I Do Not Cede Dec 21 2021 In Heather McPherson's poetry the everyday is eroticised. The poems collected posthumously in *I Do Not Cede* are passionate odes to lesbian love, the body and the sensual. *I Do Not Cede*, a chapbook, offers a taste of poems to be included in *Dirty Laundry: New and Selected Poems*, a major collection of Heather's work, also edited by Emer Lyons and due 2024. Heather McPherson (1942-2017) was Aotearoa New Zealand's first out lesbian to publish a collection of poems, *A Figurehead: A Face* (Spiral 1982). She published three further collections in her lifetime and Spiral published *This Joyous Chaotic Place: Garden Poems* posthumously in 2018 and her work is widely anthologised, most recently in *Manifesto Aotearoa* (Otago University Press 2017) and *Out Here: An Anthology of Takatāpui and LGBTQIA Writers from Aotearoa New Zealand* (Auckland University Press 2021). Heather was also a publisher and editor who played a key role in supporting women artists and writers. In 1976 she founded the *Spiral Collectives* with *Spiral*, a women's arts and literary journal; and in 1980 she was one of the founding members of *The Women's Gallery* (Wellington 1980-1984). In 2018, *This Joyous, Chaotic Place: He Waiata Tangi-ā-Tahu*, a ground-breaking exhibition celebrating Heather and her peers, was held at Mokopōpaki in Auckland. Heather was for years the single mother of her son Rick and, later, a loving and enthusiastic grandmother. Editor Emer Lyons, who is preparing a major collection of Heather's poems, *Dirty Laundry*, is a lesbian writer from West Cork. The recipient of the inaugural University of Otago City of Literature PhD scholarship, she now holds a creative/critical PhD in lesbian poetry and the manifestations of shame and is the Irish Studies Postdoctoral Fellow at Otago's Centre for Irish and Scottish Studies. Emer has been shortlisted for the Fish and Bridport poetry prizes. Her play *The Green* was nominated for Best Narrative in the 2018 Dunedin Theatre Awards, in 2019 she was the Otago Regional Slam Poetry Champion and in 2020 she was nominated for a Pushcart Prize for fiction. Designer Biz Hayman is an artist and design historian based in Aotearoa New Zealand. She has taught and researched art and design at six art schools and universities in three countries. The cover for this chapbook combines several concepts pertinent to the project: a rendering of Heather's own handwriting to announce her work (with thanks to Marian Evans and the staff at the Alexander Turnbull Library); the clarity and strength of the 'Geneva' typeface, designed by Susan Kare in 1983 when professional font design was largely a male preserve; plus, the wonderful 1975 photographic series by Jane Zusters, capturing Heather herself working at her kitchen table.

Blood Bond Oct 11 2023 Hybrids. If I had to choose one word to sum up all of my problems, this would be it. Without hybrids, I wouldn't have to watch my best friend slowly becoming a monster. Without hybrids, I could let go of the mentality "hunt or be hunted." CHAS wouldn't be scouring the Earth, intent on slaughtering and using Alex to do it. Without hybrids, I wouldn't have to be on guard that losing my temper meant losing my shape. There would be no monster inside me, struggling to get out. Then again, without hybrids, I wouldn't have Wesley St. John.

The Sum of Us Jan 22 2022 NEW YORK TIMES BESTSELLER • LONGLISTED FOR THE NATIONAL BOOK AWARD • One of today's most insightful and influential thinkers offers a powerful exploration of inequality and the lesson that generations of Americans have failed to learn: Racism has a cost for everyone—not just for people of color. WINNER OF THE PORCHLIGHT BUSINESS BOOK AWARD • ONE OF THE BEST BOOKS OF THE YEAR: Time, The Washington Post, St. Louis Post-Dispatch, Ms. magazine, BookRiot, Library Journal "This is the book I've been waiting for."—Ibram X. Kendi, #1 New York Times bestselling author of How to Be an Antiracist Look for the author's new podcast, The Sum of Us, based on this book! Heather McGhee's specialty is the American economy—and the mystery of why it so often fails the American public. From the financial crisis of 2008 to rising student debt to collapsing public infrastructure, she found a root problem: racism in our politics and policymaking. But not just in the most obvious indignities for people of color. Racism has costs for white people, too. It is the common denominator of our most vexing public problems, the core dysfunction of our democracy and constitutive of the spiritual and moral crises that grip us all. But how did this happen? And is there a way out? McGhee embarks on a deeply personal journey across the country from Maine to Mississippi to California, tallying what we lose when we buy into the zero-sum paradigm—the idea that progress for some of us must come at the expense of others. Along the way, she meets white people who confide in her about losing their homes, their dreams, and their shot at better jobs to the toxic mix of American racism and greed. This is the story of how public goods in this country—from parks and pools to functioning schools—have become private luxuries; of how unions collapsed, wages stagnated, and inequality increased; and of how this country, unique among the world's advanced economies, has thwarted universal healthcare. But in unlikely places of worship and work, McGhee finds proof of what she calls the Solidarity Dividend: the benefits we gain when people come together across race to accomplish what we simply can't do on our own. The Sum of Us is not only a brilliant analysis of how we arrived here but also a heartfelt message, delivered with startling empathy, from a black woman to a multiracial America. It leaves us with a new vision for a future in which we finally realize that life can be more than a zero-sum game. LONGLISTED FOR THE ANDREW CARNEGIE MEDAL

The Clay Girl Dec 13 2023 A stunning and lyrical debut novel Vincent Appleton smiles at his daughters, raises a gun, and blows off his head. For the Appleton sisters, life had unravelled many times before. This time it explodes. Eight-year-old Harriet, known to all as Ari, is dispatched to Cape Breton and her Aunt Mary, who is purported to eat little girls. But Mary and her partner, Nia, offer an unexpected refuge to Ari and her steadfast companion, Jasper, an imaginary seahorse. Yet the respite does not last, and Ari is torn from her aunts and forced back to her twisted mother and fractured sisters. Her new stepfather, Len, and his family offer hope, but as Ari grows to adore them, she's severed violently from them too, when her mother moves in with the brutal Dick Irwin. Through the sexual revolution and drug culture of the 1960s, Ari struggles with her father's legacy and her mother's addictions, testing limits with substances that numb and men who show her kindness. Ari spins through a chaotic decade of loss and love, the devilish and divine, with wit, tenacity, and the astonishing balance unique to seahorses. The Clay Girl is a beautiful tour de force about a child sculpted by kindness, cruelty, and the extraordinary power of imagination, and her families, the one she's born in to and the one she creates.

Broken Blood Mar 24 2022 I thought watching my Werewolf boyfriend get arrested for murder was the worst experience of my life. But then I was knocked out and dragged off to a cell of my own by the very people who were supposed to protect me from danger. I thought being held prisoner in solitary confinement for weeks on end was the worst experience of my life. But then a visitor came, and I realized I'd been wrong all along. There are

worse things than torture and death. Much worse. He wants my blood. More than that, he wants to get into my head. To use my bond to control his army, to wipe the world clean of anything with dirty blood. I can't let that happen, but if I don't he'll kill every single person I've ever cared about—beginning with my Werewolf pack. The prophecy said I would have to make an impossible choice, but I must be doing this wrong—so far every choice I've made has only led to more pain and danger and death. Hunters are pitted against Werewolves and I'm alone in my war against Gordon Steppe. I can't fight him off anymore; all I can do is try to keep him out of the important places. And I'm failing at even that. I thought the demons were out there, clearly marked and clinging to the shadows. But they're not. The monsters are within the ranks of those sworn to protect. The enemy is among us.

Then, a month later, two of the hottest men she's ever seen burst into her office with a child emergency and very big secret. Cousins Slade and Austin Matheus hadn't intended on stopping in the small town of Spring Valley, but when Slade's four-year-old daughter, Emma, chokes on a candy and even Austin's paramedic skills can't dislodge the object, they're grateful to spot a pediatrician's office up ahead. The fast-responding, amazingly sexy Heather saves Emma's life, and in the days that follow, as their darkest secret is revealed, she saves their lives, too.

Josie's latest mystery shopper report won't help business at Naughty or Nice, Maplewood's raunchy year-round Christmas store. Josie wishes he'd catch the next sleigh out of town, but instead, Nate is poisoned...and suddenly Josie is a person of interest. Josie will need her team of little helpers to wrap up this case, before the killer commits another holiday homicide.

I Ain't Doin' It Apr 17 2024 Social media comedian and southern sweetheart Heather Land delivers her hilarious and unfiltered wisdom on the frustrating everyday moments that drive us crazy. Heather Land has something to say about almost everything in life—the unbelievable, inconceivable, and downright frustrating—and why she "ain't doin' it." Now, Heather shines a light on the (occasional) ridiculousness of life through a series of hilarious essays, dishing on everything from Walmart and ex-husbands to Southern beauty pageants and unfortunate trips to the gynecologist. *I Ain't Doin' It* reminds us that when it comes to life's messy moments, it's all about perspective—and that we too can say, *I ain't doin' it!* Perfect for fans of Jim Gaffigan, Anjelah Johnson, and Brian Regan, *I Ain't Doin' It* is a fun, breezy read for anyone who appreciates someone who tells it like it is and wants to embrace the lighter side of life.

That Book Woman Feb 20 2022 An exquisitely illustrated paean to everyone who struggles to learn how to read, and to everyone who won't give up on them. Cal is not the readin' type. Living way high up in the Appalachian Mountains, he'd rather help Pap plow or go out after wandering sheep than try some book learning. Nope. Cal does not want to sit stoney-still reading some chicken scratch. But that Book Woman keeps coming just the same. She comes in the rain. She comes in the snow. She comes right up the side of the mountain, and Cal knows that's not easy riding. And all just to lend his sister some books. Why, that woman must be plain foolish—or is she braver than he ever thought? *That Book Woman* is a rare and moving tale that honors a special part of American history—the Pack Horse Librarians, who helped untold numbers of children see the stories amid the chicken scratch, and thus made them into lifetime readers.
