Move the Sun Susan Fanetti,2014-10-10 Lilli Accardo moves to the dying town of Signal Bend Missouri where the citizens have made a devil s bargain to stay afloat Lilli quickly garners the attention of the whole town particularly Isaac Lunden President of the Night Horde Motorcycle Club and de facto protector of the town and its citizens When it turns out that Lilli is there under murky circumstances Isaac decides to get close and try to figure out what she s hiding Their chemistry is instantaneous and electric but each is a potential danger to the other Action sex and drama ensue as Isaac and Lilli try to navigate the rocky terrain between trust and threat Note Explicit sex and violence *Crash* Susan Fanetti,2016-12-03 Tulsa Oklahoma 1995 Conrad Radical Jessup Sergeant at Arms of the Brazen Bulls Motorcycle Club has life just about where he wants it he s free of a bad marriage and his club is cruising along healthy and strong their business relationships as solid as their brotherhood He s a contented man riding his road at his speed Until a massive highway wreck brings a blonde on a little sportster crashing into his life Willa Randall is making a new life in Tulsa working hard to put a demolished past in her rearview mirror Trying to keep herself safe she s built a life insulated by locks and walls Inside those walls she s alone but she feels secure and that s enough Until a big tattooed biker holds out his hand and helps her up from the pavement A love seeded in chaos grows fast and deep But when chaos is a constant can any love endure Note explicit sex and violence *The Cinema of Tarkovsky* Nariman Skakov,2012-01-30 The phenomenon of time was a central preoccupation of Tarkovsky throughout his career His films present visions of time by temporal means that is in time Tarkovsky does not represent time through coherent argument Nariman Skakov proposes rather he presents it and the viewer experiences the argument This book explores the phenomenon of spatio temporal lapse in Tarkovsky s cinema from Ivan s Childhood 1962 to Sacrifice 1986 Dreams visions mirages memories revelations reveries and delusions are phenomena which present alternative spatio temporal patterns they disrupt the linear progression of events and create narrative discontinuity Each chapter is dedicated to the discussion of one of Tarkovsky s seven feature films and in each one of these phenomena functions as a refrain Skakov discusses the influence of the flow of and lapses in space and time on the viewer s perception of the Tarkovskian cinematic universe He opens and closes his original and fascinating book on Tarkovsky s cinema by focusing on the phenomenon of time that is discussed extensively by the filmmaker in his main theoretical treatise *Sculpting in Time* as well as in a number of interviews and public lectures **Andrei Tarkovsky** Peter Green,1993 A survey of the work of Andrei Tarkovsky the Russian film maker who lived from 1932 1986 It is a critical examination of his films in the light of his own writings and life his aesthetics of film his theory of time in cinematography and an attempt to comprehend his vision **On the History of Film Style** David Bordwell,1997 Bordwell scrutinizes the theories of style launched by various film historians and celebrates a century of cinema The author examines the contributions of many directors and shows how film scholars have explained

stylistic continuity and change *That Winter* Pamela Gillilan, 1986 Pamela Gillilan was born in London in 1918 married in 1948 and moved to Cornwall in 1951 When she sat down to write her poem *Come Away* after the death of her husband David she had written no poems for a quarter of a century Then came a sequence of incredibly moving elegies Other poems followed and two years after starting to write again she won the Cheltenham Festival poetry competition Her first collection *That Winter* Bloodaxe 1986 was shortlisted for the Commonwealth Poetry Prize *Breath, Suspended* Diane Alters, 2022-03-18 Diane Alters profound encounter with loss the murder of her son creates a strange fecundity How do we carry what is unbearable nurturing grief until through endless labor it gives birth to something else These poems groan with creation opening to compassion on all the disappeared of the world all the Trayvon Martins all the school children killed in endless shootings And still this is a work of great nakedness in which the poet bares and bears herself in witness to the life of her radiant son If I still had faith would I be pain free she asks No the pain will remain but these poems effect a transposition a birth that makes pain generative honest an intimacy that honors and accompanies the loss ELIZABETH ROBINSON author of *On Ghosts* What does it mean to write at the aperture of grief Diane Alters *Breath Suspended* answers just this in her gorgeously crafted elegy that captures the life and loss of her son Mando These poems which bridge the gap between the United States and Mexico City show us how small and how tremendously large the distance between two bodies can be The aperture the space through which light passes becomes the heart of these gut wrenching poems Her work gathers us on the brink between stasis and motion between wound and breath As Alters writes Vallejo gave me an almost indecipherable word *empozarse* a verb that puts water in an eye and leaves it just under the rim ANDREA REXILIUS author of *Sister Urn*

**Yann Tiersen - Kerber** Yann Tiersen, 2021-07-01 Piano Solo Songbook I think there is a similarity between the infinite big and the infinite smallness of everything says Yann Tiersen It's the same experiment looking through a microscope as it is a telescope Named after a chapel in a small village on the island of Ushant Kerber marks a new chapter in critically acclaimed composer Yann Tiersen's career A chapter still true to Tiersen's nuanced and subtle approach but one that sets out with his most overtly electronic material to date Beautifully textured highly immersive and thoughtfully constructed Tiersen creates an electronic world providing an environment in which the piano source exists A sense of place has often been a central theme in Tiersen's work and here that is no different Each track is tied to a place mapping out the immediate landscape that surrounds Tiersen's home linking back to his thoughts on the possibilities of the infinite smallness This official exclusive folio is beautifully printed on high quality uncoated paper with striking graphic artwork All seven pieces are presented for solo piano and follow an exclusive introduction to the project *I Will Survive* Gloria Gaynor, 2014-03-11 *I Will Survive* is the story of Gloria Gaynor America's Queen of Disco It is the story of riches and fame despair and finally salvation Her meteoric rise to stardom in the mid 1970s was nothing short of phenomenal and hits poured forth that pushed her to the top of the charts including *Honey Bee* *I Got You Under My Skin* *Never Can Say Goodbye* and the song that has immortalized

her I Will Survive which became a 1 international gold seller With that song Gloria heralded the international rise of disco that became synonymous with a way of life in the fast lane the sweaty bodies at Studio 54 the lines of cocaine the indescribable feeling that you could always be at the top of your game and never come down But down she came after her early stardom and problems followed in the wake including the death of her mother whose love had anchored the young singer as well as constant battles with weight drugs and alcohol While her fans always imagined her to be rich her personal finances collapsed due to poor management and while many envied her she felt completely empty inside In the early 1980s sustained by her marriage to music publisher Linwood Simon Gloria took three years off and reflected upon her life She visited churches and revisited her mother s old Bible Discovering the world of gospel she made a commitment to Christ that sustains her to this day *Behold the Stars* Susan Fanetti,2014-11-24 Lawrence Ellis with vast wealth and power has made it known that he wants control of Signal Bend Missouri He is a man who always gets what he wants there are no limits to the lengths he ll go and he has the means to pay all manner of people to do his dirty work for him The Night Horde MC led by its President Isaac Lunden is wildly outmatched but prepared nonetheless to defend their hometown to the last man and they are willing to do whatever they must to protect their home Lilli Accardo Isaac s old lady with her own special skills and resources stands with them rebelling against Isaac s need to shield her After toying with them for months Ellis loses patience for the game and rains down destruction on the Horde their families and the town itself Tested to their very limits beyond anything they could have imagined forced to travel dark roads the citizens of Signal Bend fight a war no one not even they themselves thinks they can win Challenged constantly from without beset by their own inner demons Isaac and Lilli must find the true strength within their bond Isaac needs to protect what is his Lilli needs to stand on her own but they are stronger side by side Even in the deepest darkness love brings hope NOTE dark themes explicit sex and violence **Knife & Flesh**,2015 Patrick Trick Stavros is a soldier in the Night Horde SoCal and he was a soldier in the US Army once upon a time a sniper deployed to Afghanistan The club recently tasked him to use those skills and the job he did for his club weighs heavy on him just as the job he did for his country does He s struggling under the weight and he s beginning to crumble Juliana Dominguez is a single mother who has just moved with her young daughter Lucie into Trick s apartment complex Juliana and Trick know each other a little and share a mutual attraction but she has rebuffed his advances She knows about the Night Horde and she wants a safer more secure life for her daughter Circumstances conspire to bring them together despite Juliana s reservations and they learn that they share some kinds of pain and can make each other stronger Then just as Juliana realizes that with Trick she and Lucie can have the security and stability they need and also have something even more important real deep meaningful love the consequences of Trick s club life threaten to tear it all away Note explicit sex and violence [All the Sky](#) Susan Fanetti,2014-11-28 Joseph Havoc Mariano is an enforcer for the Night Horde MC He s a punch first think maybe kind of guy a man of action He s impatient and frustrated with the quiet life times are changing his

town is changing his club is changing and Havoc places the blame squarely on the women that his brothers are settling down with There s only room for two women in his life his mother and his sister Romance holds no appeal for him whatsoever He s a homegrown hometown boy whose attitude covers scars he s mostly forgotten about Corinne Hawes is a single mother struggling to find a way to make a life for her and her teenage son Nolan She is an artist at heart a free spirit on whom the structure and rigor of routine chafes hard When she takes a job that makes Havoc her boss they butt heads But in their confrontations a spark ignites When they let their guards down that spark explodes into a blaze While Cory learns to trust Havoc and Havoc grapples with a major shift in his priorities and outlook on life the period of legitimacy and peace comes to an end for the Horde They had no idea that they were in so deep until an old enemy resurfaces and perpetrates a horror that affects Havoc and Cory profoundly Note Explicit sex and violence *Property of Drex #2* C.
