Nine-year-old Josh finds it impossible to get along with his rambunctious eight-year-old stepbrother Jake, until an impending change in their family unites them on a common front. Calling Nate Thornhill a rich, cocky, arrogant asshole would be an understatement. He also happens to be stunningly handsome, popular, intelligent, and captain of both the Crew and Lacrosse teams at UVA. I hate him for thinking he's untouchable-not because he's a narcissistic, privileged, borderline-misogynistic heartbreaker-but because he's right. His first words to me were at a Crew House party, and he invited me to have a threesome with him and a random girl. I could've died from the embarrassment, he didn't even know my name at the time, and he didn't care to. After that night, I promised myself to never waste another second thinking about Nate Thornhill. My world becomes a nightmare when I realize my mom's new husband Pierce has a son who's my age...and he's a junior at UVA too. I can't believe my eyes when Nate walks over and sits down next to us at dinner, introducing himself like he's never seen me before in his life. Then I feel his hand on my thigh, underneath the tablecloth with our parents sitting across from us, inching closer and closer to my panties. My mind goes fuzzy, my heart starts racing, and my body does exactly what I don't want it to do. And then they hit me with the worst news of all...Pierce has an internship lined up for me at his firm, and we're going to live at his Eastern Shore mansion for the summer. I'll be sleeping down the hall from my new stepbrother...arguing with him at every breakfast, sitting across from him at every dinner, watching as he brings an endless string of girls back to his room...secretly wishing I was one of them. Stepbrother Untouchable is a Stand-alone novel. It contains adult themes, harsh language, and graphic sexual content. Funny Appreciation Gifts For Step-Brothers These humorous journals make the perfect gifts for those hard to buy for friends and family members. Instead of buying a card grab them a gift they will actually use. Makes a great notebook for taking notes, for to do lists or just for writing down your deepest thoughts. Or to make the table level. Whatever the use this journal is sure to delight. At 6 x9 and 108 pages it is a nice convenient size and makes the perfect gift for any gift giving

occasion. Makes the best or worst funny white elephant gifts under 10 for adults. For years, I had the worst crush on my stepbrother, Cole Hunter. We used to ride bikes, skateboard and go fishing together - now I couldn't even be in the same room as him without my pulse racing. One cocky half-grin from Cole would have my face blushing while my panties melted. It was insane - and completely humiliating. It was a painful secret that I guarded fiercely. Cole was off-limits. Forbidden. If he knew how I felt, I would die of embarrassment. I avoided Cole for years, until one wild night, when my best friend took me to a club. I thought I was going to see a grunge band, but it turned out to be a much kinkier kind of club. A club where anything goes, and well, things got a little crazy. Make that a lot crazy. No one would ever know what I'd done, right? Then I discovered who the man behind the mask really was... After his mother remarries, Ian Ryder finds himself spending the summer at a beachside mansion. It's the kind of thing he might have dreamed of, but there is a major complication—his gorgeous new stepbrother. Tortured by a family tragedy, Lucas resents Ian and his mother. He can't accept that his father has moved on and remarried. On top of that, his attraction to Ian is a shock to him. Until he met Ian, Lucas always thought he was straight. But the heat between them is undeniable. He can't stay away from Ian, and Ian can't resist him. No matter how rough or arrogant Lucas is, Ian can't help falling for him. When their secret relationship is revealed, the fallout sends Lucas back to his old life and Ian is devastated. Will Lucas come to his senses in time, or will he let Ian slip away from him forever? Three months. Three months trapped on a ranch in remote Montana with my mom's latest husband and his dark, brooding son. I shouldn't care that my new stepbrother's talent with ropes goes beyond lassoing stray cattle. I shouldn't care that his every look says he wants me but he's going to fight it to the bitter end. I shouldn't care that as the summer rolls on, my fascination overwhelms my better judgment and now I'm dying to call by stepbrother Master. "Friends with benefits, stepbrother with benefits, what's the difference?" ----- Rule #1 - It's only supposed to last for a week... ----- Ethan is a cocky, arrogant jerk. He's always been that way. Why do girls trip over their own feet just to be with him? I don't know! I'll never understand it. Don't they realize he's just going to ditch them after a couple of weeks? Yes, he can be nice when he wants to be. It's true that he's ridiculously attractive, too. It's not like I want to stare at him when he walks around shirtless, but it's hard not to notice someone like him. He's got that bad boy smile that makes you want to... Did I mention he's my stepbrother? Ick. What? You think I'm falling for him? Nope! It's impossible. Kassia I watched with caution as my father introduced me to my new brother. "Kassia this is Grayson, he is going to be living with us now." I extended my arm to greet him. He looked at it first before shaking it. "Nice to meet you." He said, sounding a little uninterested. "Be nice Grayson." Emily, his mother, shouted from the other side of the living room. Emily had been married to my dad for a few months but I'd known her for two years. She was sweet, maybe too sweet sometimes, which always made me wonder why her son lived with his dad and not with her. He lived with his dad until he basically kicked him out a few days ago. We all had no idea know why. Grayson was tall, about 6'2 with a lean body. He had tattoos all over, even on his hands. He wore black all the time and he always had two or three rings on his fingers. His eyes were green with a little hazel in them and his brown hair sat right above his shoulder. He was basically perfect. From the moment I saw him walking through the door, I found it hard to believe he was real. "Kassia, show Grayson his room. We hope you two can get along, maybe even become friends because you'll be stuck together for a while," My dad said then let out a faint laugh. I smiled at Grayson, but he just stared at me. "F-follow me," I said nervously under his observing gaze. How can something so good feel so bad? CHLOEI thought the summer in America was supposed to be the best time of my life with grand finale being my mother's wedding, but, all I got when I arrived was an annoying step brother. Adam was a typical "bad boy" obsessed with his motorcycle and nothing else. From the start, we butted heads, going at it like a male beta fish who sees his own reflection. But, under that toughened exterior, Adam was actually pretty sweet - sweet enough for me to fall for him and I fell hard. His lips were like candy. His body an addiction. I wanted him. I needed him, but I could never have him...Special bonus included.AUTHOR'S NOTE: This romance is a complete standalone

and due to its content is intended for 18+ readers. All characters are adults and all interactions are consensual. He told me to settle. He asked what was wrong with me. He called me an easy target. That was within minutes when I first met Caden Banks. I labeled him an *sshole, but he was more than that. Arrogant. Smug. Alpha. He was also to-die-for gorgeous, and my stepbrother's fraternity brother. Okay, yes I was a little naive, a tad bit socially awkward, and the smallest amount of stalker-ish, but if Caden Banks thought he could tell me what to do, he had another thing coming. I came to college with daydreams about being with my stepbrother, but what if I fell for the anti-stepbrother instead? *Stand-alone novel This is bad. Very bad. He's rubbing off on me. Resident bad boy Ethan Colton is turning me into an irresponsible bad girl. ----- Rule #2 - When I tell you to come here, you come here. It's still an order, still practically growling at me, commanding me to obey him, but it's more, too. It's fun and flirty, a little playful. I can see why girls fall for him, can see why his devious smirk melts their resistance, because it's doing the same to me. ----- Ethan is a cocky, arrogant jerk. He's always been that way. Why do girls trip over their own feet just to be with him? I don't know! I'll never understand it. Don't they realize he's just going to ditch them after a couple of weeks? Published in 1871, this first major study of kinship, inventive and wide-ranging, created a new field of inquiry in anthropology. Drawing partly upon his own fieldwork among American Indians, anthropologist Lewis Henry Morgan examined the kinship systems of over one hundred cultures, probing for similarities and differences in their organization. In his attempt to discover particular types of marriage and descent systems across the globe, Morgan demonstrated the centrality of kinship relations in many cultures. Kinship, it was revealed, was an important key for understanding cultures and could be studied through systematic, scientific means. ∅ Anthropologists continue to wrestle with the premises, methodology, and conclusions of Systems of Consanguinity and Affinity. Scholars such as W. H. R. Rivers, Robert Lowie, Meyer Fortes, Fred Eggan, and Claude Lévi-Strauss have acknowledged their intellectual debt to this study; those less sympathetic to Morgan's treatment of kinship nonetheless do not question its historical significance and impact on the development of modern anthropology.

When I first arrived at my mother's reception, I never imagined that I would meet the most attractive man I had ever seen- dark hair, piercing eyes, and a lazy, confident smile... there was no way I could resist him. I certainly never imagined that I would be having mind blowing sex with him in the art gallery upstairs. I never, ever imagined that my mother would make an announcement on that very same night that she had gotten married to his father. Of course, I was devastated. I could certainly never be sexually involved with my stepbrother... Or could I? A fun, standalone Stepbrother Romance with no cliffhanger Perfect Journal for Step Brother appreciation! This would make a fantastic gift for family, friend or coworker

Quand Greta a appris que son demi-frère venait vivre avec eux, elle était à la fois curieuse et heureuse de faire la connaissance du fils de son beau-père. Malheureusement, elle a vite déchanté. Elec est tout simplement odieux avec elle. Pourtant, elle se sent attirée par ce garçon tatoué qui semble tout faire pour cacher ses blessures. Lentement, leur relation évolue, il s'ouvre petit à petit jusqu'à une nuit inoubliable. Le lendemain, Elec est parti, il disparaît de sa vie aussi vite qu'il y était apparu. Sept ans plus tard, un drame familial les réunit à nouveau. Greta comprend alors que l'adolescent qui s'amusait à la faire tourner en bourrique est devenu un homme très séduisant qui va lui faire tourner la tête. Sauront-ils à

A foster girl with a dangerous past is adopted. When she sees her foster brother, she immediately has a crush on him. Through the journey of their lost tale, she finds friends, but the worst that could possibly happen comes true. She goes through rough times. Will the love that they share be the same when she comes back? When she does, did she lose the most important thing to her? At the end of World War II, twenty-year-old Vera is brutally raped by an unknown assailant. From that rape is born a boy named Fred, a misfit who later becomes a talented boxer. Vera's young son, Barnum, forms a special but bizarre relationship with his half brother, fraught with rivalry and dependence as well as love. "I should have been your father," Fred tells Barnum, "instead of the fool who says he is." It is Barnum, who is now a screenwriter with a fondness for lies and alcohol, who narrates his family's saga. As he shares his family's history, he chronicles generations of independent women and absent and flawed men whom he calls the Night Men. Among them is his father, Arnold, who bequeaths to Barnum his circus name, his excessively small stature, and a con man's belief in the power of illusion. Filled with a galaxy of finely etched characters, this prize-winning novel is a tour de force and a literary masterpiece richly deserving of the accolades it has received.

Charlotte, a young lawyer living in New York City, decides to escape for the weekend to her family's lakeside suburban home. She expects to have the vacation home all to herself, but at the last minute she finds out that she will be sharing the property with her annoying stepbrother Cody. They've never gotten along and Charlotte doesn't look forward to spending time with him. But when Cody shows up, it's clear that he's matured. They find themselves instantly attracted to each other but unsure how to proceed. Will Charlotte and Cody have the courage to become intimate? Or will the taboo be too much for them to overcome? == Search Terms: stepbrother romance, stepsister romance, stepsibling romance, step-brother romance, step-sister romance

After arriving at her estranged mother's new home, Karley's not only taken back by the luxurious lifestyle her mother now lives in but also by her stepfather's two sons, Justin and Joe. The Osborne boys have a reputation around town for being wealthy, beautiful, and getting any girl they choose. It's a surprise to all, including Karley, when Justin turns his charm on her. He says he feels drawn to her and showers her with attention and adoration. They begin dating long distance, and every trip home draws her deeper into their torrid relationship. But not everyone is happy about this decision-especially Justin's older brother, Joe. Joe not only voices his disapproval, but also silently challenges Justin for Karley's affection. Karley is soon drawn to both brothers, enjoying their attention -one openly and the other behind closed doors. As one brother consumes her heart, the other consumes her thoughts. Unfortunately for Karley, both brothers harbor a deadly secret, one that links them to the recent killings of several girls. Karley is left with a decision to make: which brother to trust and which one to fear as the Osborne brothers' true personalities are brought to light, all racing to a shattering conclusion.
