PPCT Defensive Tactics Student Manual Bruce K. Siddle, Jack Leonard, PPCT Management Systems, Inc, Mike Olson, Joan Pechtel, 1989 **PPCT Defensive Tactics Student Manual**, 1996 **Blue Guardian Control Tactics Instructor Manual** Tom Gillis, 2016-11-30 The Blue Guardian Control Tactics Program is created with Canadian police and security in mind although international students will benefit from the technical and tactical training also Topics include Use of Force Handcuffing Baton Use Takedowns Ground Fighting Control Holds and more Tom Gillis Control Tactics Manual is a very comprehensive complete training manual for trainers that teach street tactics for law enforcement officers It organizes each section into modules so each section of training is completed before going to the next section This Manual is an excellent addition to any defensive tactics instructor s library Larry Smith Lt retired San Diego CA Police Department

Defensive Tactics Manual Robert S. Allemier, Michigan. Law Enforcement Officers Training Council, Michigan. Department of State Police, 1977 The dramatic increase in the popularity and practice of the martial arts and their use against law enforcement personnel has given rise to a new and disturbing problem between police and certain segments of the public Therefore the Michigan Law Enforcement Officers Training Council has developed an advanced police training course to provide participating police officers with functional and operational knowledge of karate kung fu and the other martial arts The course covers these techniques warning signs that will assist the officer in identifying individuals skilled in the martial arts and information as to what the officer should be prepared for in confrontation situations with these individuals The five day 40 hour training course curriculum reviews the use and potential of the human body stances targets and techniques and offensive and defensive techniques for use against armed and unarmed opponents Other defensive tactics outlined and illustrated include baton techniques for use against armed and unarmed opponents and last resort techniques This instructor s manual lists course training objectives provides a class outline and schedule and presents procedures for conducting the actual program and evaluating and grading students Defensive Tactics System David Fowler, 2016-06-17 The Defensive Tactics System TM is a training program designed for public safety officers to reduce the potential of injury and liability risk when lawfully defending themselves or controlling an aggressive individual This course provides training and education that is designed to empower officers increase awareness knowledge skills and actions with regard to use of force control and restraint self defense and defending others with defensive tactics strategies and techniques When situations are escalated and YOU need tactics and skills for controlling someone who is out of control DTS TM Defensive Tactics System Certification Training is the solution Upon successful completion of the 16 hour 2 day DTS TM certification program Instructors will receive the following DTS TM 3 year In house Instructor certification Personal Safety Training Inc Authorization to train and certify staff in the DTS TM 1 day certification course DTS TM recertification classes

DTS TM modular training for unique scheduling dynamics **Advanced Concepts in Defensive Tactics** Chuck Joyner,2010-12-16 Today s society is becoming increasingly more likely to resist the lawful actions of law enforcement officers It is critical for officers to have the necessary defensive tactics DT skills to successfully overcome resistance in an efficient safe and legal manner The answer to achieving these results is NOT in teaching thousands of possible responses to an infinite number of potential attacks The answer is to first use a Risk Management approach and identify the most common and dangerous attacks on officers Next a successful DT program must stress core concepts proper body mechanics natural instinctive movement and proven principles of survival **Advanced Concepts in Defensive Tactics A Survival Guide for Law Enforcement** presents the instruction of Master Police Instructor Chuck Joyner Developed during his tenure as a FBI use of force instructor and expanded by his lifelong dedication to the martial arts Joyner s Survival Sciences DT program relies on adhering to advanced concepts rather than memorizing countless techniques Based on extensive research and actual street experience this manual Focuses on defensive tactics that are easily taught understood and applied by officers regardless of their size strength or athletic ability Covers hand to hand tactics groundwork weapon retention weapon disarming handcuffing and the survival mindset Explains the necessary integration of hands on DT techniques with common law enforcement secondary weapons e g baton pepper spray TASER Introduces a new use of force model Dynamic Resistance Response Model which correctly depicts the dynamic encounter between an officer and a resistor by first focusing on the level of resistance by the subject Offers practical solutions reducing officer department and municipality liability Provides password access to the author s supplemental training videos online Chuck Joyner a recognized expert in the use of force lectures throughout the United States and internationally on myriad law enforcement topics Mr Joyner holds several FBI instructor certifications in force related training has earned black belts in four martial arts and was awarded master rank in two styles He was inducted into the Martial Arts Hall of Fame as instructor of the year in 2006 Mr Joyner was employed by the CIA from 1983 to 1987 and has worked as a Special Agent with the FBI since 1987 Chuck was interviewed on February 29 2012 on American Heroes Radio [Defensive Tactics System Training](#) David Fowler,2015-02-08 The Defensive Tactics System tm training is intended to give the trainee the basic understanding of self defense use of force control and restraint reasonable force and basic legal definitions of force **Healthcare Defensive Tactics System** David Fowler,2015-05-23 The Healthcare Defensive Tactics System tm is a training program designed for public safety officers to reduce the potential of injury and liability risk when lawfully defending themselves orcontrolling an aggressive individual **Police Procedures and Defensive Tactics Training Manual** Harry Aziz,1979 Devoted primarily to illustrating basic officer survival techniques this police training manual also outlines the elements of a basic training course and selected training issues such as riot control and search and seizure Divided into three sections the text begins with a police department training program guide outlining the topics that must be covered in preparing an officer for the field Police community relations field situation

inquiries and patrol pointers methods and skills are suggested training topics along with court appearances water safety and rescue methods the care and use of firearms methods of unarmed self defense and the theory methods and techniques of traffic accident investigation The second section deals with ongoing concerns and situations which the law enforcement officer must be prepared to confront daily These range from such basic considerations as the Miranda requirements to such special concerns as riot control bomb threats searches and seizures and dealing with drunks The final and longest section illustrates and discusses basic self defense tactics and exercises designed to better equip officers for survival in the field Stressing the overriding importance of avoiding over control and acts of brutality the text makes substantial use of sequence photographs to demonstrate blocking and counterattack exercises kicking techniques free fighting tactics and defenses against common types of suspect resistance or attack Come along holds control holds for handcuffing suspects and baton and strangulation techniques are also illustrated as are defensive approaches to suspects in automobiles References and an index are provided

Defensive Tactics for Today's Law Enforcement Stephen K. Hayes, Joe Niehaus, 2016-11-30 Few of the many defensive tactics books on the market include the training and methods of martial arts Drawing on the centuries old techniques of Ninjutsu **Defensive Tactics for Today's Law Enforcement** offers alternatives to the traditional police defensive tactics taught to most officers This text stresses relying on natural tendencies in a violent encounter to ensure officer safety and to better utilize the techniques and training officers do receive By integrating existing training with martial arts expertise **Defensive Tactics** provides officers access a full complement of techniques to better navigate physical conflict safely and effectively Intended for law enforcement practitioners as well as practitioners of any other professions that present a personal security risk **Defensive Tactics for Today's Law Enforcement** will better equip readers with a diverse range of defensive tactics

FACTS AND FALLACIES ABOUT LAW ENFORCEMENT TRAINING AND DEFENSIVE TACTICS Joseph Truncale, 2015-06-02 This is a manual will be of interest to not only all Law Enforcement Defensive Tactics Instructors but to anyone in the law enforcement field who is concerned about the facts and fallacies floating around this field The following are just a sample of the questions this basic guide will answer Is law enforcement defensive tactics a science Do the techniques and tactics you were taught always work on the street What is reality based training as it applies to defensive tactics Is there any formal martial art which is perfect for police officers Should officers be taught striking techniques Is the PR 24 Police Baton just a Tonfa Is training once a year sufficient to remain competent in defensive tactics
