*The Rainbow* Carly Schabowski,2021-07-28 There on the dusty floorboards was a piece of paper folded neatly A newspaper article written in German alongside a faded picture of two men in Nazi uniforms staring at the camera I was about to place it back in the box of forgotten things when something in the text jumped out at me My breath caught in my chest I know that name London present day Isla has grown up hearing her beloved grandad s stories about his life as a child in pre war Poland and as a young soldier bravely fighting the Germans to protect his people So she is shocked and heartbroken to find while collecting photos for his 95th birthday celebration a picture of her dear grandfather wearing a Nazi uniform Is everything she thought she knew about him a lie Unable to question him due to his advanced dementia Isla wraps herself in her rainbow coloured scarf a memento of his from the war and begins to hunt for the truth behind the photograph What she uncovers is more shocking than she could have ever anticipated a tale of childhood sweethearts torn apart by family duty and how one young man risked his life his love and the respect of his own people to secretly fight for justice from inside the heart of the enemy itself An heartbreaking novel of love betrayal and a secret passed down through a family Inspired by an incredible true story Perfect for fans of *The Tattooist of Auschwitz* *We Were the Lucky Ones* and *The Alice Network* Readers absolutely love *The Rainbow* Oh my gosh this book broke me it will stay with me for a very long time heart breaking poignant gripping and compelling I felt every emotion I read this book in one sitting Fiction Vixen Reads Will rip your heart out It has heartache pain loss joy and sorrow It s a great WWII historical fiction heartbreaking Books Read By Prairie Girl
