Wilson Tony Butala Tony Sandler Celeste Holm Kaye Ballard Jack Jones and Roslyn Kind Don Dellair shared funny and touching tales of both Hildegard and Liberace Hilary Knight the legendary illustrator who brought Eloise to life spoke wistfully of Kay Thompson and Lisa Kirk Each offered his or her own perspective on the club but they all agreed on one thing There was no place on Earth like the Persian Room and there never will be **A Vintage Friendship** Cathy Hopkins,2020-08-06 Another warm and uplifting book from the author of The Kicking the Bucket List Feelgood Good Housekeeping
