Aaibhe Shee Queen Legend 025 Claudy Conn

Hungry Moon-Quicksilver Claudy Conn,2012-12-09 Ravena MacAllister doesn't want to admit what she is. She wants to continue pretending she's just human, only human like her mother, like her friends. But she isn't human. Heartbreak and betrayal send her off rushing to Scotland to a familiar haven where she has spent so many summers with her father, but she soon discovers that everything has changed. From the moment she meets Quinn MacValdane, shock waves travel through him to her and back again, wrapping them in a tide of passion she had never dreamt possible. But if they are to have a future together, she must confront who and what she is, for she will need to call on the powers within her as she becomes embroiled in an adventure that will alter her life forever. The time for pretending is over. The Dark Fae Terry Spear,2011-05-13 Alicia has planned a vacation at South Padre Island with her girlfriend Cassie in forever. But just as they're enjoying a day on the beach, here comes a dark fae to spoil their holiday, except only she can see what he truly is. Alicia has no idea how upside down her world can turn with a chance meeting with one of the dark fae from the royal house of the Denkar. Alicia's always known she's different, that she can recognize the mischievous fae when they show up to play with the humans. Only now she's faced with one highly annoyed dark fae and she's certain he knows the truth about her. She can see him, which means her life is forfeit. Add to that his sister arrives who wants to play too. And their mother, the queen of the Denkar, will want Alicia's head once she learns what Alicia can do. And all because Alicia was attempting to rescue her friend Cassie on their beach excursion at South Padre Island from the wicked fae. Now Alicia has really gone and done it, and she's thinking she should have let the fae have his fun. Her friend's broken heart would be a lot easier to deal with than Alicia losing her life. But it is too late for regrets. As soon as she threw the soda at the dark fae's chest, she had declared war on the fae. And he is happy to take up the challenge. *Dark Prince* Christine Feehan,2011-03-08 An incomparable gift for Christine Feehan fans. *Dark Prince* returns in a new author's cut special edition. 1 New York Times bestseller.
