Cleat Cute May 05 2024 * USA TODAY BESTSELLER * A sapphic rivals to lovers rom com for fans of Ted Lasso and A League of Their Own, where two soccer teammates are at odds before falling in love as their team gears up for the World Cup. Grace Henderson has been a star of the US Women's National Team for ten years, even though she's only 26. But when she's sidelined with an injury, a bold new upstart, Phoebe Matthews, takes her spot. 22-year-old Phoebe is everything Grace isn't—a gregarious jokester who plays with a joy that Grace lost somewhere along the way. The last thing Grace expects is to become teammates with benefits with this class clown she sees as her rival. Phoebe Matthews is too focused on her first season as a professional soccer player to think about seducing her longtime idol. But when Grace ends up making the first move, they can't keep their hands off of each other. As the World Cup approaches and Grace works her way back from injury, a miscommunication leaves the women with hilariously different perspectives on their relationship. But they're on the same page on the field, realizing they can play together instead of vying for the same position. With every tackle the tension between them grows, and both players soon have to decide what's more important—being together or making the roster. The perfect blend of funny and steamy, Meryl Wilsner's Cleat Cute is about being brave enough to win on and off the field.

Green Buddhism Jan 21 2023 At a time of growing environmental crisis, a pioneer of Green Buddhist thought offers challenging and illuminating perspectives. With species rapidly disappearing and global temperatures rising, there is more urgency than ever to act on the ecological crises we face. Hundreds of millions of people around the world—including unprecedented numbers of Westerners—now practice Buddhism. Can Buddhists be a critical voice in the green conversation? Leading Buddhist environmentalist Stephanie Kaza has spent her career exploring the intersection of religion and ecology. With so much at stake, she offers guidance on how people and communities can draw on Buddhist concepts and practices to live more sustainable lives on our one and only home.

Eliza Kingston Mysteries Box Set One Aug 28 2023 You can run from your demons, but you can't escape evil. Eliza Kingston moved away from Silver Lake twenty years ago after a tragedy rocked the town. She never expected to move back and she certainly never expected to find herself in the middle of a murderer's deadly games. This box set contains the first three books of the Eliza Kingston Mystery Series: *Pride of Lions*, *Den of Snakes*, and *Murder of Crows*. ***** Topics: romantic suspense, mystery, murder mystery, serial killer, detective, police procedural, amateur detective, crime, suspense, psychological thriller, friends to lovers, romance, love story, mystery series, romance series, twist, surprise, suspenseful, surprising, female sleuth, female heroine Perfect

for fans of: Kendra Elliot, Melinda Leigh, Blake Pierce, Lisa Regan, A.J. Rivers, Mary Burton, Nora Roberts, Lisa Jackson, Lisa Gray, Rachel Caine, T.R. Ragan, D.K. Hood

Love on Lexington Avenue Jan 26 2021 A Goodreads Best Romance “Fans of *The Devil Wears Prada* will flip over *Love on Lexington Avenue*.” —Karen Hawkins, New York Times bestselling author From New York Times bestselling author Lauren Layne comes the second delightfully charming installment in the Central Park Pact series, following a young widow whose newfound cynicism about love is challenged by a sexy, rough-around-the-edges contractor. There are no good men left in New York City. At least that’s Claire Hayes’s conviction after finding out her late husband was not the man she thought he was. Determined to rid her home of anything that reminds her of her cheating husband, Claire sets out to redesign her boring, beige Upper East Side brownstone and make it something all her own. But what starts out as a simple renovation becomes a lot more complicated when she meets her bad-tempered contractor Scott Turner. Scott bluntly makes it known to Claire that he only took on her house for a change of pace from the corporate offices and swanky hotels he’s been building lately, and he doesn’t hesitate to add that he has no patience for a pampered, damaged princess with a penchant for pink. But when long workdays turn into even longer nights, their mutual wariness morphs into something more complicated—a grudging respect, and maybe even attraction... Filled with laugh-out-loud scenes that blend perfectly with the touching friendships Layne brings to life on the page, this “hugely entertaining” (USA TODAY) novel is perfect for fans of Lauren Weisberger.

Girl Culture: Girl culture A to Z Feb 19 2023 Investigates the increasingly complex relationships, struggles, obsessions, and idols of American tween and teen girls. From pre-school to high school and beyond, this work tackles many hot-button issues, including the barrage of advertising geared toward very young girls emphasizing sexuality and extreme thinness.

Rudimentary Theory About Quantum Entanglement and Twin States Apr 11 2022 Do you want to live on Mars your whole life? Before the end of the 21st century, humanity will face the exploration of the interior of a black hole. Using quantum physics properties, it will think of sending a laser beam loaded with a zoo of particles susceptible to changes and variations directly into the hole to be used as drones, and entangled with its peers on Earth that will await their signals from measurements in the interior of a quantum computer, these signals escaping instantaneously to the hole mass and arriving in the same way to our the planet thanks to the "ghostly action at a distance". But Scott and Andrew were already communicating in that... "natural" way. Synopsis. It's a story about opposites, about crazy hypotheses of physics and the human spirit. Within this scenario and bound by the same laws are Scott Moreno, a colonist on Mars, and Andrew Moreno, an eco-terrorist activist from Greenwars, twins separated by the distances between the red planet and Earth. As children, they always experienced a strange connection that is enhanced by stress. Will willpower and the desire for siblings reunite reverse entropy? It is an extremely rationalist science fiction novel, set on Mars and Earth in the year 2104 where there is a parallel between particle communication and the human mind from conception. Inspired by the 1844 novel by Alexander Dumas, "The Corsican Brothers", the story talks about the ins and outs of living on Mars added to regret the remoteness of the family, at a time when humanity achieved ecological stability through a terrorist fight, and begins to dismiss the colonization of the red planet, in an America recently shaken by a resurgence of the intolerance message towards Latins who tries to recover by remembering the Germany of the 1930s. Do you ... do you sense what is happening to your brother in the distance? Can you tell the limit in kilometers of that feeling?

CompTIA Network+ Certification Study Guide: Exam N10-004 Sep 04 2021 *CompTIA Network+ Certification Study Guide: Exam N10-004, Second Edition*, offers a practical guide for those interested in pursuing CompTIA Network+ certification. It presents the fundamental terminology needed to perform duties as a network technician and to pass the CompTIA Network+ exam. The book begins with a brief history of the development of networks, including their origins and where they are heading. It describes network models such as centralized and decentralized, and distinguishes between a local area network (LAN) and a wide area network (WAN). The discussions

include cable connections and termination for the Network+ exam; the meaning of convergence; and the most common network devices being used on small and large networks, including the Internet. The role of switches in improving network functionality and enhancing security is described. The book also contains chapters on wireless networking; Open Systems Interconnection (OSI) model; Transmission Control Protocol/Internet Protocol (TCP/IP); wide area network (WAN) technologies; network security; and network management and troubleshooting. New to this edition in accordance with the newly revised exam is an intensified focus on network security Two NEW practice exams to help eliminate test-day jitters Tiered chapter ending questions that allow for graduated learning Covers everything from test taking techniques to advanced topics - keeping the beginner and intermediate IT professional in mind Layout of the guide parallels the Network+ N10-004 objectives for ease of study

The Last Graduate Jun 25 2023 NEW YORK TIMES BESTSELLER • The specter of graduation looms large as Naomi Novik's groundbreaking, New York Times bestselling trilogy continues in the stunning sequel to *A Deadly Education*. "The climactic graduation-day battle will bring cheers, tears, and gasps as the second of the Scholomance trilogy closes with a breathtaking cliff-hanger."—Booklist (starred review) HUGO AWARD FINALIST • LOCUS AWARD FINALIST • ONE OF THE BEST BOOKS OF THE YEAR: Polygon, Thrillist, She Reads In Wisdom, Shelter. That's the official motto of the Scholomance. I suppose you could even argue that it's true—only the wisdom is hard to come by, so the shelter's rather scant. Our beloved school does its best to devour all its students—but now that I've reached my senior year and have actually won myself a handful of allies, it's suddenly developed a very particular craving for me. And even if I somehow make it through the endless waves of maleficaria that it keeps throwing at me in between grueling homework assignments, I haven't any idea how my allies and I are going to make it through the graduation hall alive. Unless, of course, I finally accept my foretold destiny of dark sorcery and destruction. That would certainly let me sail straight out of here. The course of wisdom, surely. But I'm not giving in—not to the mals, not to fate, and especially not to the Scholomance. I'm going to get myself and my friends out of this hideous place for good—even if it's the last thing I do. With keen insight and mordant humor, Novik reminds us that sometimes it is not enough to rewrite the rules—sometimes, you need to toss out the entire rulebook. The magic of the Scholomance trilogy continues in *The Golden Enclaves*

Wendy Feb 27 2021 Walter Scott's Wendy comics have become a critical sensation, with rave reviews in *The New Yorker* and *The Guardian*, and an appearance in the *Best American Comics* anthology. Learn Wendy's origin story as Scott hilariously plumbs millennial culture, creative ennui, and the nepotism of the art world's institutions. Wendy's an aspiring artist in a party city, and she's in a rut. She spends her time snorting mdma in gallery bathrooms and watching *Nurse Jackie* reruns on her laptop while hungover. So when she's accepted into the prestigious Flojo Island residency, Wendy vows to buckle down and get working. But during the remote, woodsy residency, Wendy and her collaborator/bff Winona put on a performance piece that becomes the centre of an art world controversy, and so Wendy returns to Montreal, getting a job in a coffee shop to make ends meet. With Wendy, Scott launches the Wendyverse, brimming with painfully relatable characters like the back-stabbing frenemy Tina, the name-dropping Paloma, the cool drummer Wendy obsesses over, Jeff, and of course, our treasured Wendy, the hot mess we can't live without. In blunt, laugh out loud funny vignettes with perfect punchlines, Scott illuminates the opacity of artspeak and the ceaseless anxieties plaguing a largely privileged generation.

Billboard Sep 16 2022 In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard Feb 07 2022 In its 114th year, Billboard remains the world's premier weekly music

publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

Gettin' Hooked Jun 06 2024 Click for your dream date Could she go to the senior dance with just any guy? No way. Imani Lane has her heart set on Maurice, the hottest guy in town. But he isn't exactly asking. So she comes up with an idea to help herself-and everyone else, too. An online dating hookup site for local teens! Her friends and cousin can find their dream dates, and Imani can brilliantly engineer her own profile to match Maurice's. Problem is, the Web site is becoming too popular. Guys who are looking for hookups-say, with Imani's own impressionable cousin-now include some very sleazy types. So Imani has to get things unhooked and fast.

The Theatre of Naomi Wallace Mar 03 2024 Naomi Wallace, an American playwright based in Britain, is one of the more original and provocative voices in contemporary theatre. Her poetic, erotically-charged, and politically engaged plays have been seen in London's West End, off-Broadway, at the Comédie-Française, in regional and provincial theaters, and on college campuses around the world. Known for their intimate, sensual encounters examining the relationship between identity and power, Wallace's works have attracted a wide range of theatre practitioners, including such important directors as Dominic Dromgoole, Ron Daniels, Jo Bonney, and Kwame Kwei-Armah. Drawing on scholars, activists, historians, and theatre artists in the United States, Canada, Britain, and the Middle East, this anthology of essays presents a comprehensive overview of Wallace's body of work that will be of use to theatre practitioners, students, scholars, and educators alike.

The Kaleidoscope of Gender Dec 08 2021 *The Kaleidoscope of Gender: Prisms, Patterns, and Possibilities* provides an accessible, timely, and stimulating overview of the cutting-edge literature and theoretical frameworks in sociology and related fields in order to understand the social construction of gender. The kaleidoscope metaphor and its three themes—prisms, patterns, and possibilities—unify topic areas throughout the book. By focusing on the prisms through which gender is shaped, the patterns which gender takes, and the possibilities for social change, the reader gains a deeper understanding of ourselves and our relationships with others, both locally and globally. Editors Catherine Valentine, Mary Nell Trautner and the work of Joan Spade focus on the paradigms and approaches to gender studies that are constantly changing and evolving. The Sixth Edition includes incorporation of increased emphasis on global perspectives, updated contemporary social movements, such as #BlackLivesMatter and #MeToo, and an updated focus on gendered violence.

A Matter of Days Jun 01 2021 "Gripping and poignant, *A Matter of Days* takes readers on a heart-stopping journey of love and survival." — New York Times bestselling author Carrie Jones Their new reality begins in just a matter of days. On Day 56 of the Blustar Pandemic, sixteen-year-old Nadia's mother dies, leaving Nadia to fend for herself and her younger brother, Rabbit. Both have been immunized against the virus, but they can't be protected from what comes next. Their father taught them to "be the cockroach"—to adapt to and survive whatever comes their way. And that's their mission. Facing a lawless world of destruction and deprivation, Nadia and Rabbit drive from Seattle to their grandfather's compound in West Virginia. The illness, fatigue, and hunger they endure along the way will all be worth it once they reach the compound. Unless no one is waiting for them . . . "Fans of Rick Yancey's *The 5th Wave*, S. D. Crockett's *After the Snow*, or Cormac McCarthy's adult novel *The Road* will find this a satisfying read." —SLJ "An exciting apocalyptic road trip." —Publishers Weekly

Perfect Little Monsters May 25 2023 Someone has murdered the queen bee of Sierton High School. All the dead girl's friends are suspects. And each one has a reason for wanting her to die. Ella Moore was the most popular girl in school...and also the most hated. When she's murdered at her own party, there are too many suspects to count. And too many people who think she deserved it. The police's prime suspect is the new girl, Dawn Foster. Dawn was the last to hand Ella a drink on the night she died. Plus, all of Ella's friends with a motive for wanting Ella dead are more than willing to throw Dawn under the bus, if it means keeping the heat off themselves. But Dawn refuses

to go down without a fight. She's determined to clear her name. As she delves deeper into the past, she discovers that Ella and her friends had major enemies, and someone is out for revenge. Dawn must uncover the truth before the police arrest the wrong suspect... and before the next person dies. [Kings of Their Own Ocean](#) Jul 27 2023 ****THE INSTANT INTERNATIONAL BESTSELLER**** This is a tale of human obsession, one intrepid tuna, the dedicated fisherman who caught and set her free, the promises and limits of ocean science, and the big truth of how our insatiable appetite for bluefin transformed a cottage industry into a global dilemma. In 2004, an enigmatic charter captain named Al Anderson caught and marked one Atlantic bluefin tuna off New England's coast with a plastic fish tag. Fourteen years later that fish—dubbed Amelia for her ocean-spanning journeys—died in a Mediterranean fish trap, sparking Karen Pinchin's riveting investigation into the marvels, struggles, and prehistoric legacy of this remarkable species. Over his fishing career Al marked more than sixty thousand fish with plastic tags, an obsession that made him nearly as many enemies as it did friends. His quest landed him in the crossfire of an ongoing fight between a booming bluefin tuna industry and desperate conservation efforts, a conflict that is once again heating up as overfishing and climate change threaten the fish's fate. *Kings of Their Own Ocean* is an urgent investigation that combines science, business, crime, and environmental justice. As Pinchin writes, "as a global community, we are collectively only ever a few terrible choices away from wiping out any ocean species." Through her exclusive access and interdisciplinary, mesmerizing lens, readers will join her on boats and docks as she visits tuna hot spots and scientists from Portugal to Japan, New Jersey to Nova Scotia, and glimpse, as the author does, rays of dazzling hope for the future of our oceans. *Payback Time* Apr 23 2023 Award-winning novelist Carl Deuker creates a mystery-thriller against the backdrop of high school football and the criminal underworld.

Harmonic Feedback Mar 23 2023 Sixteen-year-old, music- and sound design-obsessed Drea doesn't have friends. She has, as she's often reminded, issues. Drea's mom and a rotating band of psychiatrists have settled on "a touch of Asperger's." Having just moved to the latest in a string of new towns, Drea meets two other outsiders. And Naomi and Justin seem to actually like Drea. The three of them form a band after an impromptu, Portishead-comparison-worthy jam after school. Justin swiftly challenges not only Drea's preference for Poe over Black Lab but also her perceived inability to connect with another person. Justin, against all odds, may even like like Drea. It's obvious that Drea can't hide behind her sound equipment anymore. But just when she's found not one but two true friends, can she stand to lose one of them? *Harmonic Feedback* is a 2011 Bank Street - Best Children's Book of the Year.

Lemonade Mouth Jan 09 2022 Poets. Geniuses. Revolutionaries. The members of the legendary band Lemonade Mouth have been called all of these things. But until now, nobody's known the inside story of how this powerhouse band came to be. How five outcasts in Opoquonsett High School's freshman class found each other, found the music, and went on to change both rock and roll and high school as we know it. Wen, Stella, Charlie, Olivia, and Mo take us back to that fateful detention where a dentist's jingle, a teacher's coughing fit, and a beat-up ukelele gave birth to Rhode Island's most influential band. Told in each of their five voices and compiled by Opoquonsett's "scene queen," freshman Naomi Fishmeier, this anthology is their definitive history.

[Marriage on Madison Avenue](#) May 13 2022 A USA TODAY bestseller! One of O, The Oprah Magazine's "22 Romance Novels That Are Set to Be the Best of 2020" and one of Goodreads's "28 of the Hottest Romances of 2020" From New York Times bestselling author Lauren Layne, the "queen of witty dialogue" (Rachel Van Dyken, New York Times bestselling author), comes the final installment of the Central Park Pact series, a heartfelt and laugh-out-loud romantic comedy that's perfect for fans of Sally Thorne and Christina Lauren. Can guys and girls ever be just friends? According to Audrey Tate and Clarke West, absolutely. After all, they've been best friends since childhood without a single romantic entanglement. Clarke is the charming playboy Audrey can always count on, and he knows that the ever-loyal Audrey will never not play along with his strategy for dodging his matchmaking mother—announcing he's already engaged...to Audrey. But what starts out as a playful game between two best friends turns into something infinitely more complicated, as

just-for-show kisses begin to stir up forbidden feelings. As the faux wedding date looms closer, Audrey and Clarke realize that they can never go back to the way things were, but deep down, do they really want to?

Girl Culture [2 volumes] Feb 02 2024 Never before has so much popular culture been produced about what it means to be a girl in today's society. From the first appearance of Nancy Drew in 1930, to Seventeen magazine in 1944 to the emergence of Bratz dolls in 2001, girl culture has been increasingly linked to popular culture and an escalating of commodities directed towards girls of all ages. Editors Claudia A. Mitchell and Jacqueline Reid-Walsh investigate the increasingly complex relationships, struggles, obsessions, and idols of American tween and teen girls who are growing up faster today than ever before. From pre-school to high school and beyond, *Girl Culture* tackles numerous hot-button issues, including the recent barrage of advertising geared toward very young girls emphasizing sexuality and extreme thinness. Nothing is off-limits: body image, peer pressure, cliques, gangs, and plastic surgery are among the over 250 in-depth entries highlighted.

Comprehensive in its coverage of the twenty and twenty-first century trendsetters, fashion, literature, film, in-group rituals and hot-button issues that shape—and are shaped by—girl culture, this two-volume resource offers a wealth of information to help students, educators, and interested readers better understand the ongoing interplay between girls and mainstream culture.

Futurewords: A Brick Cave Anthology Jul 03 2021

Hooked on Horror Oct 30 2023 The expanded second edition of this award-winning readers' advisory guide describes and organizes hundreds of horror titles according to reading preference. Special features of this book are a new streamlined organization for easy access; the inclusion of graphic novels; indications of audio, e-book, and large print formats; and much more. An essential tool for readers' advisors in all library settings, and a perfect guide for fans craving for their next great read!

Pride of Lions Aug 16 2022 A dead cheerleader. A town with a violent past. You can run from your demons, but you can't escape evil. Eliza Kingston moved away from Silver Lake twenty years ago after a tragedy rocked the town. She never expected to move back and she certainly never expected to find herself in the middle of a murderer's deadly games. Evan Harding hung up his detective badge 18 months ago and moved back to his hometown to start over. He was just beginning to rebuild his life when he walked into a cafe and right into Eliza Kingston. Evan and Eliza have a complicated history and it isn't long before they both realize that those complications aren't going to stay in the past. After stumbling upon a murdered cheerleader, Eliza and Evan are determined to find her killer. While working the case, they also must navigate the dangerous terrain of their unresolved feelings. Just as they start to find a way back to each other, another girl is murdered and no one in Silver Lake is safe. Can Eliza and Evan catch the killer before another victim loses her life? Utterly gripping mystery for readers who love Lisa Regan, Kendra Elliot, and Melinda Leigh.

***** Topics: romantic suspense, mystery, murder mystery, serial killer, detective, police procedural, amateur detective, crime, suspense, psychological thriller, friends to lovers, romance, love story, mystery series, romance series, twist, surprise, suspenseful, surprising, female sleuth, female heroine Perfect for fans of: Kendra Elliot, Melinda Leigh, Blake Pierce, Lisa Regan, A.J.

Essentials of Consumer Behavior Nov 06 2021 *Essentials of Consumer Behavior* offers an alternative to traditional textbooks for graduate students. Shorter than competing books, but no less rigorous, it includes unique material on vulnerable consumers and ethics. Balancing a strong academic foundation with a practical approach, Stephens emphasizes that consumer behavior does not simply equate to buyer behavior. She examines the thoughts, feelings, and behaviors that shape consumers' attitudes and motivations in relation to brands, products, and marketing messages. Providing a concise guide to the discipline, the author covers key themes such as vulnerable consumers, new technologies, and collaborative consumption. The book is supported by a rich companion website offering links to videos and podcasts, surveys, quizzes, further readings, and more. It will be a valuable text for any graduate student of consumer behavior or marketing, as well as any interested consumers.

My Little Woven Thoughts Jul 15 2022 Now that I am hooked, what's next? Will my marriage be remembered as a fairy tale? Will everyday be sunny? How will we handle our differences? Are you happy in your marriage? Does it feel like you keep dealing with the same problems? Did you really think that your marriage was going to be perfect, even though your soul mate had arrived? Has your husband moved to the head position? Have you down shifted to the neck? Have you two learned how to agree to disagree? Has your marriage lost its spark? Do you all still have date night? No matter how you may have answered these questions, this is a book every married couple should read. I shared some of my deepest and personal pages of my journal in my first book titled, *My Little Woven Thoughts-Volume I-Who's Eve Am I?* Now I have done the same thing in this book. My husband Thomas (TJ) and I had been married more than once. This time we both wanted to experience the togetherness, excitement and gain the will power to resolve any issues that might come up in our day to day activities. We are determined not to end up divorced again. We wanted to get a better understanding of the roles that a man and a woman play in a God-fearing marriage. The only way we were going to achieve this goal is by surrendering all of our ideas to what marriage was really about and trust God's instructions. Not only did we have to trust God's instructions, we had to believe in those instructions and we had to apply those instructions every day. Is marriage easy? No, but with every challenge that comes your way, you must continue to choose your soul mate. I heard Oscar Johnson, my father-in-law say, "Every morning that God allows you to wake up to see your "soul mate"; you must remember the vows you took before God." It will be your choice if you will believe or if you will not believe that "true love can happen". We thank God daily for blessing us with a special romance. We made the choice to "Believe God". May you learn to reevaluate your current marriage, look inside of your own soul and try to do it God's way. We did. We are happy even when the storms of life come. Guess what? On a daily basis we continue to choose one another. Marriage is not a fairy tale, but with God, your marriage can reflect a true love story.

From Every Stormy Wind That Blows Mar 11 2022 Founded in 1841 in Marion, Alabama, Howard College provided a Christian liberal arts education for young men living along the old southwestern frontier. The founders named the school after eighteenth-century British reformer John Howard, whose words and deeds inspired the type of enlightened moral agent and virtuous Christian citizen the institution hoped to produce. In *From Every Stormy Wind That Blows*, S. Jonathan Bass provides a comprehensive history of Howard College, which in 1965 changed its name to Samford University. According to Bass, the "idea" of Howard College emanated from its founders' firm commitment to orthodox Protestantism, the tenets of Scottish philosophy, the British Enlightenment's emphasis on virtue, and the moral reforms of the age. From the Old South, through the Civil War and Reconstruction, to the New South, Howard College adapted to new conditions while continuing to teach the necessary ingredients to transform young southern men into useful and enlightened Christian citizens. Throughout its history, Howard College faced challenges both within and without. As with other institutions in the South, slavery played a central role in its founding, with most of the college's principal benefactors, organizers, and board of trustees earning financial gains from enslaved labor. The Civil War swept away the college's large endowment and growing student

enrollment, and the school never regained a solid financial footing during the subsequent decades—barely surviving bankruptcy and public auction. In 1887, with the continued decline of southern agriculture, Howard College moved to a new campus on the outskirts of Birmingham, where its president, Rev. Benjamin Franklin Riley, a well-known New South economic booster, fought to restore the college's financial health. Despite his best efforts, Howard struggled economically until local bankers offered enough assistance to allow the institution to enter the twentieth century with a measure of financial stability. The challenges and changes wrought by the years transformed Howard College irrevocably. While the original "idea" of the school endured through its classical curriculum, by the 1920s the school had all but lost its connections to John Howard and its founding principles. *From Every Stormy Wind That Blows* is a fascinating look into this storied institution's history and Samford University's origins.

Wendy, Master of Art Nov 18 2022 THE EXISTENTIAL DREAD OF MAKING (OR NOT MAKING) ART TAKES CENTER STAGE IN THIS TRENCHANT SATIRE OF MFA CULTURE Wendy is an aspiring contemporary artist whose adventures have taken her to galleries, art openings, and parties in Los Angeles, Tokyo, and Toronto. In *Wendy, Master of Art*, Walter Scott's sly wit and social commentary zero in on MFA culture as our hero decides to hunker down and complete a master of fine arts at the University of Hell in small-town Ontario. Finally Wendy has space to refine her artistic practice, but in this calm, all of her unresolved insecurities and fears explode at full volume—usually while hungover. What is the post-Jungian object as symbol? Will she ever understand her course reading—or herself? What if she's just not smart enough? As she develops as an artist and a person, Wendy also finds herself in a teaching position, mentoring a perpetually sobbing grade-grubbing undergrad. Scott's incisively funny take on art school pretensions isn't the only focus. *Wendy, Master of Art* explores the politics of open relationships and polyamory, performative activism, the precarity of a life in the arts, as well as the complexities of gender identity, sex work, drug use, and more. At its heart, this is a book about the give and take of community - about someone learning how to navigate empathy and boundaries, and to respect herself. It is deeply funny and endlessly relatable as it shows Wendy growing up from Millennial art party girl to successful artist, friend, teacher—and Master of Art.

Awakening of the Soul Sep 28 2023 In 2002, Grace J. Scott began to receive messages from those beyond the grave. Grace felt it her duty to record their voices, their thoughts, and even their warnings. *Awakening of the Soul* is the amazing result. This intriguing collection of channeled thoughts from souls in heaven, other planetary systems, and other universes will benefit those seeking spiritual growth as well as those wanting information about preparing for upcoming Earth changes. Much of the material is packed with information and requires time to read and digest while other material is simple and easily understood. Presented in chronological order as received in reflexology sessions, the conversations are completely original, unedited, and unorganized, straight from the spirit itself. Some spirits channeled big lessons for the general public or gave messages to individuals while some explained disasters, politics, wars, dreams, and events in our daily lives. But all of the souls have one thing in common: they bring news that Earth is cleansing itself at a rapid pace, and they are here to assist us through the cleansing and beyond. Epic in scope, *Awakening of the Soul* is a vital tool for those looking to the future and to the fate of Earth itself.

From Here to You Nov 30 2023 One woman must decide whether she can trust a complete stranger to protect her and unborn child from the threats of her past in this "touching modern romance" from the author of the #1 New York Times bestseller *Beautiful Disaster* (Library Journal). Named one of the "Best Romance Books of 2018" by Bookbub! As Darby Dixon sits in a tiny Texas church bathroom on her wedding day holding a positive pregnancy test, she realizes that marrying her fiance would be the worst decision of her life. She's never been very good at standing up for herself, but she'll sure as hell stand up for her baby. With very little cash and a ton of courage, she flees town to take a new name and start a new life. As a Marine, Scott "Trex" Trexler worked in the most treacherous, corrupt, war-torn places on earth. With his new top-secret security job, he finally has a chance to return to the one place he's felt at peace: Colorado Springs, Colorado. The moment Trex checks in at

the hotel where she's working, Darby knows he's dangerous. He may want her to think he's another hotshot firefighter, along with all the others battling the nearby mountain blaze, but something doesn't add up. No way will she get involved with another man she can't fully trust - and Trex clearly isn't telling her everything. As Darby's ex gets closer and closer to finding her, both she and Trex will soon find out that what you don't know really can hurt you. "This love story is raw, brilliant, and gives women hope in the impossible. Nothing is more precious than that." --Audrey Carlan, #1 New York Times bestselling author "Jamie McGuire writes with no holds barred ... real and addictive." -- USA Today "Heartfelt emotions, serious social concerns and exceptional character development result in a touching modern romance with inspirational overtones; a sure winner." --Library Journal

Mrs. Hemingway Mar 30 2021 In the dazzling summer of 1926, Ernest Hemingway and his wife Hadley travel from their home in Paris to a villa in the south of France. They swim, play bridge and drink gin. But wherever they go they are accompanied by the glamorous and irrepressible Fife. Fife is Hadley's best friend. She is also Ernest's lover. Hadley is the first Mrs. Hemingway, but neither she nor Fife will be the last. Over the ensuing decades, Ernest's literary career will blaze a trail, but his marriages will be ignited by passion and deceit. Four extraordinary women will learn what it means to love the most famous writer of his generation, and each will be forced to ask herself how far she will go to remain his wife! Luminous and intoxicating, *Mrs. Hemingway* portrays real lives with rare intimacy and plumbs the depths of the human heart.

Strong Female Character Apr 04 2024 Leading film critic of her generation offers an unflinchingly honest and humorous account of her millennial journey towards self-acceptance through a cinematic lens. Hanna Flint speaks from the heart in *Strong Female Character*, a personal and incisive reflection on how cinema has been the key to understanding herself and the world we live in. A staunch feminist of mixed-race heritage, Hanna has succeeded in an industry not designed for people like her. Interweaving anecdotes from familial and personal experiences - episodes of messy sex, introspection, and that time actor Vincent D'Onofrio tweeted that Hanna Flint sounded 'like a secret agent' - she offers a critical eye on the screen's representation of women and ethnic minorities, their impact on her life, body image and ambitions, with the humour and eloquence that has made her a leading film critic of her generation. Divided into the sections *Origin Story*, *Coming of Age*, *Adult Material*, *Workplace Drama* and *Strong Female Character*, the book ponders how the creative industries could better reflect our multicultural society. Warm, funny and engaging and full of film-infused lessons, *Strong Female Character* will appeal to readers of all backgrounds and seeks to help us better see ourselves in our own eyes rather than letting others decide who and what we can be.

All Amazed Jan 01 2024 *All Amazed* celebrates the life and work of the late Roy Kiyooka (1926-1994), one of Canada's first multi-disciplinary artists whose work transcended categorical and cultural exclusivity. At various periods of his life, Kiyooka was a painter, sculptor, teacher, poet, musician, filmmaker, and photographer. When Kiyooka arrived in Vancouver in 1959, he was already one of Canada's most respected abstract painters. His modernist stance at the time inspired a generation of Vancouver painters to reach beyond regionalism. In the sixties and seventies, Kiyooka began to write and publish poetry and produce photographic works; the best known of these, *StoneDGloves* (1969-1970), is both a poetic and photographic project. In all of his projects, he saw the position of the artist as being in opposition to the institutions of art. The shape and scope of Kiyooka's work continues to be revealed, seven years after his death. Based on a major multidisciplinary conference at the University of British Columbia organized by such luminaries as Michael Ondaatje, Daphne Marlatt, Scott Watson, and John O'Brian, *All Amazed* pays tribute to a remarkable artist and poet who continues to amaze and astound us. Includes essays by Roy Miki, Henry Tsang, Sheryl Conkelton, and Scott Toguri McFarlane, as well as numerous black and white images of Kiyooka's artwork.

The Illustrated London News May 01 2021

No Logo Dec 20 2022 "What corporations fear most are consumers who ask questions. Naomi Klein offers us the arguments with which to take on the superbrands." Billy Bragg from the bookjacket.

Los Angeles Noir 2 Oct 06 2021 “This entry, with its high-quality stories from such genre masters as Raymond Chandler and James M. Cain, outshines the typical all-original anthology.”—Publishers Weekly In Akashic Books’s acclaimed series of original noir anthologies, each book comprises all new stories, each one set in a distinct neighborhood or location within the respective city. This collection of classic stories—the sequel to the award-winning, bestselling Los Angeles Noir—“reaffirm[s] that the shadows cast by the Southland’s sun, and its gloomy ocean fog, have proved some of noir’s most fertile territory” (Los Angeles Times). This anthology features stories by Raymond Chandler, Paul Cain, James Ellroy, Leigh Brackett, James M. Cain, Chester Himes, Ross MacDonald, Walter Mosley, Naomi Hirahara, Margaret Millar, Joseph Hansen, William Campbell Gault, Jervey Tervalon, Kate Braverman, and Yxta Maya Murray. “If you love either mysteries or tales about our corner of the world, pick up Noir 2 . . . Hey, the concept of ‘noir’—dark, steamy mystery stories—was invented here.”—Los Angeles Daily News

Shifting the Center Aug 04 2021 *Shifting the Center: Understanding Contemporary Families, Sixth Edition* is a popular anthology of readings used in Sociology of Family and of Marriages/Families/Intimate Relationship courses. Editor Susan J. Ferguson brings together carefully selected pieces written by leading family researchers and drawn from a variety of scholarly sources, including articles from the leading family journals and excerpts from several classic book-length studies. She also provides background and context to help students connect the topics in the readings to the broader themes in the study of family sociology. The table of contents follows the same scope and sequence as the leading family survey texts. Included with this title: LMS Cartridge: Import this title’s instructor resources into your school’s learning management system (LMS) and save time. Don’t use an LMS? You can still access all of the same online resources for this title via the password-protected Instructor Resource Site. Learn more.

Eco-Concepts Jun 13 2022 *Eco-Concepts: Critical Reflections in Emerging Ecocritical Theory and Ecological Thought* offers an intellectual journey through the ever-evolving landscapes of environmental discourse. This thought-provoking volume brings together contributors from international scholarship to scrutinize and illuminate the contemporary trends reshaping our understanding of the natural environment. From the intricate interplay of rising ecocritical theories like restoration and empirical ecocriticism to the nuanced shifts in the reimagining of ecological concepts, this book unravels the complexities of our relationship with the natural sphere. This scholarly collection serves as a compass, guiding readers through the uncharted territories of environmental scholarship or revisiting existing study through fresh critical perspectives. *Eco-Concepts* strives to become an essential source of reference for academics, students, and individuals seeking an in-depth exploration of the innovative notions influencing the trajectory of discussions on ecology.
