A Hot-eyed Moderate Jane Rule,1993 The title phrase captures nicely Rule s blend of honesty and cool analytical power with moral and artistic passion The Women s Review of Books 1993 *Sanctuary* Emily Rapp Black,2021-01-19 An often beautiful jewel of a book Black s power as a writer means she can take us with her to places that normally our minds would refuse to go The New York Times Book Review Editors Choice From the New York Times bestselling author of *The Still Point of the Turning World* comes an incisive memoir about how she came to question and redefine the concept of resilience after the trauma of her first child s death Congratulations on the resurrection of your life a colleague wrote to Emily Rapp Black when she announced the birth of her second child The line made Rapp Black pause Her first child a boy named Ronan had died from Tay Sachs disease before he turned three years old an experience she wrote about in her second book *The Still Point of the Turning World* Since that time her life had changed utterly She left the marriage that fractured under the terrible weight of her son s illness got remarried to a man who she fell in love with while her son was dying had a flourishing career and gave birth to a healthy baby girl But she rejected the idea that she was leaving her old life behind that she had in the manner of the mythical phoenix risen from the ashes and been reborn into a new story when she still carried so much of her old story with her More to the point she wanted to carry it with her Everyone she met told her she was resilient strong courageous in ways they didn t think they could be But what did those words mean really This book is an attempt to unpack the various notions of resilience that we carry as a culture Drawing on contemporary psychology neurology etymology literature art and self help Emily Rapp Black shows how we need a more complex understanding of this concept when

applied to stories of loss and healing and overcoming the odds knowing that we may be asked to rebuild and reimagine our lives at any moment and often when we least expect it Interwoven with lyrical unforgettable personal vignettes from her life as a mother wife daughter friend and teacher Rapp Black creates a stunning tapestry that is full of wisdom and insight
