This book has been designed by combining the goodness of the original Wren & Martin text, High School Grammar & Composition, and specialized content developed by a panel of competitive examination experts in the area of the English language. The USP is therefore adapting a classical text to the needs of the various admission and recruitment competitive examination aspirants. Its exhaustive coverage ensures that virtually no competitive examination remains untouched. Students preparing for descriptive tests such as UPSC (Compulsory English and General English

Papers of Main Exams) and state PCS examinations, Judicial Services examination, Indian Forest Service examination, Statistical Services and many other examinations in which subjective papers/tests are mandatory will find this book immensely useful. The book is also a boon for those students who are preparing for objective tests such as Banking and Insurance, SSC, UPSC preliminary, Defence Services, Law entrance, Business School entrance examinations, and many other admission and recruitment examinations. A unique feature of this book is demonstration of the connectedness of the concepts and their applications visually, with the help of arrows and pointers. The aspirant will also find questions from recent examinations on virtually every page of the book. An index of examination-wise questions has been included so that the aspirant can choose the sections according to the targeted examination and focus more. Topic-wise distribution of questions in English examination papers - both

descriptive and objective - will also help aspirants to undertake a very well directed test-prep program using the book. Description of the Product: • 100% Updated with Fully Solved April 2023 (1) Paper • Extensive Practice with more than 1400 questions & 2 Sample Question Papers • Concept Clarity with Concept based Revision notes, Mind Maps & Mnemonics • Valuable Exam Insights with Expert Tips to crack CDS in first attempt • 100% Exam Readiness with Last 5 Years' Chapter-wise Trend Analysis (2019-2023) Tune in to Grammar presents a systematic and step-wise strategy for approaching grammar at any grade. The series presents grammar rules lucidly and leads the learner to assimilate and apply them to communication in everyday life. The learner is Introduced to the concept with a warm-up and led through clearly demarcated stages of acquiring proficiency in grammar. The culmination of a chapter corresponds to the learner being able to use the language in games,

projects, activities and a wide range of situations which involve working individually or in groups. Description (In English) "Parts of Speech" is one of the most important chapters of English Grammar. The author has been an experienced teacher of English language and literature. After thorough study of English Grammars, he has got a very good knowledge of each and every important chapter. His idea of writing E-Grammar chapter wise is to make it available selectively as a sort of a short story any time on Smartphone, Laptop, Desktop, Tablet etc. with internet connectivity. He has written this important chapter in a very logical manner explaining each part of speech with suitable examples so that the students can grasp easily and can learn it properly. What the author has presented is a unique one and any one can find it quite different from so many chapters of Parts of Speech. You can access to Google Play and after typing the author's name in search column, you can read it as advised to pay Rs.120 only online.

The price of E-Book containing a few pages may look more but every part of speech is well defined in a very simple language, explained clearly and the examples are cited relevantly to make the subject understandable with ease. In author's opinion it is incomparable and unique of its kind. Author

***** Primary School English Grammar & Composition (PSEGC) and Middle School English Grammar & Composition (MSEGC) is a set of two books designed to be used as a prequel to the highly popular English grammar reference book, High School English Grammar & Composition. Both PSEGC and MSEGC provide ample guidance and practice in sentence building, correct usage, comprehension, composition and other related areas so as to equip the learners with the ability to communicate effectively in English. This two-book series was written specifically for English language learners and covers all the basic

Learn English Grammar in 2 Weeks is a peerless book for those who are interested in having a written and spoken command of the English language. The fascination of this international language is unmatched. But it is replete with pitfalls which must be carefully avoided if one does not want to become a butt of laughter either in written or spoken English. Let us quote from the book itself; ♥♥A student of the English language ought to know the difference between 'English' and 'the English'♥♥ This book is a treasure house of modern and current usage in English. As one flips through the pages of the book; one gains in knowledge and confidence The mystery of the English language unfolds itself in every page of this wonderful treatise. It is a single volume book that combines source grammar and practice

exercises while explaining the rules of grammar and tackling seemingly contradictory rules. Since the book is for students of an Intermediary level, concise explanations are provided. It focuses on topics like grammar contrasts (whether to use 'would' or 'used to' in past tense construct) and grammar patterns for example will be going among others. What will you Learn from THE BEST BOOK OF ENGLISH GRAMMAR

□ The book also explores more than hundred units of grammar concepts and each unit is allocated two pages. While the left hand page is filled with grammar concepts with concise examples, the facing page comprises of practice exercises. □ This format has been followed to ensure that each point is brief but comprehensive. □ The book has been designed in such a way that it gives students freedom to choose what unit they want to practice. □ The order of the book does not need to be strictly followed as it is a revision guide and each topic is complete and self contained. Therefore, a

student can just begin from the middle of the book, concentrate on the unit he or she finds difficulty in. If a student gets stuck at a certain exercise. It is a refresher, a reference book and a workbook for teachers of English. It is also for teachers handling subjects other than English in schools and colleges. The book centres round the idea that grammar paves the way for smooth and accurate communication, and aims to strike a balance between conventional concepts and latter-day developments, and between descriptive grammar and grammar in use. Each chapter of the book begins by describing the forms of the grammatical class or category it deals with. It then presents a variety of illustrative examples. Finally, it explains the communicative uses of the forms and the situations in which they are typically used. A distinct feature of the book is that it deals with both spoken and written grammar, with greater emphasis on the written mode. Description of the Product: • Previous 15 Years' GATE chapter-
