Sixteen-year-old Jules Verity knows exactly what's in store at her new job at castle-turned-dinner-theater Tudor Times. Some extra cash, wearing a fancy-pants dress, and plenty of time to secretly drool over the ever-so-tasty-and completely unavailable-Grayson Chandler. Except that it's not quite what she imagined. For one, the costume Jules has to wear is awful. Then there's the dead body she finds that just kind of...well, disappears. Oh, and there's the small issue of Jules and her episodes of what her best friend calls "Psychic Tourette's Syndrome"-spontaneous and uncontrollable outbursts of seemingly absurd prophecies. The only bright side? This whole dead body thing seems to have gotten Grayson's attention. Except that the more Jules investigates, the more she discovers that Grayson's interest might not be as courtly as she thought. In fact, it's starting to look suspicious... *The Belly of Paris* (*Le Ventre de Paris*) is the third novel in Émile Zola's twenty-volume series

Les Rougon-Macquart, first published in 1873. It is a novel of the teeming life which surrounds the great central markets of Paris. The book was originally translated into English by Henry Vizetelly and published in 1888 under the title *Fat and Thin*. After Vizetelly's imprisonment for obscene libel the novel was one of those revised and expurgated by his son, Ernest Alfred Vizetelly. The heroine is Lisa Quenu, a daughter of Antoine Macquart. She has become prosperous, and with prosperity her selfishness has increased. Her brother-in-law Florent had escaped from penal servitude in Cayenne and lived for a short time in her house, but she became tired of his presence and ultimately denounced him to the police. Émile Zola (1840 – 1902) was a French writer, the most important exemplar of the literary school of naturalism and an important contributor to the development of theatrical naturalism. He was a major figure in the political liberalization of France.

Mount Abrams was the kind of small, quiet town where, as any of its residents would tell you, nothing ever happened. That was why Ellie Rocca loved living there, even if her ex-husband did not. But even small towns had secrets, as Ellie discovered when Lacey Mitchell suddenly disappeared. Ellie caught Lacey's husband in a lie, and one small discovery led to another until it became apparent that nothing about the Mitchell's was quite what it seemed. Mother's Day was just around the corner. With a sexy detective on the case, and Ellie and her friends getting closer to the truth, can Lacey Mitchell be found in time to enjoy the day with her sons? Or was something more deadly going on? This novella is 35K words, the first in the Mount Abrams Mystery Series.

Will Lightbody is a man with a stomach ailment whose only sin is loving his wife, Eleanor, too much. Eleanor is a health nut of the first stripe, and when in 1907 she journeys to Dr. John Harvey Kellogg's infamous Battle Creek Spa to live out the vegetarian ethos, poor Will goes too. So begins T. Coraghessan Boyle's wickedly comic look at turn-of-the-century fanatics in search of the magic pill to prolong their lives--or the profit to be had from manufacturing it. Brimming with a Dickensian cast of characters and laced with wildly wonderful plot twists, Jane Smiley in the *New York Times Book Review* called *The Road to Wellville* "A marvel, enjoyable from beginning to end." Winner of the National Book Critics Circle Award for Nonfiction, this brilliantly reported and beautifully crafted book explores the clash between a medical center in California and a Laotian refugee family over their care of a child. Award-winning writer Parker brings ancient Japan to life in a tale of blackmail and murder among high-ranking nobles. 10 illustrations.

As the first wave of Canadian baby boomers retire over the next few years, succession planning will be vital for the long-term survival of many businesses. Canada is about to see a huge transfer of wealth from this generation to

the next, yet many businesses struggle to ensure a smooth transition of business management and ownership. For family-owned companies, the ramifications may be even more sweeping. The personal issues they face, compounding other day-to-day business concerns, range from planning for income taxes to maintaining interpersonal relationships with family members. A good succession plan will manage a range of issues, such as people and talent, family dynamics, corporate structure, estate planning, insurance and share transfer, to name just a few. *Who Will Take Over the Business?* is for any business owner who wants to retire, sell, or transfer ownership of their business. It is designed to guide business owners through a comprehensive and strategic approach to the business succession process to ensure that the transition is carried out as smoothly as possible. *Who Will Take Over the Business?* is a must-have resource for every Canadian business owner.

Chris Polittano wants start her life over with a new mission-to start taking more chances. Her friend and ex-roommate, Terri Coburn, convinces her that Cape Edwards has the perfect place to start: the beach, the bars, and what about all those hot men? She even swears she has found Chris the ideal home. Sure, it needs work, but Terri has already lined up the perfect team to help with the renovations, the McCann brothers. two of Cape Edwards' most eligible bachelors. When Chris arrives she finds that at least half of Terri's promises are true: the McCann brothers are, in fact, very eligible. But her new house doesn't just need simple renovations...there isn't even a floor. The McCann brothers have a plan, and there's something in Mike McCann's blue eyes that make Chris a believer. Chris steps up to the task, undeterred by heat, the tourists, even the appearance of her old boyfriend, Daniel, who's working on a project right across the street. Add in a land grab deal spearheaded by Mike McCann's ex-wife and a very special squirrel named Bella, Chris finds her vow to take more chances really put to the test. Luckily, the magic of the Eastern Shore is not just about the sunlight on the water and the call of the gulls. With new friends, new self-confidence, and maybe a new love, Chris is finding all the materials she needs for building home.

The first three of the Mt. Abrams Mysteries: A Mother's Day Murder Introducing Ellie Rocca and the small community of Mt. Abrams, where the disappearance of a local mom has the neighborhood buzzing. There's a sexy detective on the case, but that doesn't stop Ellie and her friends from trying to find their own answer to the question -- where's Lacey Mitchell? A Founder's Day Death The discovery of a long-buried body can't stop Mt. Abrams biggest weekend from going forward. But a second, and much newer body, brings everything to a screeching halt. Ellie and her friends know that to find the killer, they have to figure out what happened years ago in Emma's

garden. A Killer Halloween

The first annual Mt. Abrams Scavenger Hunt is a success--until the entertainment turns up dead. Eli has sworn off crime-solving, but that doesn't mean her friends can't do the snooping for her. Now, the whole town is trying to figure out -- who killed Mr. Scarecrow? Produced by the advisors to the Nobel Peace Prize and the 1984 Olympics, this book offers practical event management and marketing advice flavoured with various anecdotes in one easy-to-read format. It explains precisely how to build image or company recognition by sponsoring diverse sizes and types of events ranging from entertainment to sports. It also covers every stage of marketing, logistics, finance, concessions and public relations. Ellie Rocca tapped the best party-planning company in the state, Luxe, for her mother's seventy-fifth birthday party, and she's not disappointed. The food is perfect, the wine and beer are flowing freely, and all the guests are having a wonderful time. In fact, everything is going along just perfectly until one of the guests turns up dead, strangled with her own scarf. Ellie's police detective boyfriend, Sam, is at the party, so he's off the case. Ellie doesn't have much faith in the two officers in charge, and neither does Enza Biondi, the co-owner of Luxe, who discovered the body. Ellie may have sworn off snooping, but Enza's curiosity is peaked, and she keeps drawing Ellie deeper and deeper. Just when the two of them think they've got the whole thing figured out, new and more chilling facts come to light, and Ellie discovers the real killer is much closer to home than she ever imagined. This is the sixth and final novella in the Mt. Abrams Mystery Series. 29K words long. Founder's Day weekend was always a big deal in Mt. Abrams, and not even the discovery of a long-buried skeleton in Emma McLaren's garden was enough to cancel the yearly celebration. But when a newly murdered corpse was found dumped in a rowboat the morning of the Founder's Day Parade, everything came to a screeching halt. Ellie Rocca was convinced the murders were connected, but how? Detective Sam Kinali had taken the lead on the case, and politely but firmly told Ellie not to get involved. But that was easier said than done, especially since Ellie and her friends know the killer won't be uncovered until they found out who was buried in Emma's Garden. This novella is 31K words. It is the second book in the Mt. Abrams Mystery Series. No matter what your dream for retirement - traveling the world, relocating to an exciting new city, or just spending more time with family - you can make that dream come true. The Everything Retirement Planning Book helps you determine how much money you'll need to save for your dream and the best ways to do it. This down-to-earth handbook is full of checklists to help you make the decisions you need to make before retiring. The Everything Retirement Planning Book includes practical advice on: Social Security

benefits  
Withdrawing funds from IRAs  
Investments before and after retirement  
Life insurance and long-term care policies  
Working after you retire  
Of course, retirement planning involves more than just financial matters. This comprehensive guide also covers the emotional and psychological issues surrounding retirement, along with the pros and cons of popular retirement destinations. The Everything Retirement Planning Book has everything you need as you plan for the next stage of your life.

Daniel Hartmann and Emily Anderson have every reason to hate each other. Her father destroyed the lives of his parents and he in turn sent her father to jail. Now Daniel's a successful billionaire and artsy Emily is his newest employee. Both of them intend to make the other pay for the sins of the past, but revenge has never been so sweet.

Dee Ernst's *Lucy Checks In* is a delightful work of romantic comedy about a disgraced hotel manager who travels to Rennes to rebuild a hotel and her own life in the process. Lucia Giannetti needs a fresh start. Once the hotel manager of a glamorous NYC hotel and intimately involved with the hotel's owner, Lucy had her entire future planned out. But when the owner disappears, taking millions of dollars with him, Lucy's life as she knows it falls apart. Two years later, forty-nine years old and unemployed, Lucy takes a job in Rennes, France to manage the Hotel Paradis. She pictures fur quilts and extravagant chandeliers, but what she finds is wildly different. Lucy is now in charge of turning the run-down, but charming hotel into a bustling tourist attraction. Between painting rooms, building a website, and getting to know Bing, the irritatingly attractive artist, Lucy finds an unexpected home. But can she succeed in bringing the Hotel Paradis to its former glory? Witty and heartfelt, *Lucy Checks In* is an inspiring and feel-good novel about reclaiming your life, finding love, and creating a home in places you never thought possible.

A perfect and irresistible idea: A cookbook filled with delicious, healthful recipes created for everyone on a tight budget. While studying food policy as a master's candidate at NYU, Leanne Brown asked a simple yet critical question: How well can a person eat on the \$4 a day given by SNAP, the U.S. government's Supplemental Nutrition Assistance Program informally known as food stamps? The answer is surprisingly well: Broiled Tilapia with Lime, Spicy Pulled Pork, Green Chile and Cheddar Quesadillas, Vegetable Jambalaya, Beet and Chickpea Salad—even desserts like Coconut Chocolate Cookies and Peach Coffee Cake. In addition to creating nutritious recipes that maximize every ingredient and use economical cooking methods, Ms. Brown gives tips on shopping; on creating pantry basics; on mastering certain staples—pizza dough, flour tortillas—and saucy extras that make everything taste better, like spice oil and tzatziki; and how to make fundamentally

smart, healthful food choices. The idea for Good and Cheap is already proving itself. The author launched a Kickstarter campaign to self-publish and fund the buy one/give one model. Hundreds of thousands of viewers watched her video and donated \$145,000, and national media are paying attention. Even high-profile chefs and food writers have taken note—like Mark Bittman, who retweeted the link to the campaign; Francis Lam, who called it “Terrific!”; and Michael Pollan, who cited it as a “cool kickstarter.” In the same way that TOMS turned inexpensive, stylish shoes into a larger do-good movement, Good and Cheap is poised to become a cookbook that every food lover with a conscience will embrace. #1 NEW YORK TIMES BESTSELLER • Now a major motion picture directed by Steven Spielberg. “Enchanting . . . Willy Wonka meets The Matrix.”—USA Today • “As one adventure leads expertly to the next, time simply evaporates.”—Entertainment Weekly A world at stake. A quest for the ultimate prize. Are you ready? In the year 2045, reality is an ugly place. The only time Wade Watts really feels alive is when he’s jacked into the OASIS, a vast virtual world where most of humanity spends their days. When the eccentric creator of the OASIS dies, he leaves behind a series of fiendish puzzles, based on his obsession with the pop culture of decades past. Whoever is first to solve them will inherit his vast fortune—and control of the OASIS itself. Then Wade cracks the first clue. Suddenly he’s beset by rivals who’ll kill to take this prize. The race is on—and the only way to survive is to win. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY Entertainment Weekly • San Francisco Chronicle • Village Voice • Chicago Sun-Times • iO9 • The AV Club “Delightful . . . the grown-up’s Harry Potter.”—HuffPost “An addictive read . . . part intergalactic scavenger hunt, part romance, and all heart.”—CNN “A most excellent ride . . . Cline stuffs his novel with a cornucopia of pop culture, as if to wink to the reader.”—Boston Globe “Ridiculously fun and large-hearted . . . Cline is that rare writer who can translate his own dorky enthusiasms into prose that’s both hilarious and compassionate.”—NPR “[A] fantastic page-turner . . . starts out like a simple bit of fun and winds up feeling like a rich and plausible picture of future friendships in a world not too distant from our own.”—iO9 Now a 6-part mini-series called Why the Rest of Us Die airing on VICE TV! The shocking truth about the government’s secret plans to survive a catastrophic attack on US soil—even if the rest of us die—is “a frightening eye-opener” (Kirkus Reviews) that spans the dawn of the nuclear age to today, and “contains everything one could possibly want to know” (The Wall Street Journal). Every day in Washington, DC, the blue-and-gold first Helicopter Squadron, codenamed “MUSSEL,” flies over the Potomac River. As obvious as the Presidential motorcade, most people assume the squadron is a

travel perk for VIPs. They're only half right: while the helicopters do provide transport, the unit exists to evacuate high-ranking officials in the event of a terrorist or nuclear attack on the capital. In the event of an attack, select officials would be whisked by helicopters to a ring of secret bunkers around Washington, even as ordinary citizens were left to fend for themselves. "In exploring the incredible lengths (and depths) that successive administrations have gone to in planning for the aftermath of a nuclear assault, Graff deftly weaves a tale of secrecy and paranoia" (The New York Times Book Review) with details "that read like they've been ripped from the pages of a pulp spy novel" (Vice). For more than sixty years, the US government has been developing secret Doomsday strategies to protect itself, and the multibillion-dollar Continuity of Government (COG) program takes numerous forms—from its potential to evacuate the Liberty Bell from Philadelphia to the plans to launch nuclear missiles from a Boeing-747 jet flying high over Nebraska. Garrett M. Graff sheds light on the inner workings of the 650-acre compound, called Raven Rock, just miles from Camp David, as well as dozens of other bunkers the government built for its top leaders during the Cold War, from the White House lawn to Cheyenne Mountain in Colorado to Palm Beach, Florida, and the secret plans that would have kicked in after a Cold War nuclear attack to round up foreigners and dissidents and nationalize industries. Equal parts a presidential, military, and cultural history, Raven Rock tracks the evolution of the government plan and the threats of global war from the dawn of the nuclear era through the War on Terror. "When bestselling romance novelist Mona Berman's husband announces that he's leaving her for Dominique, a French woman younger, thinner, and blonde, her life is turned upside down. Luckily, Mona has her two best friends to keep the good advice coming and the stiff martinis flowing. Adding to the fun are her three spirited teenage daughters; her faithful and fabulous assistant, Anthony; Ben, the world's sexiest plumber; and her crazy Aunt Lily, who moves in the day Mona's husband moves out. Mona and her girls head to the Jersey Shore for the summer, and they're in for a post-divorce adventure as juicy as one of Mona's novels. Will life imitate art and give Mona a second chance at a happy ending?"--Back cover. In this follow-up to *Better Off Without Him*, Mona Quincy once again faces life's tough moments with good friends, lots of laughs, and a cold, dry martini. For the past eighteen months, Mona has had a long-distance relationship with the man of her dreams, Ben Cutler. She's been in LA working on a screenplay, while he's been keeping the NJ home fires burning. But now she's back, and she needs to answer a very serious question - will she marry Ben? Mona doesn't think she ever wants to get married again - not even to someone as

practically perfect as Ben Cutler. But before she can think about her own marriage plans, she's got a few other weddings to deal with. Aunt Lily, at seventy-eight, has finally met her match in Vinnie DeMatriano, who just happens to be the uncle of a slightly notorious crime boss. True, they've only known each other three months, but they want to tie the knot - in Mona's back yard. Then Miranda, Mona's oldest daughter, announces that she's ready to get married after a three month long courtship of her own - to Ben's son, David. Ben believes in love at first sight, and is thrilled for Miranda and David. Mona doesn't want her daughter to marry anyone after such a short time. As they find themselves at odds for the very first time, Ben thinks they should step back and take some time away from each other. Mona is still unwilling to commit fully to Ben, and can only stand by as Carmella Ciavaglia, Vinnie's wedding-planner daughter, circles Ben like a great white shark. Will Mona finally get her Happily Ever After? Or has she learned her hardest lesson just a little too late? "The perfect feel-good read."—Emily Henry, #1 New York Times bestselling author of *People We Meet on Vacation*

Britta didn't plan on falling for her personal trainer, and Wes didn't plan on Britta. Plans change and it's unclear if love, career, or both will meet them at the finish line. Britta Colby works for a lifestyle website, and when tasked to write about her experience with a hot new body-positive fitness app that includes personal coaching, she knows it's a major opportunity to prove she should write for the site full-time. As CEO of the FitMi Fitness app, Wes Lawson finally has the financial security he grew up without, but despite his success, his floundering love life and complicated family situation leaves him feeling isolated and unfulfilled. He decides to get back to what he loves—coaching. Britta's his first new client and they click immediately. As weeks pass, she's surprised at how much she enjoys experimenting with her exercise routine. He's surprised at how much he looks forward to talking to her every day. They convince themselves their attraction is harmless, but when they start working out in person, Wes and Britta find it increasingly challenging to deny their chemistry and maintain a professional distance. Wes isn't supposed to be training clients, much less meeting with them, and Britta's credibility will be sunk if the lifestyle site finds out she's practically dating the fitness coach she's reviewing. Walking away from each other is the smartest thing to do, but running side by side feels like the start of something big. This unique, multilingual, encyclopedic dictionary in two volumes covers terms regularly used in landscape and urban planning, as well as environmental protection. The languages are American and British English, Spanish (with many Latin-American equivalents), French, and German. The encyclopedia also provides various interpretations of the terms at the

planning, legal or technical level, which make its meaning more precise and its usage clearer. Meet Enza Biondi—the ballsy, quick-thinking owner of Luxe Affairs. Armed with a pink notebook and killer curves, she’s a party planner with no time for fools and a nose for murder. Finding a dead body was not the way Enza wanted the McGowan Tea Party to end. She’s been hoping for a quick and easy clean-up so she could spend more time with the tall, dark and sexy guitar player who arrived with the entertainment. Instead, Enza and her partners find themselves in the middle of a crime scene, complete with a grieving client, shaken guests, and a seemingly unflappable guest of honor. As Enza looks closer at the murder, she starts peeling away the layers of a seemingly perfect marriage and finds that nothing—and no one—is what they first seemed to be, including that sexy guitar player, Connor Ives. Further complicating the situation is a sly Irish ex-mobster, a cold-hearted sister-in-law, and the skeptical detectives in charge of the investigation. The police may be doing their job, but Enza has more faith in her own instincts, and as she gets closer to the truth, the more her instincts are telling her that the killer may be hiding in plain sight. "Widowed Kate Everett is looking forward to starting her "second act." She's planned out everything that she wants--a new house, a new job, maybe even a new man. She can't wait until everything falls into place. But life has a way of butting in, and Kate soon finds herself dealing with unexpected houseguests, helping her daughter plan the world's smallest wedding, and sudden unemployment"--Page 4 of cover. An Elin Hilderbrand Entertainment Weekly Summer Reading Pick “The book-equivalent of a perfect first date... Highly highly recommend.” —Elin Hilderbrand, #1 New York Times bestselling author “A heady kaleidoscope of romance, heartbreak, and healing that’s both rich in insight and enchantingly funny.” —Fiona Davis, New York Times bestselling author The author of the “emotional, hilarious, and thought-provoking” (People) novel The Bucket List returns with a witty and heartfelt romantic comedy featuring a wedding planner, her unexpected business partner, and their coworkers in a series of linked love stories—perfect for fans of Christina Lauren and Casey McQuiston. For the past twenty years, Liv and Eliot Goldenhorn have run In Love in New York, Brooklyn’s beloved wedding-planning business. When Eliot dies unexpectedly, he even more unexpectedly leaves half of the business to his younger, blonder girlfriend, Savannah. Liv and Savannah are not a match made in heaven, to say the least. But what starts as a personal and professional nightmare transforms into something even savvy, cynical Liv Goldenhorn couldn’t begin to imagine. It Had to Be You cleverly unites Liv, Savannah, and couples as diverse and unique as New York City itself, in a joyous Love-Actually-style braided

narrative. The result is a smart, modern love story that truly speaks to our times. Second chances, secret romance, and steamy soul mates are front and center in this sexy, tender, and utterly charming rom-com. "That is not a ghost story. That is the RiverCliffe legacy." She looked at me, her eyes gentle. "Do you find that hard to believe?" Three years after her divorce, Risa Armitage is still trying to get back on her feet. Living in the basement of her mother's brownstone with three kids, one bathroom and no cross ventilation is not her-or her three kids'-ideal. When the family of the father that she never knew leaves her a surprise inheritance, RiverCliffe, Risa knows her prayers have been answered. She plans a quick trip up to the Hudson Valley to check out the inn and the surrounding farm before figuring out what to do with her newfound wealth. But when the long weekend results in a summer retreat, Risa begins to realize there's more to RiverCliffe than just a source of income. Her kids are each finding a place to fit in, and she's finding the local sheriff has a lot more going for him than just keeping the peace. Then there's the crazy story about all the Cliffe women from the past, and the graveyard right next door... As Risa learns more about the history of RiverCliffe, and the father who abandoned her, the more she realizes her future is not just determined by who she is now. With humor, warmth, a little help from the beyond, she learns that to move forward means to accept her place among a line of women all blessed-or cursed-with the RiverCliffe Legacy. After her divorce, librarian Annie Reynolds is no longer interested in love, but plans to have a little fun when she and her closest friends return to Dune Road in the Hamptons for their annual off-season getaway. When a flirtation with B-list movie star Jason Wilde gets out of hand when he mixes his back-pain medication with a few drinks, he becomes their unexpected high-profile houseguest. When the FBI is called in to what the media has labeled a kidnapping, their vacation becomes the adventure of a lifetime. In volumes 1-8: the final number consists of the Commencement annual. A sparkling romantic comedy starring a bestselling author who goes to Paris to overcome writer's block and rediscovers family, independence, and love along the way. All Maggie Bliss needs to do is write. Forty-eight years old and newly single (again!), she ventures to Paris in a last-ditch effort to finish her manuscript. With a marvelous apartment at her fingertips and an elegant housekeeper to meet her every need, a finished book—and her dream of finally taking her career over the top—is surely within her grasp. After all, how could she find anything except inspiration in Paris, with its sophistication, food, and romance in the air? But the clock is running out, and between her charming ex-husband arriving in France for vacation and a handsome Frenchman appearing one morning in her bathtub, Maggie's previously undisturbed peace goes

by the wayside. Charming and heartfelt, Dee Ernst's *Maggie Finds Her Muse* is a delightful and feel-good novel about finding love, confidence, and inspiration in all the best places.
