Arnold, 2013-07-02 At once a captivating mystery a love letter to classic literature and a sharp eyed examination of marriage *The Book of Secrets* is a gripping novel of family friendship and the undeniable pull of the past After more than twenty years of marriage Chloe Sinclair comes home one night to find that her husband Nate is gone All he has left behind is a cryptic note explaining that he s returned to their childhood town of Redbridge California a place Chloe never wants to see again Tending to their small bookstore while trying to reach Nate Chloe stumbles upon a notebook tucked inside his antique copy of *The Lion The Witch and The Wardrobe* Written in a code that Nate and his sisters created as kids the pages contain long buried secrets from her and Nate s past and clues to why he went back to Redbridge after all these years As Chloe struggles to decipher the notebook s hidden messages she revisits the seminal moments of their youth the day she met the enigmatic Sinclair children their increasingly dangerous games a magical escape from their troubled childhoods the first time Nate kissed her camped out on the beach like *Robinson Crusoe* the elaborate plan she and Nate devised inspired by *Romeo and Juliet* to break away from from his oppressive father and how the thwarted attempt upended their lives forever As the reason for Nate s absence comes to light the truth will shatter everything Chloe knows about her husband his family and herself

[When We Were Friends](#) Elizabeth Arnold, 2011-03-22 Lainey Carson and Sydney Beaumont were the closest of friends until they reached high school and Sydney's burgeoning popularity made it easy for her to leave the contemplative ungainly Lainey behind Eighteen years later Lainey who lives at home caring for her mother is an artist who's never found the courage to live her dreams When Sydney shows up on her doorstep with her infant daughter insisting that Lainey is the only friend she can trust Lainey reluctantly agrees to take temporary custody of the baby to protect her from an abusive father But that very night Sydney appears on the evening news claiming that her daughter has been kidnapped Unsure of whom she can trust Lainey is forced to go on the run with a child who is not her own but whose bond with her grows stronger every day they spend together In search of a safe place to stay Lainey befriends a man who concerned for their welfare offers them a home But as the two grow closer she starts to realize that he may be harboring his own secrets An utterly riveting story that will keep you turning the pages *When We Were Friends* asks how we define motherhood and family whether we ever truly overcome our pasts and what friendship really means

**Summer Sisters** Judy Blume, 2009-12-16 1 NEW YORK TIMES BESTSELLER READ WITH JENNA BOOK CLUB PICK AS FEATURED ON TODAY *Summer Sisters* is a book to return to again and again Colleen Hoover As warm as a summer breeze blowing through your hair as nostalgic as James Taylor singing *How Sweet It Is You remember* So does Judy Blume How sweet it was Chicago Tribune In the summer of 1977 Victoria Leonard's world changes forever when Caitlin Somers chooses her as a friend Dazzling reckless Caitlin welcomes Vix into the heart of her sprawling eccentric family opening doors to a world of unimaginable privilege sweeping her away to vacations on Martha's Vineyard an enchanting place where the two friends become summer sisters Now years later Vix is working in New York City Caitlin is getting married on the Vineyard And the

early magic of their long complicated friendship has faded But Caitlin begs Vix to come to her wedding to be her maid of honor And Vix knows that she will go because she wants to understand what happened during that last shattering summer And after all these years she needs to know why her best friend her summer sister still has the power to break her heart

*When We Were Friends* Elizabeth Joy Arnold,2011 A Bantam Books trade paperback original *Pieces of My Sister's Life* Elizabeth Arnold,2007-07-31 Two sisters who shared everything One unforgivable moment And a second chance There s something to talk about in every chapter of Elizabeth Joy Arnold s poignant insightful debut novel the perfect summer read for all those who loved Elisabeth Robinson s *The True and Outstanding Adventures of the Hunt Sisters* Judy Blume s *Summer Sisters* and Jodi Picoult s *My Sister s Keeper* Once Kerry and Eve Barnard did everything together sailing the Block Island harbor with their father listening to their neighbor Justin s magical fairy tales and all the while longing for their absent mother They were twin girls arm in arm secrets entwined between two hearts Until the summer of their seventeenth birthday when their extraordinary bond was shattered And thirteen years later it will take all the courage they can summon to put the pieces back together at a time when it matters most *The Lonely Life* Bette Davis,2017-04-04 Originally published in 1962 *The Lonely Life* is legendary silver screen actress Bette Davis s lively and riveting account of her life loves and marriages now in ebook for the first time and updated with an afterword she wrote just before her death As Davis says in the opening lines of her classic memoir I have always been driven by some distant music a battle hymn no doubt for I have been at war from the beginning I rode into the field with sword gleaming and standard flying I was going to conquer the world A bold unapologetic book by a unique and formidable woman *The Lonely Life* details the first fifty plus years of Davis s life her Yankee childhood her rise to stardom in Hollywood the birth of her beloved children and the uncompromising choices she made along the way to succeed The book was updated with new material in the 1980s bringing the story up to the end of Davis s life all the heartbreak all the drama and all the love she experienced at every stage of her extraordinary life *The Lonely Life* proves conclusively that the legendary image of Bette Davis is not a fable but a marvelous reality **Guard Your Daughters** Diana Tutton,2017-10-19 The Harvey sisters are unconventional unschooled and oddly named they have been brought up at quite some distance from the rest of the world Living with their famous detective writer father and their fragile mother they have been one another s friends with hardly any experience of people outside their family *Written in My Own Heart's Blood* Diana Gabaldon,2014-06-10 In her now classic novel *Outlander* Diana Gabaldon told the story of Claire Randall an English ex combat nurse who walks through a stone circle in the Scottish Highlands in 1946 and disappears into 1743 The story unfolded from there in seven bestselling novels and CNN has called it a grand adventure written on a canvas that probes the heart weighs the soul and measures the human spirit across centuries Now the story continues in *Written in My Own Heart's Blood* 1778 France declares war on Great Britain the British army leaves Philadelphia and George Washington s troops leave Valley Forge in pursuit At this moment Jamie Fraser returns from a presumed watery grave to

discover that his best friend has married his wife his illegitimate son has discovered to his horror who his father really is and his beloved nephew Ian wants to marry a Quaker Meanwhile Jamie s wife Claire and his sister Jenny are busy picking up the pieces The Frasers can only be thankful that their daughter Brianna and her family are safe in twentieth century Scotland Or not In fact Brianna is searching for her own son who was kidnapped by a man determined to learn her family s secrets Her husband Roger has ventured into the past in search of the missing boy never suspecting that the object of his quest has not left the present Now with Roger out of the way the kidnapper can focus on his true target Brianna herself Written in My Own Heart s Blood is the brilliant next chapter in a masterpiece of the imagination unlike any other When You Were Here Daisy Whitney,2013-06-04 Filled with humor raw emotion a strong voice and a brilliant dog named Sandy Koufax When You Were Here explores the two most powerful forces known to man death and love Daisy Whitney brings her characters to life with a deft touch and resonating authenticity Danny s mother lost her five year battle with cancer three weeks before his graduation the one day that she was hanging on to see Now Danny is left alone with only his memories his dog and his heart breaking ex girlfriend for company He doesn t know how to figure out what to do with her estate what to say for his Valedictorian speech let alone how to live or be happy anymore When he gets a letter from his mom s property manager in Tokyo where she had been going for treatment it shows a side of a side of his mother he never knew So with no other sense of direction Danny travels to Tokyo to connect with his mother s memory and make sense of her final months which seemed filled with more joy than Danny ever knew There among the cherry blossoms temples and crowds and with the help of an almost but definitely not Harajuku girl he begins to see how it may not have been ancient magic or mystical treatment that kept his mother going Perhaps the secret of how to live lies in how she died Love, Lucas Chantele Sedgwick,2015-05-05 A 2015 Whitney Award Nominee A powerful story of loss second chances and first love reminiscent of Sarah Dessen and John Green When Oakley Nelson loses her older brother Lucas to cancer she thinks she ll never recover Between her parents arguing and the battle she s fighting with depression she feels nothing inside but a hollow emptiness When Mom suggests they spend a few months in California with Aunt Jo Oakley isn t sure a change of scenery will alter anything but she s willing to give it a try In California Oakley discovers a sort of safety and freedom in Aunt Jo s beach house Once they re settled Mom hands her a notebook full of letters addressed to her from Lucas As Oakley reads one each day she realizes how much he loved her and each letter challenges her to be better and to continue to enjoy her life He wants her to move on If only it were that easy But then a surfer named Carson comes into her life and Oakley is blindsided He makes her feel again As she lets him in she is surprised by how much she cares for him and that s when things get complicated How can she fall in love and be happy when Lucas never got the chance to do those very same things With her brother s dying words as guidance Oakley knows she must learn to listen and trust again But will she have to leave the past behind to find happiness in the future Sky Pony Press with our Good Books Racehorse and Arcade imprints is proud to publish a broad range of books for young readers

**Girl Meets Boy** Ali Smith,2021-06-30 From the astonishingly talented writer of *The Accidental* and *Hotel World* comes Ali Smith's brilliant retelling of Ovid's gender bending myth of Iphis and Ianthe as seen through the eyes of two Scottish sisters *Girl Meets Boy* is about girls and boys girls and girls love and transformation and the absurdity of consumerism as well as a story of reversals and revelations that is as sharply witty as it is lyrical Funny fresh poetic and political *Girl Meets Boy* is a myth of metamorphosis for a world made in Madison Avenues image and the funniest addition to the *Myths* series from Canongate since Margaret Atwood's *The Penelopiad*

*Upstate* James Wood,2018-06-05 New Yorker book critic and award winning author James Wood delivers a novel of a family struggling to connect with one another and find meaning in their own lives In the years since his daughter Vanessa moved to America to become a professor of philosophy Alan Querry has never been to visit He has been too busy at home in northern England holding together his business as a successful property developer His younger daughter Helen a music executive in London hasn't gone either and the two sisters close but competitive have never quite recovered from their parents bitter divorce and the early death of their mother But when Vanessa's new boyfriend sends word that she has fallen into a severe depression and that he's worried for her safety Alan and Helen fly to New York and take the train to Saratoga Springs Over the course of six wintry days in upstate New York the Querry family begins to struggle with the questions that animate this profound and searching novel Why do some people find living so much harder than others Is happiness a skill that might be learned or a cruel accident of birth Is reflection conducive to happiness or an obstacle to it If as a favorite philosopher of Helen's puts it the only serious enterprise is living how should we live Rich in subtle human insight full of poignant and often funny portraits and vivid with a sense of place James Wood's *Upstate* is a powerful intense beautiful novel
