*The Sacrifice* Joyce Carol Oates, 2015-01-27 Simply the most consistently inventive brilliant curious and creative writer going Gillian Flynn Best selling author Joyce Carol Oates blends sexual violence racism brutality and power in her latest incendiary novel

**The Man Without a Shadow** Joyce Carol Oates, 2016-01-19 In this taut and fascinating novel the bestselling New York Times bestselling and National Book Award winning author of *The Sacrifice* *The Accursed* and *Lovely Dark Deep* examines the mysteries of memory personality and identity and pierces the enigmatic force that drives human lives love In 1965 neuroscientist Margot Sharpe meets the attractive charismatic Elihu Hoopes the man without a shadow whose devastated memory unable to store new experiences or to retrieve the old will make him the most famous and most studied amnesiac in history Over the course of the next thirty years Margot herself becomes famous for her experiments with E H and inadvertently falls in love with him despite the ethical ambiguity of their affair and though he remains forever elusive and mysterious to her haunted by mysteries of the past *The Man Without a Shadow* tracks the intimate illicit relationship between Margot and Eli as scientist and subject embark upon an exploration of the labyrinthine mysteries of the human brain Where does memory reside Where is love Is it possible to love an individual who cannot love you who cannot remember you from one meeting to the next Made vivid by her exceptional eye for detail and her keen insight into the human psyche *The Man Without A Shadow* is a unique story of forbidden love a kind of secret evolving marriage depicted in Joyce Carol Oates's tight impassioned prose It is an uncanny ambitious and structurally complex novel that penetrates the mind and illuminates the heart

*Foxfire* Joyce Carol Oates, 1994-08-01 New York Times bestselling author Joyce Carol Oates's strongest and most unsparing novel yet an always engrossing often shocking evocation of female rage gallantry and grit The time is the 1950s The place is a blue collar town in upstate New York where five high school girls join a gang dedicated to pride power and vengeance on a world that seems made to denigrate and destroy them Here is the secret history of a sisterhood of blood a haven from a world of male oppressors marked by a liberating fury that burns too hot to last Above all it is the story of Legs Sadovsky with her lean on the edge icy beauty whose nerve muscle hate and hurt make

her the spark of Foxfire its guiding spirit its burning core At once brutal and lyrical this is a careening joyride of a novel charged with outlaw energy and lit by intense emotion Amid scenes of violence and vengeance lies this novel s greatest power the exquisite astonishing rendering of the bonds that link the Foxfire girls together Foxfire reaffirms Joyce Carol Oates s place at the very summit of American writing

**The Sacrifice** Adele Wiseman,2016-12-06 The Sacrifice is a haunting depiction of one family and its often tragic attempts to come to terms with a new life in a new country It is a moving almost biblical story of a father possessed by his hope for his only son of a son who rebels against his father s ideals yet sacrifices himself to preserve what his father most prizes and of a grandson who must reconcile the flaws in his inheritance

The Doll-Master Joyce Carol Oates,2016-05-03 This Bram Stoker Award winning collection is certain to stick in your mind long after you ve turned the last page St Louis Post Dispatch Includes Big Momma a finalist for the International Thriller Writers Award for Best Short Story Here are six of Joyce Carol Oates s most frightening and deeply disturbing short stories Pittsburgh Post Gazette In the titular story a boy becomes obsessed with his cousin s doll after her tragic death As he grows older he begins to collect found dolls from surrounding neighborhoods each with its own sinister significance In Gun Accident a teenage girl is delighted to house sit for her favorite teacher until an intruder forces his way inside changing more than one life forever The collection closes with the taut tale of a mystery bookstore owner whose designs on a rare bookshop in scenic New Hampshire devolve into a menacing game with real life consequences At the heart of each story is a predator prey relationship and what makes them so terrifying is that most of us can easily picture ourselves as the prey at least at some time during our lives Minneapolis Star Tribune Everything she writes in whatever genre has an air of dread because she deals in vulnerabilities and inevitabilities in the desperate needs that drive people to their fates A sense of helplessness is the essence of horror and Oates conveys that feeling as well as any writer around Terrence Rafferty The New York Times Book Review One of the stranger parts of the human condition may be our deep fascination and at times troubling exploration of the darker aspects of our nature No other author explores the ugly and at times blazingly unapologetic underbelly of these impulses quite like Joyce Carol Oates in The Doll Master Pittsburgh Post Gazette In her new collection Oates relishes moments of gothic melodrama while rooting them firmly in grindingly ordinary American lives The Guardian Oates convincingly demonstrates her mastery of the macabre with this superlative story collection This devil s half dozen of dread and suspense is a must read Publishers Weekly starred review

Bloody Good Allen J. Frantzen,2004 In the popular imagination World War I stands for the horror of all wars The unprecedented scale of the war and the mechanized weaponry it introduced to battle brought an abrupt end to the romantic idea that soldiers were somehow knights in shining armor who always vanquished their foes and saved the day Yet the concept of chivalry still played a crucial role in how soldiers saw themselves in the conflict Here for the first time Allen J Frantzen traces these chivalric ideals from the Great War back to their origins in the Middle Ages and shows how they resulted in highly influential models of behavior for men in combat Drawing on a wide selection of literature and images from

the medieval period along with photographs memorials postcards war posters and film from both sides of the front Frantzen shows how such media shaped a chivalric ideal of male sacrifice based on the Passion of Jesus Christ He demonstrates for instance how the wounded body of Christ became the inspiration for heroic male suffering in battle For some men the Crucifixion inspired a culture of revenge one in which Christ s bleeding wounds were venerated as badges of valor and honor For others Christ s sacrifice inspired action more in line with his teachings a daring stay of hands or reason not to visit death upon one s enemies Lavishly illustrated and eloquently written *Bloody Good* will be must reading for anyone interested in World War I and the influence of Christian ideas on modern life *Do with Me You Will* Joyce Carol Oates,1973 *The (Other) You* Joyce Carol Oates,2021-02-09 A powerful reckoning over the people we might have been if we d chosen a different path from a master of the short story In this stirring reflective collection of short stories Joyce Carol Oates ponders alternate destinies the other lives we might have led if we d made different choices An accomplished writer returns to her childhood home of Yewville but the homecoming stirs troubled thoughts about the person she might have been if she d never left A man in prison contemplates the gravity of his irreversible act A student s affair with a professor results in a pregnancy that alters the course of her life forever Even the experience of reading is investigated as one that can create a profound transformation You could enter another time the time of the book *The Other You* is an arresting and incisive vision into these alternative realities a collection that ponders the constraints we all face given the circumstances of our birth and our temperaments and that examines the competing pressures and expectations on women in particular Finely attuned to the nuances of our social and psychic selves Joyce Carol Oates demonstrates here why she remains one of our most celebrated and relevant literary figures **Spiritual Envy** Michael Krasny,2012 Krasny brings his wide ranging knowledge and perceptive intelligence to a thoughtful and thought provoking exploration of belief and lack of belief He helps believers and nonbelievers alike understand their own questions about faith and religion Personal and universal timely and timeless this is a deeply wise yet warmly welcoming conversation an invitation to ask one s own questions no matter how inconclusive the answers *by the north gate* joyce carol oates ,1963 *The Tragic Vision of Joyce Carol Oates* Mary Kathryn Grant,1970 *Unholy Loves* Joyce Carol Oates,1983 **Hope and Other Dangerous Pursuits** Laila Lalami,2005-10-07 A dream of a debut by turns troubling and glorious angry and wise Junot Diaz *Hope and Other Dangerous Pursuits* the debut of Pulitzer Prize and National Book Award finalist Laila Lalami evokes the grit and enduring grace that is modern Morocco The book begins as four Moroccans illegally cross the Strait of Gibraltar in an inflatable boat headed for Spain What has driven them to risk their lives And will the rewards prove to be worth the danger There s Murad a gentle unemployed man who s been reduced to hustling tourists around Tangier Halima who s fleeing her drunken husband and the slums of Casablanca Aziz who must leave behind his devoted wife in hope of securing work in Spain and Faten a student and religious fanatic whose faith is at odds with an influential man determined to destroy her future Sensitively written with beauty and boldness this is a

gripping book about what propels people to risk their lives in search of a better future      **Throw Down Your Stones** Carole Roxburgh, 2007-01-07 Life gives us choices When we know what's right JUST DO IT These forty stones help you find that the right choices in life are much better Wrong choices can keep our lives in turmoil and nothing will seem to ever go right This journey through my years of raising my children and growing up will help you too as you share my stones Some stones will seem rough others smooth and then there are those stones which will bring hard changes in your life But if you throw down your stones God will begin a work in your life to help you be who you were called to be There were times I felt like I was being stoned Then other times I could find rest and peace in receiving these stones Yet in all these stones you will see as I did that when I made the right choice to let God be God I found these stones easy to lay down before a Holy God knowing that no matter what was happening in my life God would be with me all the way God promises to never leave us or forsake us Through these years and years of learning to walk in obedience and sacrifice I have grown up and found that God's ways and His thoughts are not our thoughts HE IS THE WAY THE TRUTH and THE LIFE It was not always easy but it was a journey of a lifetime for me with a God who loves me so much that He gave His life so we can all be over comers and not be overcome Now follow me down this less traveled path to find peace joy obedience and sacrificial love as you too begin to THROW DOWN YOUR STONES      **Sacrifice** Harold Carlton, 1991
