## Uga Us History Test And Answers

**Georgia Odyssey** James C. Cobb,2010-01-25 Georgia Odyssey is a lively survey of the state s history from its beginnings as a European colony to its current standing as an international business mecca from the self imposed isolation of its Jim Crow era to its role as host of the centennial Olympic Games and beyond from its long reign as the linchpin state of the Democratic Solid South to its current dominance by the Republican Party This new edition incorporates current trends that have placed Georgia among the country s most dynamic and attractive states fueled the growth of its Hispanic and Asian American populations and otherwise dramatically altered its demographic economic social and cultural appearance and persona The constantly shifting cultural landscape of contemporary Georgia writes James C Cobb presents a jumbled panorama of anachronism contradiction contrast and peculiarity A Georgia native Cobb delights in debunking familiar myths about his state as he brings its past to life and makes it relevant to today Not all of that past is pleasant to recall Cobb notes Moreover not all of today s Georgians are as unequivocal as the tobacco farmer who informed a visiting journalist in 1938 that we Georgians are Georgian as hell That said a great many Georgians both natives and new arrivals care deeply about the state s identity and consider it integral to their own Georgia Odyssey is the ideal introduction to our past and a unique and often provocative look at the interaction of that past with our present and future
