Big Red Lollipop Jan 24 2022 Rubina has been invited to her first birthday party, and her mother, Ami, insists that she bring her little sister along. Rubina is mortified, but she can't convince Ami that you just don't bring your younger sister to your friend's party. So both girls go, and not only does Sana demand to win every game, but after the party she steals Rubina's prized party favor, a red lollipop. What's a fed-up big sister to do? Rukhsana Khan's clever story and Sophie Blackall's irresistible illustrations make for a powerful combination in this fresh and surprising picture book.

The Bitter Pill Social Club May 16 2021 You know exactly who they are. The ones who walk right past club lines, who walk into rooms and make you swoon. You've felt their Gucci-anointed aura in a city paved with mildly good intentions and cocaine lines. It's a familiar cast: the centre of attention, the shameless flirt, the loudmouth, the narcissistic writer. It's a familiar setting: a city of smooth talkers, armchair activists, and the rich brats of Instagram wrapped up in cigarette smoke. A place to talk pop spirituality and purple prose in connoisseur-only jazz clubs. Now watch them without an audience. The Bitter Pill Social Club takes a look at the lives of the Kochhar family, who find themselves drifting apart in the city of gins and fake friends, wrapped in cigarette smoke. As one of their own gears up to tie the knot, three siblings come home to the neurotic parents who raised them. Meanwhile the parents face the family patriarch's constant judgment. Divorce, disappointment, and disasters ensue as the entitled Kochhar brood dodges old lovers and marriage proposals.

Rajinikanth Mar 18 2024 Rajinikanth is, quite simply, the biggest superstar cinema-crazy India has ever seen. His stylized dialogues and screen mannerisms are legion, and his guy-next-door-cum-superhero image has found a hysterically appreciative following among millions of moviegoers. Naman Ramachandran's marvellous biography recounts Rajini's career in meticulous detail, tracing his incredible cinematic journey from Apoorva Raagangal (1975) to Kochadaiyaan (2013). Along the way, the book provides rare insights

into the Thalaivar's personal life, from his childhood days to his times of struggle—when he was still Shivaji Rao Gaekwad—and then his eventual stardom: revealing how a legend was born.

Never Stop Jul 18 2021 A memoir from the cofounder of the nation's largest black-owned chain of bookstores. A candid testimony of struggle and achievement. Kirkus Reviews Never Stop is the wrenching memoir of Simba Sana, the cofounder and former leader of Karibu Books, a major indie-bookselling phenomenon and perhaps the most successful black-owned company in the history of the book industry. In this memoir, Sana reveals how his experience with Karibu jumpstarted his lifelong journey to better understanding himself, human nature, faith, and American culture—which ultimately helped him develop the powerful personal philosophy that drives his life today. Born Bernard Sutton in Washington, DC, Sana grew up in the cycle of poverty and violence that dominated inner-city life in the seventies and eighties. Sana's academic success got him into college, where his life increasingly embodied the contradictions that plagued his youth. Committed to self-improvement and self-discipline, he grew into a successful businessman while becoming an impassioned Black Nationalist and Pan-Africanist. He lived the corporate life at Ernst & Young by day while leading radical consciousness-raising groups by night. Building Karibu became Sana's opportunity to bind the disparate elements of his life together. Ultimately, though, the

paradoxes in his identity and his accumulated emotional wounds confounded his effort to overcome his business reversals, and everything Sana built—his marriage, family, and business—was lost in an incredibly brief period of time. Sana had to rebuild his life—and his identity—and set out to do so in a way that focused principally on the meaning and importance of love. “Hands down one of the best explorations into the Black male psyche I’ve ever read.” “Essence

Fool Me Twice Apr 14 2021 Since school, Sana has been the popular girl with excellent grades, beloved by both teachers and parents, living an enviable life. Sana and Ashish have been dating since the eleventh grade, sharing the kind of teenage romance that makes it to the bestsellers list, sells out theatres and causes their loveless friends to gag. Nothing, not even long-distance, can tear the two apart. Except, maybe, a handsome, overachieving, book-reading senior from Sana’s college? Pranav is the typical “cool guy” sought after by the entire college. He also happens to be Sana’s new friend, Aanchal’s, brother. But he’s nothing more than a friend! Sana already has the best boyfriend in the world! Correction: had, before a drunk driver on New Year’s Eve obliterated her happiness. Set in New Delhi, Fool Me Twice is an unconventional story that will stump readers expecting a good, old romance trope. We meet and fall in love with a young couple planning their futures together when life rudely hijacks the steering wheel. Exploring the ways a twenty-year-old navigates grief and life after a loss that shatters most fifty-year-olds, Fool Me Twice looks at the complexity of falling in love 'again' at an age where most are falling for the first time, and what it feels like to move on from mourning one great love to make room for another.

easy Turkish Grammar with answers: an innovative way of teaching Turkish Dec 15 2023 □ What is easy Turkish Grammar? easy Turkish Grammar is a self-study reference and practice book for learners who want to study Turkish for the first time but are not sure where to start. It teaches all the grammar and vocabulary they need for speaking and writing in Turkish. Not only does it explain the rules, it also shows how the language works and gives plenty of practice. It can also be used by lower-intermediate learners who want to revise their knowledge of Turkish. □ Which Turkish does easy Turkish Grammar

teach? It teaches modern standard Turkish, the dialect you read in newspapers and hear on TV channels. □ How is easy Turkish Grammar organised? The grammar To help you have a feel for how Turkish works the book starts with a brief introduction about Turkish spelling, pronunciation, word order and parts of speech such as verbs, nouns and adjectives. After the introduction you will study 36 units presented in order of difficulty. First three units, which deal with spelling and pronunciation, come with online audio. Each unit covers one part of grammar explained by making references to English so that you can compare relevant areas of grammar. Areas where you may have difficulty have been treated with particular care and attention. Each topic is illustrated by plenty of real-life examples written by using the equivalents of 2000 basic English words. And each and every example in the book is translated into English. In the book some unique conventions are used for spelling, pronunciation and grammar in order to help with the learning process. Each set of suffixes in Turkish, which might be mind-boggling for speakers of European languages such as English, is highlighted with a different colour throughout the book so that you can easily spot the order and function of every suffix. You can find the colour-legend at the bottom of the pages. Besides grammar, easy Turkish Grammar teaches lots of everyday phrases and expressions so that it may also make a useful handbook for daily Turkish. The exercises As practice makes perfect, the utmost care has been devoted to writing the exercises. At the end of the units you can find an extensive set of exercises. The appendices The appendices include 11 supplementary lessons, which you are referred to while you are studying the units. The key The key includes the answers to all the exercises. Online audio for the answers is also available. The index The index is unique in that the entries include only titles in English so that you can compare relevant areas

of grammar. For example, if you want to know how to say must or express obligation in Turkish, all you need to do is refer to these titles. Here you will find information not only about how to say must in Turkish but also how Turkish suffix for must is also used to mean should. Or if you want to add -ness to an adjective or -ship to a noun, you will be referred to the relevant page where you will find that Turkish only has the suffix -lik for both. The bibliography If you buy this book, you can get the title 'Turkish Vocabulary Booster: Word formation in Turkish' by the same author for free.
