# The Real Thing Stories And Sketches Doris Lessing

The Real Thing Doris Lessing, 2010-10-19 Doris Lessing has a powerful voice and a particular one It speaks in anger at the distortion of personal relations in a unsound society but speaks it with a wit that manages to be both pitiless and compassionate Richard Eder Los Angeles Times The stories and sketches in this collection penetrate to the heart of human experience with the passion and intelligence readers have come to expect of Doris Lessing Most of the pieces are set in contemporary London a city the author loves for its variety its diversity the way it connects the life of animals and birds in the parks to the streets Lessing's fiction also explores the darker corners of relationships between women and men as in the rich and emotionally complex title story in which she uncovers a more parlous reality behind the facade of the most conventional relationship between the sexes

**London Observed** Doris Lessing, 1993 Across eighteen short stories Lessing dissects London and its inhabitants with the power for truth and compassion to be expected of the Nobel Prize for Literature 2007 During that first year in England I had a vision of London I cannot recall now it was a nightmare city that I lived in for a year Then one evening walking across the park the light welded buildings trees and scarlet buses into something familiar and beautiful and I knew myself to be at home Lessing's vision of London a place of nightmares and wonder underpins this brilliantly multifaceted collection of stories about the city seen from a cafe table a hospital bed the back seat of a taxi a hospital casualty department seen as always unflinchingly and compellingly depicted

**The Real Thing** Doris Lessing, 1992 Lessing's collection of keenly observed stories and sketches affirms that she is one of the most penetrating and masterful storytellers of our time Revealing complexities behind the most conventional relationships Lessing once again proves herself an adept and moving chronicler of contemporary life Miami Herald

Doris Lessing Gayle Greene, 1994 An original and compelling appraisal of this important international literary figure

**The Golden Notebook** Doris Lessing, 2008-10-14 Anna is a writer author of one very successful novel who now keeps four notebooks In one with a black cover she reviews the African experience of her earlier years In a red one she records her political life her disillusionment with communism In a yellow one she writes a novel in which the heroine relives part of her own experience And in a blue one she keeps a personal diary Finally in love with an American writer and threatened with insanity Anna resolves to bring the threads of all four books together in a golden notebook Doris Lessing's best known and most influential novel The Golden Notebook retains its extraordinary power and relevance decades after its initial publication

[The Pit](#) Doris Lessing, 1996 [The Grandmothers](#) Doris Lessing, 2009-10-13 Shocking intimate often uncomfortably honest these stories reaffirm Doris Lessing's unequalled ability to capture the truth of the human condition In the title novel two friends fall in love with each other's teenage sons and these passions last for years until the women end them vowing a respectable old age In *Victoria and the Staveney's* a young woman gives birth to a child of mixed race and struggles with feelings of estrangement as her daughter gets drawn into a world of white privilege *The Reason for It* traces the birth faltering and decline of an ancient culture with enlightening modern resonances *A Love Child* features a World War II soldier who believes he has fathered a love child during a fleeting wartime romance and cannot be convinced otherwise [The Idea of Lyric](#) W.
