Reynolds,2014-08-21 Tom likes lots of different things He likes singing and watching TV in the family room There are also things that Tom enjoys doing in private like touching his penis This accessible and positive resource helps parents and carers teach boys with autism or other special needs about masturbation It covers when and where it is appropriate and helps to establish boundaries surrounding privacy more generally With simple but explicit illustrations this book provides the perfect platform to talk about sexuality with boys and young men with autism or special needs

Making Sense of Sex Sarah Attwood,2008-05-15 Puberty is a time of huge change in the physical body in emotional experience and in social relationships Having an understanding of these developments and learning how to deal with them is essential and for people with Asperger s syndrome it can be a challenge to get to grips with the social and emotional aspects of puberty sex and relationships This book is ideal for those who need clear detailed explanations and direct answers to the many questions raised by puberty and sexual maturity Sarah Attwood describes developments in both the male and female body and explains how to maintain hygiene and personal care and to promote general good health She examines emotional changes including moods and sexual feelings and provides comprehensive information on sex sexual health and reproduction She looks at the nature of friendship how it changes from childhood to adulthood and its importance as a basis for sexual encounter She also offers coping strategies for different social experiences from bullying to dating and includes essential tips on the politics of mature behaviour such as knowing the difference between public and personal topics of conversation Making Sense of Sex is a thorough guide written in unambiguous language with helpful diagrams explanations and practical advice for young people approaching puberty and beyond

Tom Needs to Go Kate E. Reynolds,2014-01-09 In this picture book we join Tom as he is out and about and needs to use a public toilet It provides parents and carers with the opportunity to teach boys and young men with autism and other special needs how to use urinals and cubicles safely and to understand the social etiquette

When Young People with Intellectual Disabilities and Autism Hit Puberty Freddy Jackson Brown,Sarah Brown,2016-06-21 Puberty personal hygiene and sex can be difficult topics to broach with your child especially when they have an intellectual disability or autism The authors of this guide provide honest answers to challenging questions and provide solutions to the dilemmas that many parents face on a daily basis Structured around issues related to puberty and emerging sexuality in children with disabilities or autism such as physical changes mood swings and sexual behaviour the book presents case studies alongside practical guidance on how to overcome problems that commonly arise The book also explains laws relevant to disability and sexuality and suggests appropriate sex education programmes to meet the needs of differing degrees of disability

The Autism-Friendly Guide to Periods Robyn Steward,2019-04-18 Written by autistic author Robyn Steward this is a detailed guide for young people aged 9 to 16 on the basics of menstruation Created in consultation with young people an online survey and a group of medical professionals this is a book that teaches all people about periods which can be a scary and overwhelming issue Promoting the fact that everyone either has periods or knows someone who does the book reduces the anxiety girls face in asking for help It offers direct advice on what periods look and feel like and how to manage hygiene and pain It also breaks up information using flaps and step by step photos of how to change pads and tampons it discusses alternatives to tampons and pads and gives information about possible sensory issues for people with autism

Sexuality and Relationship Education for Children and Adolescents with Autism Spectrum Disorders Davida Hartman, 2013-10-21 Children and adolescents with Autism Spectrum Disorders ASD require specialized teaching strategies when learning about puberty sexuality and relationships This professional resource offers practical teaching advice geared towards the needs of young people on the autism spectrum Beginning with information on good practice policy teaching methods and recent research the book then divides into key sex education topics that assist professionals in developing their own individualized and developmentally appropriate curricula Covering issues of gender public and private puberty hygiene emotions sex and more each topic provides an overview of the difficulties that children with autism might experience discussion and activity ideas and photocopiable resources including instructional stories checklists and illustrations The final section demonstrates how to respond to ongoing patterns of inappropriate behaviour and put together a behaviour plan Aiming to explain and support the child s developing sexuality while also addressing crucial issues of safety this book is a much needed teaching manual for all professionals working with children and young adults with autism including educators in mainstream and special education psychologists therapists and social workers

Sexuality Education for Students with Disabilities Thomas C. Gibbon, Elizabeth A. Harkins Monaco, David F. Bateman, 2021-07-02 People with disabilities have traditionally been denied access to sexuality education or the free expression of sexuality Through a disability studies lens this book considers the historical legal and ethical implications of sexuality education for people with disabilities Editors Gibbon Monaco and Bateman and their contributors discuss the roles of family culture entertainment education and social media as they relate to sexuality education and explore contextual concepts such as intersectionality the range of disabling conditions and the connections between adolescent development and disability The text concludes with recommendations to support people with disabilities in the transition to adulthood The editors advocate for public policy improvements and a call to action for students teachers and families

The Maddie Diaries Maddie Ziegler, 2017-03-07 THE NEW YORK TIMES BESTSELLER Teen dance prodigy breakout Dance Moms star and judge on So You Think You Can Dance The Next Generation presents her uplifting coming of age memoir about following her dreams and working hard to achieve success in both the dance world and in life Maddie Ziegler had hoped to become a star she just didn t know how soon that day would come At just eight years old she was cast on Lifetime s hit reality show Dance Moms and quickly won the hearts of fans everywhere with her natural talent and determination Soon she was catching eyes all over including those of pop superstar Sia who handpicked her to star in the incredibly popular music video Chandelier The rest as they say was history In this inspirational memoir Maddie explains the hard work she put into her rise to stardom and how she keeps her balance along the way starring in music videos going on tour and becoming an actress in The Book of Henry with Naomi Watts and Jacob Tremblay She also answers her fans burning questions with wise advice she s learned on her journey With honesty charm and humor Maddie offers her unique perspective on making her way in the world as a young teenager reflecting on the lessons she s learned and preparing for the exciting road ahead

The Growing Up Guide for Girls Davida Hartman, 2015-03-21 The Growing Up Guide for Girls is a one stop guide for young girls on the autism spectrum explaining all they need to know about puberty and adolescence The pre teen and teenage years are a bumpy time when bodies change emotions are high and peers are developing at different paces Using simple literal language and delightful colour illustrations this book explains the facts about body changes such as growing hair in new places periods wearing a bra and keeping spots away It gives cool tips on what makes a real friend what it means to have a crush on somebody and how to stay safe online Most importantly it explains that every body is beautiful and unique and encourages young girls with autism to celebrate difference Perfect preparation for the teenage years for girls aged 9 14

What Is Sex? Kate E. Reynolds,2021-11-29 This carefully written and illustrated book provides an explanation of sex for people with autism and special education needs and disabilities SEND It helps readers to understand the physical processes as well as important issues such as consent and sexual safety helping them to develop positive relationships Many people with autism and SEND have or will have intimate relationships Often sex is alluded to rather than being carefully explored This can create confusion around consent sexual health and pregnancy and cause people to turn to dubious online information This book frankly explains sex so that the reader has a clear understanding of what constitutes sex knowledge of the proper names for sexual organs and sexual activities and is aware of the potential physical consequences of having sex

The Memory Keeper's Daughter Kim Edwards,2006-05-30 A 1 New York Times bestseller by Kim Edwards The Memory Keeper s Daughter is a brilliantly crafted novel of parallel lives familial secrets and the redemptive power of love Kim Edwards s stunning novel begins on a winter night in 1964 in Lexington Kentucky when a blizzard forces Dr David Henry to deliver his own twins His son born first is perfectly healthy but the doctor immediately recognizes that his daughter has Down syndrome Rationalizing it as a need to protect Norah his wife he makes a split second decision that will alter all of their lives forever He asks his nurse Caroline to take the baby away to an institution and never to reveal the secret Instead she disappears into another city to raise the child herself So begins this beautifully told story that unfolds over a quarter of a century in which these two families ignorant of each other are yet bound by the fateful decision made that winter night long ago A family drama The Memory Keeper s Daughter explores every mother s silent fear What would happen if you lost your child and she grew up without you It is also an astonishing tale of love and how the mysterious ties that hold a family together help us survive the heartache that occurs when long buried secrets are finally uncovered

An Exceptional Children's Guide to Touch McKinley Hunter Manasco,2012-08-15 The rules of physical contact can be tricky to grasp and children with special needs are at a heightened risk of abuse This friendly picture book explains in simple terms how to tell the difference between acceptable and inappropriate touch thereby helping the child with special needs stay safe Each story covers a different type of touch from accidental to friendly to hurtful and will help children understand how boundaries change depending on the context It explores when and where it is okay to touch other people when and where other people can touch you why self touching sometimes needs to be private and what to do if touch feels inappropriate This book is an invaluable teaching resource and discussion starter for parents teachers and carers working with children with special needs

Masturbation, Autism and Learning Disabilities Melanie Gadd,2021-07-21 Intimate self touch and masturbation can pose many difficulties for people with learning disabilities and or on the autistic spectrum particularly when it happens in public settings This frank and thorough guide looks at societal cultural and religious views of masturbation how teens develop into sexual beings the right to be sexual how to masturbate appropriate public and private behaviour professional responsibilities and boundaries and legal aspects of this topic It also contains good practice responses providing examples of the issues and solutions in action

Diagnostic Interviewing Michel Hersen, Samuel M. Turner, 2013-03-09 Perhaps the most difficult milestone in a young clinician's career is the completion of the first interview. For the typical trainee the endeavor is fraught with apprehension and with some degree of dread. If the interview goes well there is considerable rejoicing; if it goes badly much consternation results. Irrespective of the amount of preparation that has taken place before the interview the neophyte will justifiably remain nervous about this endeavor. Thus the first edition of *Diagnostic Interviewing* was devoted to providing a clear outline for the student in tackling a large variety of patients in the interview setting. In consideration of the positive response to the first edition of *Diagnostic Interviewing* published in 1985 we and our editor at Plenum Press, Eliot Werner, decided that it was time to update the material. However the basic premise that a book of this nature needs to encompass theoretical rationale, clinical description, and the pragmatics of how to once again has been followed. And as in the case of the first edition this second edition does not represent the cat's being skinned in yet another way. Quite to the contrary we still believe that our students truly need to read the material covered herein with considerable care and once again the book is dedicated to them. We are particularly concerned that in the clinical education of our graduate students interviewing has been given short shrift.

The Prevention of Eating Problems and Eating Disorders Michael P. Levine, Linda Smolak, 2006-04-21 This is the first authored volume to offer a detailed integrated analysis of the field of eating problems and disorders with theory, research, and practical experience from community and developmental psychology, public health, psychiatry, and dietetics. The book highlights connections between the prevention of eating problems and disorders and theory and research in the areas of prevention and health promotion, theoretical models of risk, development, and prevention, e.g., developmental psychopathology, social cognitive theory, feminist theory, ecological approaches, and related research on the prevention of smoking and alcohol use. It is the most comprehensive book available on the study of prevention programs, especially for children and adolescents. The authors review the spectrum of eating problems and disorders, the related risk and protective factors, the models that have guided prevention efforts to date, the literature on the studies of prevention, and suggestions for curriculum and program development and evaluation. The book concludes with a new prevention program based on the Feminist Ecological Developmental model. The 800 references highlight work done around the world. *The Prevention of Eating Problems and Eating Disorders* addresses methodologies for assessing and establishing prevention, the implications of neuroscience for prevention, dramatic increases in the incidence of obesity, the role of boys, men, and the media on body image, prevention programming for minority groups, and whether to focus on primary or secondary prevention. Intended for clinicians and academicians from disciplines such as health, clinical, developmental, and community psychology, social work, medicine, and public health, this book is also an ideal text for advanced courses on eating disorders.

Exploring Friendships, Puberty and Relationships Kate Ripley, 2019-04 An evidence-based programme designed to help young people on the autism spectrum to cope with the many challenges of adolescence. It encourages them to explore their identity, develop their friendships, and think more about adult relationships. Includes lesson plans, supplementary activities, and 200 downloadable and printable flash cards.
