But there remain a great number of worthwhile British horror films made at the same time by other companies that have received little attention. The author provides a comprehensive listing of British horror films including science fiction, fantasy, and suspense films containing horror genre elements that were released between 1956 and 1976, the Golden Age of British horror. Entries are listed alphabetically by original British title from Vincent Price in *The Abominable Dr. Phibes* (1971) to *Zeta One* (1969). Entries also include American title, release information, a critique of the film, and the film's video availability. The book is filled with photographs and contains interviews with four key figures: Max J. Rosenberg, cofounder of Amicus Productions, one of the period's major studios; Louis M. Heyward, former writer, film executive, and producer; Aida Young, film and television producer; and Gordon Hessler, director of such films as *The Oblong Box* and *Murders in the Rue Morgue*.

Woman with Horns and Other Stories Cecilia Manguerra Brainard, 2020-09-30 *WOMAN WITH HORNS AND OTHER STORIES* is a collection of a dozen stories by Philippine American writer Cecilia Manguerra Brainard that weave Philippine history, culture, folklore, and myths. This 2020 edition of this anthology presents these beloved stories to a new audience, as well as readers of Brainard's subsequent literary work, which include the novels *WHEN THE RAINBOW WEPT* and *MAGDALENA* and *THE NEWSPAPER WIDOW*. Brainard's books, including the books she edited *GROWING UP FILIPINO: STORIES FOR YOUNG ADULTS* and the follow-up *GROWING UP FILIPINO II*, are considered significant contributions to Philippine, Philippine American, as well as Asian American literature. Katipunan praised it as follows: Beautifully written in the minimalist style, yet never lacking color and clarity, Brainard's stories reach out from the deep centuries of folklore, superstition, religion, customs, geography, and history to bring them life into the present. But more than life itself, this book mirrors the unique ways in which the Filipino woman searches for meaning. *World Literature Today* noted: The author, through deep woman knowledge, makes the stories into one web weaving events, folkloric, historical, and contemporary, and people through sensibility rather than structure, drawing the reader into the loom of history and fiction to read all life as one unity.
