A Patriot's History of the United States Larry Schweikart, Michael Patrick Allen, 2004-12-29 For the past three decades many history professors have allowed their biases to distort the way America's past is taught. These intellectuals have searched for instances of racism, sexism, and bigotry in our history while downplaying the greatness of America's patriots and the achievements of dead white men. As a result, more emphasis is placed on Harriet Tubman than on George Washington, more about the internment of Japanese Americans during World War II than about D-Day or Iwo Jima, more on the dangers we faced from Joseph McCarthy than those we faced from Josef Stalin. **A Patriot's History of the United States** corrects those doctrinaire biases. In this groundbreaking book, America's discovery, founding, and development are reexamined with an appreciation for the elements of public virtue, personal liberty, and private property that make this nation uniquely successful. This book offers a long overdue acknowledgment of America's true and proud history.

Girl Three: Trapped (A Maya Gray FBI Suspense Thriller—Book 3) Molly Black, 2021-12-13 12 cold cases, 12 kidnapped women. One diabolical serial killer. In this bestselling suspense thriller, a brilliant FBI agent faces a deadly challenge: decipher the mystery before each one is murdered. In the Maya Gray series, which begins with *Book 1: GIRL ONE MURDER*, FBI Special Agent Maya Gray 39 has seen it all. She's one of BAU's rising stars and the go-to agent for hard-to-crack serial cases. When she receives a handwritten postcard promising to release 12 kidnapped women if she will solve 12 cold cases, she assumes it's a hoax. Until the note mentions that among the captives is her missing sister, Maya is shaken and forced to take it seriously. The cases she's up against are some of the most difficult the FBI has ever seen. But the terms of his game are simple: If Maya solves a case, he will release one of the girls. And if she fails, he will end a life. In *GIRL THREE TRAPPED*, *Book 3*, case three has just landed and the clock is ticking. The suspect, a copycat of the Moonlight Killer, seems to be using sophisticated audio equipment to stay one step ahead of his victims, and Maya herself could be next. Maya, knowing the killer has her sister, has no choice but to accept the case. More determined than ever, she revisits the prison where the last convict hung himself in hopes of uncovering a new lead. But with the murderer able to track her every movement, Maya realizes that she's the least safe of all. And in the midst of it all, a bunny escapes. A complex psychological crime thriller full of twists and turns and packed with heart-pounding suspense, the *MAYA GRAY* mystery series will make you fall in love with a brilliant new female protagonist and keep you turning pages late into the night.
