unpublished letters     **Imperial America** Gore Vidal,2009-04-27 Gore Vidal has been described as the last noble defender of the American republic In *Imperial America* Vidal steals the thunder of a right wing America those who have camouflaged their extremist rhetoric in the Old Glory and the Red White and Blue by demonstrating that those whose protest arbitrary and secret government those who defend the bill of rights those who seek to restrain America s international power are the true patriots Those Americans who refuse to plunge blindly into the maelstrom of European and Asiatic politics are not defeatist or neurotic he writes They are giving evidence of sanity not cowardice of adult thinking as distinguished from infantilism They intend to preserve and defend the Republic America is not to be Rome or Britain It is to be America

**Gore Vidal** Gore Vidal,Donald Weise,1999 Gore Vidal has been described as America s finest essayist He is also one of America s finest sex writers Here 14 essays and three interviews on sex and gender including a candid conversation with Larry Kramer     *Gore Vidal's America* Dennis Altman,2005-10-28 Gore Vidal is one of the most significant American writers of the second half of the twentieth century having produced a large number of best selling novels essays plays and pamphlets which have impacted on major political and social debates for fifty years He is both a serious writer and a television and movie celebrity whose increasingly acerbic picture of the United States guarantees he is both revered and reviled Gore Vidal s *America* examines the ways in which Vidal s writings on history politics sex and religion throw into focus our understandings of the United States but also recognizes his versatility and inventiveness as a creative writer some of whose novels *Julian Myra Breckinridge Lincoln Duluth* are among the important literary works of their time Ranging from Vidal s early defence of homosexuality in *The City and the Pillar* 1948 to his most recent writings on the war in Iraq this book provides a unique perspective on the evolution of post World War II American society politics and literature As Altman writes Difficult not to see in the results of the 2004 elections where the Republican right gained in both the White House and the Senate proof of Vidal s worse fears namely that the impact of imperial adventure big money and religious moralism would increasingly imperil the American Republic     **The Golden Age** Gore Vidal,2001-09-18 *The Golden Age* is Vidal s crowning achievement a vibrant tapestry of American political and cultural life from 1939 to 1954 when the epochal events of World War II and the Cold War transformed America once and for all for good or ill from a republic into an empire The sharp eyed and sympathetic witnesses to these events are Caroline Sanford Hollywood actress turned Washington D C newspaper publisher and Peter Sanford her nephew and publisher of the independent intellectual journal *The American Idea* They experience at first hand the masterful maneuvers of Franklin Roosevelt to bring a reluctant nation into the Second World War and later the actions of Harry Truman that commit the nation to a decade long twilight struggle against Communism developments they regard with a decided skepticism even though it ends in an American global empire The locus of these events is Washington D C yet the Hollywood film industry and the cultural centers of New York also play significant parts In addition to presidents the actual characters who appear so vividly in the pages of *The Golden Age* include Eleanor Roosevelt

Harry Hopkins Wendell Willkie William Randolph Hearst Dean Acheson Tennessee Williams Joseph Alsop Dawn Powell and Gore Vidal himself The Golden Age offers up U S history as only Gore Vidal can with unrivaled penetration wit and high drama allied to a classical view of human fate It is a supreme entertainment that is not only sure to be a major bestseller but that will also change listeners understanding of American history and power **Dreaming War** Gore Vidal,2009-07-21 When Gore Vidal s recent New York Times bestseller Perpetual War for Perpetual Peace was published the Los Angeles Times described Vidal as the last defender of the American republic In Dreaming War Vidal continues this defense by confronting the Cheney Bush junta head on in a series of devastating essays that demolish the lies American Empire lives by unveiling a counter history that traces the origins of America s current imperial ambitions to the experience of World War Two and the post war Truman doctrine And now with the Cheney Bush leading us into permanent war Vidal asks whose interests are served by this doctrine of pre emptive war Was Afghanistan turned to rubble to avenge the 3 000 slaughtered on September 11 Or was the unlovely Osama chosen on aesthetic grounds to be the frightening logo for our long contemplated invasion and conquest of Afghanistan After all he was abruptly replaced with Saddam Hussein once the Taliban were overthrown And while evidence is now being invented to connect Saddam with 9 11 the current administration are not helped by stories in the U S press about the vast oil wealth of Iraq which must for the sake of the free world be reassigned to U S consortiums [Point to Point Navigation](#) Gore Vidal,2007-10-09 In a witty and elegant autobiography that takes up where his bestselling Palimpsest left off the celebrated novelist essayist critic and controversialist Gore Vidal reflects on his remarkable life Writing from his desks in Ravello and the Hollywood Hills Vidal travels in memory through the arenas of literature television film theatre politics and international society where he has cut a wide swath recounting achievements and defeats friends and enemies made and sometimes lost From encounters with amongst others Jack and Jacqueline Kennedy Tennessee Williams Eleanor Roosevelt Orson Welles Johnny Carson Francis Ford Coppola to the mournful passing of his longtime partner Howard Auster Vidal always steers his narrative with grace and flair Entertaining provocative and often moving Point to Point Navigation wonderfully captures the life of one of twentieth century America s most important writers

**Gore Vidal** Jay Parini,1992 Gore Vidal known for such best sellers as The City and the Pillar Burr Lincoln and Myra Breckinridge is a household name The controversial Vidal ran for Congress in 1960 and set sparks flying with his public debates challenging William F Buckley and Norman Mailer Although one of America s most admired and prolific writers Vidal has been steadfastly ignored or impugned by many critics This is partly owing to the vast scope of his writings which include more than twenty novels half a dozen plays dozens of screenplays countless essays and book reviews political commentary and short stories how do the critics approach such a writer There has also been backlash against Vidal whose radical polemics and undisguised contempt for those whom he has called the hacks and hicks of academe have hardly endeared him to the critical establishment Gore Vidal Writer Against the Grain is the first collection of critical essays to approach this

important American writer in an attempt to rectify the unwarranted underestimation of his work Jay Parini has drawn from the best of previously published criticism and commissioned fresh articles by leading contemporary critics to construct a comprehensive portrait of Vidal's multifaceted and memorable career Writers as diverse as Harold Bloom Stephen Spender Catharine R Stimpson Richard Poirier and Italo Calvino examine Vidal's work in their own highly individual ways and each finds a different Vidal to celebrate chide recollect or view close up Also included is a recent interview with Parini in which Vidal discusses his career and his troubled relationship with the reviewers The Vidal that finally emerges from these essays is a writer of undeniable weight and importance As readers will agree Gore Vidal Writer Against the Grain establishes his rightful role as one of the premier novelists and leading critical observers of this century [United States](#) Gore Vidal,2001-05-01 Comprising more than 100 of Vidal's inimitable pieces this National Book Award winner features the author's choice of the essays that he has written over a period of 40 years a definitive guide to post war America **Matters of Fact and of Fiction** Gore Vidal,1978 **Creation** Gore Vidal,2018-08-22 Once again the incomparable Gore Vidal interprets and animates history this time in a panoramic tour of the 5th century B C and embellishes it with his own ironic humor brilliant insights and piercing observations We meet a vast array of historical figures in a staggering novel of love war philosophy and adventure There isn't a page of CREATION that doesn't inform and very few pages that do not delight John Leonard The New York Times [Collected Essays, 1952-1972](#) Gore Vidal,1972
