It provides the theoretical underpinnings that throw light on the fundamental social psychological processes involved in understanding and managing conflicts at all levels: interpersonal, intergroup, organizational, and international. The *Handbook* covers a broad range of topics including information on cooperation and competition, justice, trust, development, and repair, resolving intractable conflict, and working with culture and conflict. [Discipline That Connects With Your Child's Heart](#) Jim Jackson, Lynne Jackson, 2016-09-20. A Powerful Approach to Bringing God's Grace to Kids. Did you know that the way we deal or don't deal with our kids' misbehavior shapes their beliefs about themselves, the world, and God? Therefore, it's vital to connect with their hearts, not just their minds, amid the daily behavior battles. With warmth and grace, Jim and Lynne Jackson, founders of Connected Families, offer four tried and true keys to handling any behavioral issues with love, truth, and authority. You will learn practical ways to communicate messages of grace and truth, how to discipline in a way that motivates your child, and how to keep your relationship strong, not antagonistic. Discipline is more than just a short-term attempt to modify your child's actions; it's a long-term investment to help them build faith, wisdom, and character for life. When you discover a better path to discipline, you'll find a more well-behaved and well-believed kid.
