**Top Secret Alien Abduction Files** Nick Redfern, 2018 For decades people have reported close encounters with extraterrestrial entities Witnesses describe being kidnapped by large headed black eyed creatures from other worlds Those same creatures have become popularly known as the Grays There is however another aspect to the alien abduction controversy Abductees very often report being followed and spied upon by military and government personnel It is typical for abductees to see black helicopters hovering directly over their homes in an intimidating manner Phone calls are monitored Emails are hacked into Strange men dressed in black suits are seen photographing the homes of the abductees All of this brings us to the matter of what have become known in the domain of alien abduction research as Military Abductions or MILABS According to numerous abductees after being kidnapped by aliens they are kidnapped again by the government These follow up events are the work of a powerful group hidden deep within the military and the intelligence community It is the secret agenda of this highly classified organization to figure out what the so called Grays are really up to And the best way for the government to get the answers is to interrogate those who have come face to face with the UFO phenomenon the abductees Why is the government secretly compiling files on alien abductees Is the alien abduction issue so sinister that it has become a matter of national security proportions

**The Alien Jigsaw** Katharina Wilson,1994

**Who Are They Really?** Daniel Harran,2021-07-28 Who are they really You may be astounded to learn that UFOs and extraterrestrial beings have been visiting Earth regularly for ages but not in the way you might think And abductions are terrifyingly real For a very long time men and women have been confronted with nonhumanbeings who physically abused them Supported by previously overlookedtraditional religious and spiritual knowledge this first of its kindstudy shows that abductions of human beings into UFOs are committed bybeings connected to humankind The philosophical significance of thesediscoveries is immense These space travelers or visitors or kidnapers conduct themselves as neutral observers of the progress of Earth s affairs Even more surprising they can be human beings like us or elementals such as fairies and elves and some of them live among us His shocking science based analysis turns previous notions about UFOs and abductions on their head The presence of aliens on Earth is now established but not all aliens are extraterrestrials

**The Orion Project** Eva Draconis,2013-09 In August 2011 I was contacted by a man from Orion Soon other ETs followed I was an egg donor in their hybrid projects Follow Eva in this journey of alien contact through hundreds of pages of telepathic conversations and encounters written down as they took place as she asks herself and the Aliens is the contact real or imaginary Orion man collects bacteria and describes his medical equipment Reptilians come to be honored Dinosaur warns about the Reptilians Zetas hybrids and a mean white Lady ET And the legendary North Port Florida Devil whom I first call Goblin then Gargoyle comes to talk Other ETs too such as brown Reptilian who demands to be called God and wants sacrificial lambs Strawberry the little red Reptilian who gets beat up by the other Reptilians and many more ETs pay a visit Get to know the Aliens notorious for alien abductions and hybrid programs when they talk in their own words about what they do here Lots of stories and Alien personas for you to love The Orion Project books are a documentary and this is not fiction This book represents the censored version and should be suitable for all ages

**Walking Among Us** David M. Jacobs, PhD,2015-09-01 In his 1998 book The Threat Jacobs uncovered disconcerting reports about aliens plans for the future of Earth He reported that a change is coming a future when very human like hybrids would intermingle with humans in everyday life Soon we will all be together the aliens said Soon everyone will be happy and everyone will know his place This book examines a chilling phenomenon that Jacobs began noticing in 2003 The alien integration action plan has kicked into high gear The incidents of alien abductions have declined as occurrences of alien involvement in everyday life have accelerated A silent and insidious invasion has begun Alien hybrids have moved into your neighborhood and into your workplace They have been trained by human abductees to pass to blend in to society to appear as normal as your next door neighbor This book illustrates in detail the process of alien integration into society and the strategy and support structure that has been developed to make this happen seamlessly While he is not certain why they are doing it the final chapter of the book will provide some chilling possible answers as to why they are here and what they want to accomplish Jacobs is a careful researcher who has investigated more than 1150 abduction events experienced by more than 150 abductees This book focuses on the experiences of thirteen abductees

Fowler, 2014-10-20 This examination of a case of alien abduction will captivate both intrigue and even frighten as one contemplates its implications Dr J Allen Hynek founder Center for UFO Studies CUFOS Reviews The Andreasson Affair is more than just a classic example of a close encounter It is to use the jargon of ufologists a case of such high strangeness that even the most open minded investigators were at first inclined to dismiss it out of hand Yet it has become probably the best documented case of its kind to date the subject of an intensive 12 month investigation conducted for the Center for UFO Studies CUFOS that involved among other things the recording of large quantities of testimony given under hypnosis extensive lie detector testing of witnesses detailed analysis of corroborative circumstantial evidence exhaustive comparison with other such accounts and much more The Andreasson Affair includes The most detailed description of any UFO abduction experience Betty s precise drawings of her experience A supporting foreword to the book by astronomer Dr J Allen Hynek Verification of all events associated with Betty s experience This new edition contains a new afterword for a new generation Something extraordinary happened to Betty Andreasson Maybe she encountered non human visitors or maybe something even more strange Whatever the origin of her experience her immensely powerful story awed me Its rich and provocative imagery will remain with me forever Whitley Strieber author of Communion

Military Mind Control Colin A. Ross, 2011-10 Military Mind Control provides a single case history written by Dr Ross Terese a woman treated in Dr Ross private practice is a survivor of childhood trauma that included paternal incest ritual abuse and military mind control The case history describes the therapeutic goals tasks strategies and principles that have contributed to her recovery including the principle of therapeutic neutrality It is a documented fact that victims of CIA and military mind control experimentation have been hypnotized given hallucinogens held in sensory deprivation chambers given massive amounts of electroshock and subjected to unethical inhumane treatment by psychiatrists Therefore Terese s participation in a military mind control program is unproven it could very well be real

*The Messengers* Mike Clelland, 2020-08-19 Without question this is a classic by one of the most exciting new authors in the UFO field today After reading it your view of reality will never be the same The owl has held a place of reverence and mystique throughout history And as strange as this might seem owls are also showing up in conjunction with the UFO experience Mike Clelland has collected a wealth of first hand accounts in which owls manifest in the highly charged moments that surround alien contact There is a strangeness to these accounts that defy simple explanations This book explores implications that go far beyond what more conservative researchers would dare consider But the owl connection encompasses more than the UFO experience It also includes profound synchronicities ancient archetypes dreams shamanistic experiences personal transformation and death From the mythic legends of our ancient past to the first hand accounts of the UFO abductee owls are playing some vital role This is also a deeply personal story It is an odyssey of self discovery as the author grapples with his own owl and UFO encounters What plays out is a story of transformation with the owl at the heart of this journey
