A Brief History of Analytic Philosophy Stephen P. Schwartz, 2012-03-28 A Brief History of Analytic Philosophy From Russell to Rawls presents a comprehensive overview of the historical development of all major aspects of analytic philosophy the dominant Anglo American philosophical tradition in the twentieth century Features coverage of all the major subject areas and figures in analytic philosophy including Wittgenstein Bertrand Russell G E Moore Gottlob Frege Carnap Quine Davidson Kripke Putnam and many others Contains explanatory background material to help make clear technical philosophical concepts Includes listings of suggested further readings Written in a clear direct style that presupposes little previous knowledge of philosophy

Ethics Steven M. Cahn, Peter J. Markie, 2012 Ethics History Theory and Contemporary Issues Fifth Edition features sixty nine selections organized into three parts providing instructors with great flexibility in designing and teaching a variety of courses in moral philosophy Spanning 2 500 years of ethical theory the first part Historical Sources ranges from ancient Greece to the twentieth century It moves from classical thought through medieval views to modern theories culminating with leading nineteenth and twentieth century thinkers The second part Modern Ethical Theory includes many of the most important essays of the past century The discussion of utilitarianism Kantianism egoism and relativism continues in the work of major contemporary philosophers while landmark selections reflect concern with moral language and the justification of morality The concepts of duty justice and rights are explored as well as recent views on cultural relativism and an ethic influenced by feminist concerns In the third part Contemporary Moral Problems the readings present the current debates over abortion euthanasia famine relief animal rights environmentalism and the use of torture in interrogations as well as essays on death and the meaning of life Wherever possible each reading is printed in its entirety The fifth edition features new readings from Cicero Barbara Herman and Judith Jarvis Thomson an expanded selection from Joseph Butler s Fifteen Sermons and a new translation of Kant s Groundwork for the Metaphysics of Mor

All Things Shining Hubert Dreyfus, Sean Dorrance Kelly, 2011-01-04 An inspirational book that is a smart sweeping run through the history of Western philosophy Important for the way it illuminates life today and for the controversial advice it offers on how to live The New York Times What constitutes human excellence and What is the best way to live a life These are questions that human beings have been asking since the beginning of time In their critically acclaimed book All Things Shining Hubert Dreyfus and Sean Dorrance Kelly argue that our search for meaning was once fulfilled by our responsiveness to forces greater than ourselves whether one God or many These forces drew us in and imbued the ordinary moments of life with wonder and gratitude Dreyfus and Kelly argue in this thought provoking work that as we began to rely on the power of our own independent will we lost our skill for encountering the sacred Through their original and transformative discussion of some of the greatest works of Western literature from Homer s Odyssey to Melville s Moby Dick Dreyfus and Kelly reveal

how we have lost our passionate engagement with the things that gave our lives purpose and show how by reading our culture's classics anew we can once again be drawn into intense involvement with the wonder and beauty of the world Well on its way to becoming a classic itself this inspirational book will change the way we understand our culture our history our sacred practices and ourselves

Classics of Philosophy Louis P. Pojman, Lewis Vaughn, 2011 Incorporating the insights of new coeditor Lewis Vaughn Classics of Philosophy Third Edition is the most comprehensive anthology of writings in Western philosophy in print Spanning 2 500 years of thought it is ideal for introduction to philosophy and history of philosophy courses It features more than seventy selections by forty philosophers along with fragments from the Pre Socratics offering students and instructors an extensive and economical collection of the major works of the Western tradition This volume contains the most important writings from Thales to Rawls twenty of these are complete works while the others are judiciously abridged so that little of value to the student is lost A lucid introduction including a brief biographical sketch accompanies each of the featured philosophers NEW TO THE THIRD EDITION Selections from philosophers who were not included in the previous edition Maimonides Guide for the Perplexed and Schopenhauer The World as Will and Representation along with Kant's Critique of Pure Reason Expanded readings Aristotle's Posterior Analytics On the Soul Metaphysics and Nicomachean Ethics Berkeley's Of the Principles of Human Knowledge and Hume's Treatise on Human Nature Review questions for each chapter and illustrated portraits of many philosophers A Companion Website featuring resources for students self quizzes flash cards chapter review questions a timeline and helpful web links and instructors brief reading summaries essay questions test questions and PowerPoint based lecture slides Classics of Philosophy Third Edition provides students with an extensive view of the major stages of growth in Western philosophy including its birth with the Pre Socratics and its contemporary developments in an accessible format and at an affordable price

Fate, Logic, and Time Steven M. Cahn, 2004-04-07 This book is the first full length treatment of the philosophical problem of fatalism the thesis that the laws of logic alone suffice to prove that no person ever acts freely After a critical examination of the history of the problem from Aristotle through Stoic and medieval thought Cahn analyzes contemporary discussions of the issue revealing how a belief in free will is logically connected to specific assumptions about the truth value of propositions and the nature of time

Political Philosophy Steven Cahn, 2022 Political Philosophy The Essential Texts is ideal for survey courses in political philosophy Offering unprecedented coverage from antiquity to the present this historically organized collection presents the most significant works from nearly 2 500 years of political philosophy The readings are substantial or complete texts not fragments An especially valuable feature of this volume is that the works of each author are introduced with an engaging essay by a leading contemporary authority
